The Dragonfly's Dance of Wonder Scholastic Inc.

The girl has had many selves in her short life. The first she remembers is Aissa, the daughter of Mama and Dada, sister to Zufi who watched the goats. Then the Bull King's raiders came, and Mama said, "Don't make a sound till I come back." And when the villagers found her she was silent as stone, because Mama never came back again. So the villagers cursed her as back luck and made her No-Name, lowest of the servants to the Lady, the island's priestess. But there were whispers, as she grew, of another self: of the Lady's rejected first daughter, born imperfect with two extra thumbs. The silent girl looks at the scars on her

wrists and wonders, but she has more pressing concerns. The villagers blame her bad luck for the tribute the Bull King now demands of them: two youths given each spring to dance with his bulls and die for his god's glory. And the servants hate and fear the unnatural way the animals all come to her. For Aissa, though, this bond with creatures of fur and scale is the first clue in finding the true self that no one else can give to her, or take away. Wendy Orr, the author of *Nim's Island*, introduces a resourceful and resilient heroine for slightly older readers. Inspired by an archeological trip to the island of Crete, where frescoes show figures leaping over the backs of bulls, Orr weaves an intriguing mythological portrayal of the Bronze Age Minoan civilization. Lyrically written and refreshingly unpredictable, *Dragonfly Song* suggests a fascinating origin for the legend of the Minotaur and

his dark tribute.

Since the fall of the USSR, Mongolia has been a veritable open door for Christianity to spread far and wide. Starting in the early 1990s, God set the stage for Mongolia Campus Crusade for Christ (MCCC) to facilitate a message of hope and deliverance for a time such as this when Zula, a young Mongolian mother and MCCC staff member would forge a lasting friendship with Rhonda, a stateside Christian conciliator and grandmother, through a short-term mission partnership with MCCC. This story takes you on the journey of Gods design that brought these two women together from completely different countries and cultures and transformed them through heartrending tragedy. Gratitude has come as Ive made this journey. Im thankful that God is using my broken heart

to transform me for His purposes and for His glory, and to bring encouragement to the hurting hearts of others who have also experienced loss. - Rhonda Johnson Wootton I now consider my grief to be a precious gift. - Zula Jantsan This book is so unusual that it is hard to describe. Its unusual nature makes it stand out, almost demanding that we read it. I am sure you will come to the same conclusion once you read it, which I hope you do. Rhonda and Zula are friends who live about as far apart on this earth as two people can. They were already friends. But their deep friendship was forged through suffering, as deep friendships often are. They both lost sons, and only days apart. Strangely (and providentially), Rhonda was with Zula, comforting her over the tragic loss of her son, when her own son died just as tragically. They suffered together and grieved together. Now they have written a book together, a book full of sorrow, hope, wisdom and light. I commend this book to you, not only because it is so unusual, but also because it is so lovely and deep. - Jerry Sittser, author of *A Grace Disguised* and *A Grace Revealed* God binds us together across continents and cultures to be one body. In the pages that follow you will hear a story of pain, sadness and loss, but also of faithfulness, hope and redemption shared by two women of faith separated by thousands of miles and joined by one great Savior. This testimony is an encouragement to every one of us to keep walking and keep looking up to God through the darkest chapters of life and death. -Tim McConnell, Lead Pastor, First Presbyterian Church, Colorado Springs, author of *Happy Church* [The Dragonflies' Dance of Wonder](#) Createspace Independent Publishing Platform

A beautifully nostalgic picture book about one grandfather's younger days that shows you're only as old as you feel! "In this affectionate story, three children follow their grandfather up to the attic, where he pulls out his old bowler hat, gold-tipped cane, and his tap shoes. Grandpa once danced on the vaudeville stage, and as he glides across the floor, the children can see what it was like to be a song and dance man. Gammell captures all the story's inherent joie de vivre with color pencil renderings that leap off the pages. Bespectacled, enthusiastic Grandpa clearly exudes the message that you're only as old as you feel, but the children respond--as will readers--to the nostalgia of the moment. Utterly original."--(starred) Booklist.

Readers, 2017 There are two ways of looking at Aissa's story. She's the miracle girl who escaped the raiders. Or she's the

cursed child who called the Bull King's ship to the island. The firstborn daughter of a priestess is cast out as a baby, and after raiders kill her adopted family, she is abandoned at the gates of the Great Hall, anonymous and mute. Called No-Name, the cursed child, she is raised a slave, and not until she is twelve does she learn her name is Aissa: the dragonfly. Now every year the Bull King takes a tribute from the island: two thirteen-year-old children to brave the bloody bull dances in his royal court. None have ever returned - but for Aissa it is the only escape. Aissa is resilient, resourceful, and fast - but to survive the bull ring, she will have to learn the mystery of her true nature. Watching the Dragonfly Dance Dundurn

Dragonfly Dance is a collection of poems remarkable for their candor and sense of catharsis. Writing from the vantage point of an American Indian women, Denise Lajimodiere opens a door into the lives of Native girls and women. Her poems often reflect the deep tensions between Native culture and white culture. Reflected in Lajimodiere's poems, life is sometimes beautiful but rarely easy. "The Necklace," the narrator details how her mother repaired a favorite beaded necklace, "her arthritic fingers patiently / threading beads / on the long thin needle, weaving / night after night." When the necklace is finally repaired, she wears it to school where At recess a White boy ran by, yanked it off my neck and threw it. I watched as it ascended high above the blacktop, the beads glittered, scattering their light, a rainbow against gray skies. Unadorned, direct, and often raw, these riveting poems sear their way into our imaginations, inviting us into a world we might never have known. We are richer for the knowledge.

On the dance floor, they're able to take down the defensive walls they've built and not only find each other but also find their inner strength to trust and love again. Branford, CT About the author: Jack Francis Gorfien is a writer and licensed acupuncturist practicing in Madison, Connecticut. His inspiration for this story grew in part from having studied the principles of Traditional Chinese Medicine. He found that the concept of balancing the opposing forces known as Yin and Yang to relieve pain and create a state of good health, apply to all areas of life. Inspiration for this story also grew out of his experiences with ballroom dancing. He discovered that ballroom dancing is an excellent metaphor for all types of relationships, and the benefits available to partners who are willing to strive for balance and help each other excel. The author's desire is to encourage people to look within themselves and others to focus on their qualities, and choose to cultivate those qualities to their most positive potential. In today's chaotic and sometimes frightening world, we will all be well served by nourishing what is best in others and ourselves whenever possible. About the illustrator: Grace Turman has a mother, a father, a brother, two sisters and a handsome prince who keep her life just as exciting as it should be. She needs water (preferably sparkling), shelter, and at least three different colored ink pens to survive. Grace also helped illustrate *The Thimble Island Story Book*, a collection of salty sea stories by Captain Bob Milne.
