ENTER THE MYSTERY OF YOUR LIFE From the depths of Mystery come the Secrets of Heaven. They have come to take you deeper into the experience of Mystery and purpose that surrounds your presence in the world. The Angels of Heaven seek to share with you what has long been

forgotten in the world. Miraculously, as if whispered across time and space, these secrets have now come to you. You have found them. At a time of great change in the world, Heaven seeks to reveal to you the long-forgotten truths that once guided the prophets, poets, messengers and mystics throughout the ages. Here the ancient memory and awareness that dwells within you can be rekindled, revealing your greater gifts and purpose in the world. The Secrets of Heaven hold the power to unlock these gifts, deep at the heart of humanity. With these gifts, there is new hope for the world. Heaven asks you to receive its secrets. Each secret is a window into a

greater reality. Each secret is an opportunity to peer through the looking glass, and see ourselves as we are seen from above. Now we are looking through the eyes of Heaven to see ourselves, others and the world as never before. The newest book of revelation from The New Message from God, Secrets of Heaven contains the first and earliest utterances of the New Message from God. These secrets were revealed starting in 1983 in the deserts of the American Southwest, upon the Messenger Marshall Vian Summers' initiation by the Angelic Assembly and their mysterious mandate that he open himself to their presence and begin to "record." What you will find in these

pages are those first words, recorded, preserved through time and now made available to the world. *The Secret of Heaven* Createspace Independent Publishing Platform "There are two types of marriages -a Marriage from Heaven or a Marriage from Hell," say marriage and relationship coaches - Drs. Uyi & Faith Abraham. The first few years of their own marriage were unhealthy, tumultuous and almost ended in a break up. Today, thirteen years in with the help of God and by applying the principles that they now teach, they were able to save their marriage. They are on a crusade to save marriages and relationships! Drawing from research,

personal wealth of information and experiences gained from their private Christian marriage and relationship counseling practice they wrote this book to help couples WIN by giving them the secrets to a strong, healthy and passionate marriage.

When his disciples asked Jesus why he spoke in parables, Jesus did not say that the parables made his teachings easier to understand. Instead, he indicated that many people would misunderstand his parables. He suggested that they were spoken in a code that would only be understood by believers. "To you has been given to know the secrets of the kingdom of heaven, but to them it has not been given,"

he said (Matthew 13:11). What secrets are these? They are the identity of Jesus- truly and completely God, truly and completely human, and the world's only Savior and Redeemer- and the mission of Jesus- to live a sinless life in the place of his people, and to offer that life as a sacrifice to redeem his people. Lacking knowledge of those secrets, the parables of Jesus appear to be lessons about how to live as Christians. Knowing those secrets, the parables are revealed as descriptions of how to have eternal life through the work of Jesus- his sinless life, his sacrificial death, and his victorious resurrection. This book guides the reader to understand the

parables of Jesus according to the secrets of the kingdom of heaven. It helps the reader to become that disciple described by Jesus: "Every scribe who has been trained for the kingdom of heaven is like the master of a house, who brings out of his treasure what is new and what is old" (Matthew 13:52).

Touching Heaven Through Prayer
Secrets from Heaven: Hidden Treasure of Faith in the Parables and Conversations of Jesus
What if every father discovered his true identity, power, and

necessity? A father's mission is to be a link between heaven and earth, between God and his children. He does this by becoming the voice of the Father that his children cannot hear, the face of the Father that his children cannot see, and the touch of the Father that his children cannot feel. This is his mission, his challenge, and his call to glory. Show Us the Father contains the battle plan for living out this call, offering seven secrets to becoming the father that God has created and destined you to be. It is time for fathers to enter this battle, fully armed, with the bold commitment to sacrifice themselves for their wives, children, and the future of humanity by becoming like St.

Joseph, a father on earth like the Father in heaven.

7 Secrets from God's Kingdom HarperCollins

The greatest teacher who ever lived, Jesus knew how to reach his audience where they were at. Whether preaching to a group in parable or holding an intimate conversation, he had an unequalled ability to get across the message that his listeners needed to hear. His teachings in the Gospels speak no less directly to us today. But so rich in meaning are the words of our incarnate God, so layered and profound his messages, that often we fail to do more than scratch their surface. And over time, our habit of superficial encounter with the Word can become self-

perpetuating. In Secrets from Heaven, Fr. Sebastian Walshe helps you break free from stale and familiar takes on the Gospel, giving you new eyes to see and new ears to hear the inexhaustible depths of Christ's wisdom. The Parable of the Sowers, the Good Samaritan, the Prodigal Son, the woman caught in adultery - all these and more come alive in fresh ways, revealing significant details and nuances, scriptural/historical connections, and testaments to Christ's rhetorical and pedagogical genius that you've never noted before. You'll marvel at Jesus' skill as an evangelist; but more importantly, you'll be powerfully moved to faith and love just as those who

heard him in person long ago. Nothing Jesus taught was truly "secret" - he revealed the Father for all the world to see. But that doesn't mean his revelation is simplistic. Read Secrets from Heaven and go deeper into the saving mysteries of his life and words.

The Da Vinci Code: What Alex Jones, Coast to Coast AM and David Wilcock didn't tell you. Ancient conspiracies, secrets and legend: Could ancient secrets have an effect on the polarized human life we live today? What are the origins of the "me too" movement and conflicts between the sexes? Where does the Russian meddling begin and end? From Dan Brown and the Da Vinci Code, Daniel Silva and The Unlikely Spy, to The Illuminatus Trilogy by Robert Shea and Robert Anton Wilson, writers have explored the secrets of religion, government agencies such as the FBI and CIA, the 'deep state', shadow governments and big business as they seek to establish, manage and control the advent

of a New World Order. What is their ultimate goal? What truths do they seek to hide? Who is it that truly controls the events that affect human life? This book explores historical elements such as the impact of the Russian Revolution, biblical references and the fall of the Soviet Union as well as the story of Lucifer and the Fallen Angels, the book of Enoch and the role of the Vatican in shaping human history. Organized crime, the Mafia and a deep secret paranormal administrative body that truly influences and guides human kind are also explored as they too seek to exploit humanity in their sinister ambitions. The Narrator is the Author, Dee Martin, drawn innocently into the

quest as a scribe, observer and historian but for what ultimate end? The main character is the erudite assassin Mr. French, employed by a deep, secretive administration to re-balance the scales of justice supporting a deep ancient conspiracy while readying the landscape for a final battle. We drift into and out of the backstory of the biblical fall of the Angels referenced but largely written out of the Bible although detailed by a man who walked with God....Enoch. A beautiful young girl taken from her village and exploited during The Fall is explored. The spirit of this long forgotten child is relived through the character of 'The Waif',

a gorgeous, sardonic bartender in our modern world with attitude, whose curiosity thrusts her headlong into the story and into a whirlwind romance. 'The Waif' symbolizes the curious, independent and intrepid feminine spirit that seeks to recover from this fall, a spirit subordinated and marginalized throughout time yet a spirit whose time to rise has come. But is it all too late?
