LOPEZ HARRY

Rip It Up and Start Again Rizzoli Publications

With exclusive access to Strummer's friends, relatives, and fellow musicians, music journalist Chris Salewicz penetrates the soul of an rock 'n roll icon. The Clash was--and still is--one of the most important groups of the late 1970s and early 1980s. Indebted to rockabilly, reggae, Memphis soul, cowboy justice, and '60s protest, the overtly political band railed against war, racism, and a dead-end economy, and in the process imparted a conscience to punk. Their eponymous first record and London Calling still rank in Rolling Stone's top-ten best albums of all time, and in 2003 they were officially inducted into the Rock and Roll Hall of Fame. Joe Strummer was the Clash's front man, a rock-and-roll hero seen by many as the personification of outlaw integrity and

street cool. The political heart of the Clash, Strummer synthesized gritty toughness and poetic sensitivity in a manner that still resonates with listeners, and his untimely death in December 2002 shook the world, further solidifying his iconic status. Salewicz was a friend to Strummer for close to three decades and has covered the Clash's career and the entire punk movement from its inception. He uses his vantage point to write *Redemption Song*, the definitive biography of Strummer, charting his enormous worldwide success, his bleak years in the wilderness after the Clash's bitter breakup, and his triumphant return to stardom at the end of his life. Salewicz argues for Strummer's place in a long line of protest singers that includes Woody Guthrie, John Lennon, and Bob Marley, and examines by turns Strummer's and punk's ongoing cultural influence.

Tales from a Sex Pistol Vintage

Without the Sex Pistols there would be no punk. And without

Steve Jones there would be no Sex Pistols. It was Steve who, with his schoolmate Paul Cook, formed the band that eventually went on to become the Sex Pistols and who was its original leader. As the world celebrates the 40th anniversary of punk -- the influence and cultural significance of which is felt in music, fashion, and the visual arts to this day--Steve tells his story for the very first time. Steve Jones's modern Dickensian tale began in the street of Hammersmith and Shepherd's Bush, West London, where as a lonely, neglected boy living off his wits and petty thievery he was given purpose by the glam art rock of David Bowie and Roxy Music. He became one of the first generation of ragamuffin punks taken under the wings of Malcolm McLaren and Vivienne Westwood. In *Lonely Boy*, Steve describes the sadness of never having known his real dad, the abuse he suffered at the hands of his stepfather, and how his interest in music and fashion saved him from a potential life of crime spent in remand centers and prisons. He takes readers on his journey from the Kings Road of the early '70s through the years of the Sex Pistols, punk rock, and the recording of "Anarchy in the UK" and *Never Mind the Bollocks*. He recounts his infamous confrontation on Bill Grundy's *Today* program -- the interview that ushered in the "Filth and the Fury" headlines that catapulted punk into the national consciousness. And he delves into the details of his self-imposed exile in New York and Los Angeles, where he battled alcohol, heroin, and sex addiction but eventually emerged to gain fresh acclaim as an actor and radio host. *Lonely Boy* is the story of an unlikely guitar hero who, with the Sex Pistols, transformed twentieth-century culture and kick-started a social revolution. Grove Press

To this day, they were, their fans believe, the best band in the world. Critics and sales figures told a similar story. Yet for all their brilliance and adoration -- their famously energetic live shows routinely interrupted by stage invasions -- The Smiths were continually plagued by their reticence to play the game, and by the time of 1987's *Strangeways Here We Come*, they had split. Tony Fletcher's *A Light That Never Goes Out* -- part celebration, part paean -- moves from Manchester in the nineteenth-century to the present day to tell the complete story of The Smiths. The product of extensive research and unprecedented access, it will serve to confirm The Smiths as one of the most important and influential rock groups of all time.

I Slept with Joey Ramone Omnibus Press

Taking us back to late '70s and early '80s Hollywood—pre-crack, pre-AIDS, pre-Reagan—*We Got the Neutron Bomb* re-creates word for word the rage, intensity, and anarchic glory of the Los Angeles punk scene, straight from the mouths of the scenesters, zinesters, groupies, filmmakers, and musicians who were there. "California was wide-open sex—no condoms, no birth control, no morality, no guilt." —Kim Fowley "The Runaways were rebels, all of us were. And a lot of people looked up to us. It helped a lot of kids who had very mediocre, uneventful, unhappy lives. It gave them something to hold on to." —Cherie Currie "The objective was to create something for our own personal satisfaction, because everything in our youthful and limited opinion sucked, and we knew better." —John Doe "The Masque was like Heaven and Hell all rolled into one. It was a bomb shelter, a basement. It was so amazing, such a dive ... but it was our dive." —Hellin Killer "At least fifty punks were living at the Canterbury. You'd walk

into the courtyard and there'd be a dozen different punk songs all playing at the same time. It was an incredible environment."

—Belinda Carlisle Assembled from exhaustive interviews, *We Got the Neutron Bomb* tells the authentically gritty stories of bands like the Runaways, the Germs, X, the Screamers, Black Flag, and the Circle Jerks—their rise, their fall, and their undeniable influence on the rock 'n' roll of today.

No Irish, No Blacks, No Dogs : the Authorized Autobiography : Johnny Rotten of the Sex Pistols Motorbooks International Rip It Up and Start Again is the first book-length exploration of the wildly adventurous music created in the years after punk. Renowned music journalist Simon Reynolds celebrates the futurist spirit of such bands as Joy Division, Gang of Four, Talking Heads, and Devo, which resulted in endless innovations in music, lyrics, performance, and style and continued into the early eighties with the video-savvy synth-pop of groups such as Human League, Depeche Mode, and Soft Cell, whose success coincided with the rise of MTV. Full of insight and anecdotes and populated by charismatic characters, Rip It Up and Start Again re-creates the idealism, urgency, and excitement of one of the most important and challenging periods in the history of popular music.

No Irish, No Blacks, No Dogs Grove/Atlantic, Inc.

A definitive celebration packed with previously unseen material of the original punk band—the group that defined a movement, energized a generation, and brought punk music and the safety-pin aesthetic to the mainstream. The Sex Pistols have defined the look, sound, and feel of the punk movement since they formed in London in 1975. Together for less than three years—a short run that included just four singles and one studio album before they

broke up in 1978—their impact on the musical and cultural landscape of the last forty years is nothing short of remarkable. The Sex Pistols—Johnny Rotten, Steve Jones, Paul Cook, and Glen Matlock (later to be replaced by Sid Vicious)—were brought together by the cultural impresario Malcolm McLaren. Between the cultivated attitude of the players themselves, the aggressive management of McLaren, and the tremendous success of their era-defining album *Never Mind the Bollocks Here's the Sex Pistols*, the band embodied the punk spirit and colored the worlds of music, fashion, youth culture, and design forever. Published to coincide with the fortieth anniversary of the band's formation, Johan Kugelberg and Jon Savage draw on an unprecedented wealth of material—from McLaren's handwritten letters to never-before-seen photographs of the band, Jamie Reid's iconic album artwork, and a range of ephemera from concert tickets to fanzines—to produce the most comprehensive visual history of the band ever produced and a bible of popular culture for years to come.

Penguin

"A powerful story of punk-rock inspiration and a great rock bio" (Rolling Stone), now in paperback. When the Ramones recorded their debut album in 1976, it heralded the true birth of punk rock. Unforgettable front man Joey Ramone gave voice to the disaffected youth of the seventies and eighties, and the band influenced the counterculture for decades to come. With honesty, humor, and grace, Joey's brother, Mickey Leigh, shares a fascinating, intimate look at the turbulent life of one of America's greatest—and unlikeliest—music icons. While the music lives on for new generations to discover, *I Slept with Joey Ramone* is the

enduring portrait of a man who struggled to find his voice and of the brother who loved him.

Rotten Crown Archetype

Take a romp through the long eighteenth-century in this collection of 25 short tales. Marvel at the Queen's Ass, gaze at the celestial heavens through the eyes of the past and be amazed by the equestrian feats of the Norwich Nymph. Journey to the debauched French court at Versailles, travel to Covent Garden and take your seat in a box at the theatre and, afterwards, join the mile-high club in a new-fangled hot air balloon. Meet actresses, whores and high-born ladies, politicians, inventors, royalty and criminals as we travel through the Georgian era in all its glorious and gruesome glory. In roughly chronological order, covering the reign of the four Georges, 1714-1730 and set within the framework of the main events of the era, these tales are accompanied by over 100 stunning color illustrations.

The Sex Pistols Invade America Gill

"The history of the East Bay Dragons Motorcycle Club, an all-black, all-Harley, all-chopper group of motorcyclists in Oakland, California. Written by the club's founder and president, it presents an often-untold portion of African-American history"- Provided by publisher.

The Enduring Saga of the Smiths Bonnier Zaffre

'Something Rotten' is a look at 14 major banking scandals in Ireland in the last 30 years. Ireland has developed and tolerated a culture of lax practice and weak regulation in its financial services sector. It took the sensational revelations at various tribunals to uncover some of them.

Alice Cooper, Golf Monster Crown

Some dogs have a bark bigger than their bite. But Sweetie, The Great Dane, can't afford to bark -- or bite. After three little nips and three masters, the next stop is the pound. So when the burglar comes calling, he waves his tail. When coyotes come prowling, he tries to make peace -- as they howl in scorn. They promise they'll return -- to eat his food, his friends, Red the Irish Setter, Poky the Beagle, and Sweetie for dessert! If Sweetie can't protect them they'll all perish! How can he outfox twelve hungry coyotes?

The Camera My Mother Gave Me Omnibus Press

Glen Matlock was a founding member of the Sex Pistols and co-wrote most of their iconic songs. His story of the Pistols' rise to global infamy is an honest, insightful account of a group of intelligent malcontents, determined to change the music business and to attack hypocrisy and stale conventions in society at large. Glen brilliantly captures the flavour of seventies Britain and reveals the complexities and personality clashes that made the Pistols so explosive at that time. Also includes true tales of the Pistols reunion tours of 1996 and 2002. Never mind the other bollocks-filled books about the Sex Pistols, here's the truth.

Postpunk 1978-1984 Broadway Books

NOW A NETFLIX ORIGINAL MOVIE STARRING MACHINE GUN KELLY, DANIEL WEBBER, DOUGLAS BOOTH, AND IWAN RHEON, DIRECTED BY JEFF TREMAINE. Celebrate thirty years of the world's most notorious rock band with the deluxe collectors' edition of *The Dirt*—the outrageous, legendary, no-holds-barred autobiography of Mötley Crüe. Fans have gotten glimpses into the band's crazy world of backstage scandals, celebrity love

affairs, rollercoaster drug addictions, and immortal music in Mötley Crüe books like *Tommyland* and *The Heroin Diaries*, but now the full spectrum of sin and success by Tommy Lee, Nikki Sixx, Vince Neil, and Mick Mars is an open book in *The Dirt*. Even fans already familiar with earlier editions of the bestselling exposé will treasure this gorgeous deluxe edition. Joe Levy at *Rolling Stone* calls *The Dirt* "without a doubt . . . the most detailed account of the awesome pleasures and perils of rock & roll stardom I have ever read. It is completely compelling and utterly revolting."

A Compendium of Thoughts on the Icon of an Era RottenNo Irish, No Blacks, No Dogs

The author relates her odyssey through the world of gynecological medicine in an attempt to diagnose a mysterious disorder, and addresses larger questions that arise when sexual pleasure is replaced by pain.

Rotten Anchor

Follows the wild life and times of Pogues co-founder and legendary partyer Shane MacGowan, exploring his childhood, music, friends and family, and religious views.

How to Feed Yourself and Your Friends [A Cookbook]

Ballantine Books

"Like his bass, the lows are low and the style upfront."--*Financial Times* "An exhilarating journey."--*Mojo* A frank and fascinating account of a geezer's life in the music business. Jah Wobble begins by offering the most authentic insider's account of the beginning of punk rock yet. He covers the celebrated ups of his career along with the downs, both personally and professionally. Throughout the book Wobble tells it like he sees it. Jah Wobble is

one of the founding members of Public Image Limited (PiL) along with John Lydon. He is a bassist, singer, composer, poet, and music journalist.

Something Rotten McFarland

No one embodied the Sex Pistols raw, anarchic excesses like bassist Sid Vicious. Told from an insider's perspective, *Sid Vicious: Rock 'n' Roll Star* covers the brief life of punk's original poster boy including everything from Vicious's lowly beginning as the only child of a drug-addicted parent to his obsession with violence and the notorious death of girlfriend Nancy Spungen. New material and numerous photographs capture the extremes of this charismatic rebel who crashed and burned at 21.

Anger is an Energy: My Life Uncensored Serpents Tail

In November 1977, Warner Bros. secured the rights to release the album *Never Mind The Bollocks, Here's the Sex Pistols* in America. The following January, the Sex Pistols--already the "scourge" of Britain--were discovered by unsuspecting American audiences in an infamous U.S. tour, accompanied by sensational media coverage and moral panic. Malcolm McLaren, the band's manager, eschewed the established rock 'n' roll markets of New York and Los Angeles in favor of off-the-radar venues in Memphis, San Antonio and Baton Rouge, sowing the seeds for countercultural clashes in the conservative South. Two weeks later the band split up but punk had invaded mainstream American culture. Drawing on input from fans, the author chronicles the Pistols' first and only U.S. tour and separates fact from fallacy in the mythology surrounding those 12 days of mayhem.

Ender's Game Harper Collins

Love him or hate him, when it comes to the man they once called 'Rotten', the one thing you can't do is ignore him. But what exactly was it that he did? How did Johnny Rotten become the focal point of the British punk movement? In a series of stand-alone essays written by the cream of rock music's writers and

commentators, the ultimate anti-hero is immortalised, dissected and - for the first and maybe only time - really understood.

Sid Vicious Harper Collins
