THOMAS CORDOVA

A Zombie Novel Yale University Press
 From the New York Times bestselling author of *ASYLUM* comes one woman's story as she blogs - and fights back - the zombie apocalypse Allison Hewitt and her five colleagues at the Brooks and Peabody Bookstore are trapped together when the zombie outbreak hits. Allison reaches out for help through her blog, writing on her laptop and utilizing the military's emergency wireless network (SNET). It may also be her only chance to reach her mother. But as the reality of their situation sinks in, Allison's blog becomes a harrowing account of her edge-of-the-seat

adventures (with some witty sarcasm thrown in) as she and her companions fight their way through ravenous zombies and sometimes even more dangerous humans. "Madeline Roux manages to answer the eternal question all of us must ask ourselves eventually: "When the zombie apocalypse comes (and it will come), how will I handle it?" For my part, I hope I manage it with as much humanity and determination as Allison. But I would like to make a request for bigger weapons." --Christine Warren, New York Times bestselling author of *The Others* series
Shadow of Night (Movie Tie-In) Penguin Book one of the New York Times bestselling All Souls trilogy—"a wonderfully imaginative grown-up fantasy

with all the magic of Harry Potter and *Twilight*" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! Deborah Harkness's sparkling debut, *A Discovery of Witches*, brought her into the spotlight and galvanized fans around the world. In this tale of passion and obsession, Diana Bishop, a young scholar and a descendant of witches, discovers a long-lost and enchanted alchemical manuscript, Ashmole 782, deep in Oxford's Bodleian Library. Its reappearance summons a fantastical underworld, which she navigates with her leading man, vampire geneticist Matthew Clairmont. Harkness has created a universe to rival those of Anne Rice, Diana

Gabaldon, and Elizabeth Kostova, and she adds a scholar's depth to this riveting tale of magic and suspense. The story continues in book two, *Shadow of Night*, and concludes with *The Book of Life*. The story now comes alive in an incredibly lush eponymous TV series, starring Teresa Palmer (*I Am Number Four*, *Hacksaw Ridge*) and Matthew Goode (*Match Point*, *The Imitation Game*).

The All Souls Complete Trilogy Penguin
Three men, sworn enemies, vie for sway over the girl witch—a blue-eyed innocent—who is to rule over the Dark Kingdom, commencing a ruthless game of politics, magic and betrayal, in which the weapons are love and hate. Original.

The #1 New York Times–bestselling author of *A Discovery of Witches* examines the real-life history of the scientific community of Elizabethan London. Travel to the streets, shops, back alleys, and gardens of Elizabethan London, where a boisterous and diverse group of men and women shared a keen interest in the study of nature. These assorted merchants, gardeners, barber-surgeons, midwives, instrument makers, mathematics teachers, engineers, alchemists, and other experimenters formed a patchwork scientific community whose practices set the stage for the Scientific Revolution. While Francis Bacon has been widely regarded as the father of modern science, scores of his London contemporaries also deserve a share in this distinction. It was their collaborative, yet often contentious, ethos that helped to develop the ideals of modern scientific research. The book examines six particularly fascinating episodes of scientific inquiry and dispute in sixteenth-century London, bringing to life the individuals involved and the challenges they faced. These men and women experimented and invented, argued and competed, waged wars in the press, and struggled to understand the complexities of the natural world. Together their stories illuminate the blind alleys and surprising twists and turns taken as medieval philosophy gave way to the empirical, experimental culture that became a hallmark of the Scientific Revolution. “Elegant and erudite.”

—Anthony Grafton, *American Scientist* “A truly wonderful book, deeply researched, full of original material, and exhilarating to read.” —John Carey, *Sunday Times* “Widely accessible.” —Ian Archer, *Oxford University* “Vivid, compelling, and panoramic, this revelatory work will force

us to revise everything we thought we knew about Renaissance science.”

—Adrian Johns, author of *The Nature Book*
A Novel Simon and Schuster

Love has designs of its own.... To all of London society, Lord and Lady Tremaine had the ideal arrangement: a marriage based on civility, courteousness, and freedom—by all accounts, a perfect marriage. The reason? For the last ten years, husband and wife have resided on separate continents. But once upon a time, things were quite different for the Tremaines....When Gigi Rowland first laid eyes on Camden Saybrook, the attraction was immediate and overwhelming. But what began in a spark of passion ended in betrayal the morning after their wedding—and now Gigi wants to be free to marry again. When Camden returns from America with an outrageous demand in exchange for her freedom, Gigi’s decision will have consequences she never imagined, as secrets are exposed, desire is rekindled—and one of London’s most admired couples must either fall in love all over again...or let each other go forever.

Finnikin of the Rock Penguin

Now a major Sky TV series Read the number one Sunday Times bestselling ALL SOULS TRILOGY before you watch A DISCOVERY OF WITCHES Season 2.

Available together for the first time in the UK, the complete trilogy is perfect for fans of Diana Gabaldon, Stephenie Meyer and Victoria Aveyard. 'This is a glorious, finely-wrought gem of a book: intelligent, thoughtful, intricate. . . Utterly enchanting on every level' Manda Scott on A DISCOVERY OF WITCHES 'Deborah Harkness writes as if she's the hugely more talented love child of Diana Gabaldon and J. K. Rowling'

thebookbag.co.uk on SHADOW OF NIGHT 'Rich in arcane detail, fans will relish this exotic cauldron of romantic fantasy' Sunday Mirror on THE BOOK OF LIFE A world of witches, daemons and vampires. A manuscript which holds the secrets of their past and the key to their future. Diana and Matthew - the forbidden love at the heart of it. A DISCOVERY OF WITCHES. SHADOW OF NIGHT. THE BOOK OF LIFE. Praise for Deborah Harkness and the ALL SOULS trilogy: 'Deborah Harkness proves to be a novelist of considerable talent. My favourite series of recent years' bookabookshop.co.uk 'Intelligent and off-the-wall . . . irresistible to Twilight fans' The Sunday Times 'I fell in love with it from the very first page' Danielle Trussoni 'A spellbinding saga . . . unputdownable' Woman & Home 'Harkness has a gift for storytelling' pamreader.blogspot.co.uk A Conversation with Deborah Harkness How

did you become interested in the intersection of alchemy, magic, and science? Historically, what do you see as the relationship between science and religion or mysticism? In college, I had a wonderful professor who taught a class on these subjects. To kick off the class, he asked us, 'How do you know what you think you know?' I've spent the last quarter century trying to answer that question. Because the world is a mysterious place and our relationship to it is not always clear, people have often turned to science, faith, and magic for answers. They help people find responses to the questions of, who am I and why am I here? Diana is an appealing heroine, determined, accomplished, and yet aware of her own weaknesses. In what ways, if any, does Diana reflect your own experience or personality? There are some similarities - Diana is also a historian of science, also interested in the history of alchemy, and shares some of my passions (including television cooking programs, tea, and rowing). Really, all the characters have some element of me in them. I think that's how authors create imaginary people who nevertheless feel real. The rest of Diana's character comes from a combination of qualities I admire in others, wish fulfilment, and my completion of the following statement: 'Wouldn't it be great if a heroine in a book was . . . Find out more about Deborah Harkness and read the full conversation in THE ALL SOULS COMPLETE TRILOGY.

Featuring patterns inspired by Dean, Sam, Castiel, Crowley, and a host of angels, demons, and other creatures, these minutely detailed drawings offer hours of creative fun.

Slammerkin Penguin Paperbacks

A fully illustrated guide to Deborah Harkness's #1 New York Times bestselling *All Souls* trilogy—"an irresistible . . . wonderfully imaginative grown-up fantasy" (People). Look for the hit TV series "A Discovery of Witches," streaming on AMC Plus, Sundance Now and Shudder. A *Discovery of Witches* introduced Diana Bishop, Oxford scholar and reluctant witch,

and vampire geneticist Matthew Clairmont. *Shadow of Night* and *The Book of Life* carried Deborah Harkness's series to its spellbinding conclusion. In *The World of All Souls*, Harkness shares the rich sources of inspiration behind her bewitching novels. She draws together synopses, character bios, maps, recipes, and even the science behind creatures, magic, and alchemy—all with her signature historian's touch. Bursting with fascinating facts and dazzling artwork, this essential handbook is a must-have for longtime fans and eager newcomers alike.

A Novel Penguin

In this sparkling collection of nineteen stories, the bestselling author of *Slammerkin* returns to contemporary affairs, exposing the private dilemmas that result from some of our most public controversies. A man finds God and finally wants to father a child—only his wife is now forty-two years old. A coach's son discovers his sexuality on the football field. A roommate's bizarre secret liberates a repressed young woman. From the unforeseen consequences of a polite social lie to the turmoil caused by the hair on a woman's chin, Donoghue dramatizes the seemingly small acts upon which our lives often turn. Many of these stories involve animals and what they mean to us, or babies and whether to have them; some replay biblical plots in modern contexts. With characters old, young, straight, gay, and simply confused, Donoghue dazzles with her range and her ability to touch lightly but delve deeply into the human condition.

Private Arrangements Bantam

From the iconic and bestselling author of *The Mummy* and *The Vampire Chronicles*, a mesmerizing, glamorous new tale of ancient feuds and modern passions. Ramses the Great, former pharaoh of Egypt, is reawakened by the elixir of life in Edwardian England. Now immortal with his bride-to-be, he is swept up in a fierce and deadly battle of wills and psyches against the once-great Queen Cleopatra. Ramses has reawakened Cleopatra with the same perilous elixir whose unworldly force brings the dead back to life. But as these ancient rulers defy one another in their quest to understand the powers of the strange elixir, they are haunted by a mysterious presence even older and more powerful than they, a figure drawn forth from the mists of history who possesses spectacular magical potions and tonics eight millennia old. This is a figure who ruled over an ancient kingdom stretching from the once-fertile earth of the Sahara to the far corners of the world, a queen with a supreme knowledge of the deepest

origins of the elixir of life. She may be the only one who can make known to Ramses and Cleopatra the key to their immortality—and the secrets of the miraculous, unknowable, endless expanse of the universe.

River Kings Penguin

Follow an epic story of the Viking Age that traces the historical trail of an ancient piece of jewelry found in a Viking grave in England to its origins thousands of miles east in India. An acclaimed bioarchaeologist, Catrine Jarman has used cutting-edge forensic techniques to spark her investigation into the history of the Vikings who came to rest in British soil. By examining teeth that are now over one thousand years old, she can determine childhood diet—and thereby where a person was likely born. With radiocarbon dating, she can ascertain a death-date down to the range of a few years. And her research offers enlightening new visions of the roles of women and children in Viking culture. Three years ago, a Carnelian bead came into her temporary possession. *River Kings* sees her trace the path of this ancient piece of jewelry back to eighth-century Baghdad and India, discovering along the way that the Vikings' route was far more varied than we might think—that with them came people from the Middle East, not just Scandinavia, and that the reason for this unexpected integration between the Eastern and Western worlds may well have been a slave trade running through the Silk Road, all the way to Britain. Told as a riveting history of the Vikings and the methods we use to understand them, this is a major reassessment of the fierce, often-mythologized voyagers of the North—and of the global medieval world as we know it.

The All Souls Real-time Reading

Companion John Wiley & Sons

In the next book in the Wall Street Journal bestselling Mercy Kilpatrick series, there are no such things as little secrets... Raised by preppers, survivalist and FBI agent Mercy Kilpatrick has a deep-rooted need for a safe place. Her getaway in the Cascade Foothills is her secret. But when skeletal remains are unearthed—those of a murdered man linked to a notorious heist—Mercy realizes she isn't the only one with something to hide. Thirty years ago, an armored-car robbery turned deadly. The mastermind was captured. Four conspirators vanished with a fortune. One of them, it appears, never made it out of the woods alive. For Mercy and her fiancé, Police Chief Truman Daly, their investigation opens old wounds in Eagle's Nest that cut deeper than they imagined.

Especially when a reckless tabloid reporter draws fresh blood. It's clear to Mercy that somebody in this close-knit community is not who they seem to be. Some are still shattered by the heist. Some still have reason to be afraid. But which one will kill again and again to hide three decades of secrets? To land this case, it's up to Mercy to unmask a familiar stranger before someone else dies.

The World of All Souls Penguin

What is a grimoire? The word has a familiar ring to many people, particularly as a consequence of such popular television dramas as *Buffy the Vampire Slayer* and *Charmed*. But few people are sure exactly what it means. Put simply, grimoires are books of spells that were first recorded in the Ancient Middle East and which have developed and spread across much of the Western Hemisphere and beyond over the ensuing millennia. At their most benign, they contain charms and remedies for natural and supernatural ailments and advice on contacting spirits to help find treasures and protect from evil. But at their most sinister they provide instructions on how to manipulate people for corrupt purposes and, worst of all, to call up and make a pact with the Devil. Both types have proven remarkably resilient and adaptable and retain much of their relevance and fascination to this day. But the grimoire represents much more than just magic. To understand the history of grimoires is to understand the spread of Christianity, the development of early science, the cultural influence of the print revolution, the growth of literacy, the impact of colonialism, and the expansion of western cultures across the oceans. As this book richly demonstrates, the history of grimoires illuminates many of the most important developments in European history over the last two thousand years.

The Particular Sadness of Lemon Cake
 Lethé Press

The #1 New York Times-bestselling third installment of the All Souls series, and the basis for the final season of "A Discovery of Witches," coming soon to AMC+, Sundance Now, and Shudder. In The Book of Life Diana and Matthew time-travel back from Elizabethan London to make a dramatic return to the present--facing new crises and old enemies. At Matthew's ancestral home, Sept-Tours, they reunite with the beloved cast of characters from A Discovery of Witches--with one significant exception. But the real threat to their future has yet to be revealed, and when it is, the search for Ashmole 782 and its

missing pages takes on even more urgency. In the third volume of the All Souls series, Harkness deepens her themes of power and passion, family and caring, past deeds and their present consequences. In palatial homes and university laboratories, using ancient knowledge and modern science, from the hills of the Auvergne to Venice and beyond, the couple at last learn what the witches discovered so many centuries ago.

A Novel Simon and Schuster

From the #1 New York Times bestselling author of A Discovery of Witches—look for the hit TV series “A Discovery of Witches,” streaming on AMC Plus, Sundance Now and Shudder. Season 2 premieres January 9, 2021! What does it truly take to become a vampire? On the battlefields of the American Revolution, Matthew de Clermont meets Marcus MacNeil, a young surgeon from Massachusetts, during a moment of political awakening when it seems that the world is on the brink of a brighter future. When Matthew offers him a chance at immortality and a new life free from the restraints of his puritanical upbringing, Marcus seizes the opportunity to become a vampire. But his transformation is not an easy one and the ancient traditions and responsibilities of the de Clermont family clash with Marcus's deeply held beliefs in liberty, equality, and brotherhood. Fast-forward to contemporary Paris, where Phoebe Taylor—the young employee at Sotheby's whom Marcus has fallen for—is about to embark on her own journey to immortality. Though the modernized version of the process at first seems uncomplicated, the couple discovers that the challenges facing a human who wishes to be a vampire are no less formidable than they were in the eighteenth century. The shadows that Marcus believed he'd escaped centuries ago may return to haunt them both—forever. A passionate love story and a fascinating exploration of the power of tradition and the possibilities not just for change but for revolution, Time's *Convert*, the fourth books in the All Souls Series channels the supernatural world-building and slow-burning romance that made the previous books instant bestsellers to illuminate a new and vital moment in history, and a love affair that will bridge centuries.
