MATHEWS JOCELYN

Depression, Anxiety, and Other Things We Don't Want to Talk About Simon and Schuster
 We were wired by God to crave and seek meaning. The trouble is where we go to find it. In *Life Without God*, Tullian Tchividjian draws on the wisdom and warnings of Ecclesiastes and creates an oasis of hope for all who long for a life of significance.

Dazzling Your Kids with the Love of Jesus Baker Books
 The Christ Key swings wide the door into the Christ-soaked mysteries of the Hebrew scriptures.

New Morning Mercies Jesus + Nothing
 Every person follows a script for living, a life guide that directs our behavior and shapes our choices. As believers, we find the original script for living woven throughout the Bible. Yet while the Christian message is simple, it can become complicated by our environment, our culture, and our religious ideas and traditions. For this reason, we are all in constant need of revising the scripts by

which we live. Author Frank Viola believes we need to revisit and revise what it means to live the Christian life. Drawing from his rich background in ministry, Viola examines ten key areas that impact every believer and explores fresh ways to revise them. Conversational, insightful, and practical, *Revise Us Again* encourages us to examine those religious habits that we unconsciously pick up from others and rescript them with new habits that line up with our new nature in Christ.

Making a Difference in the World by Being Different B&H Publishing Group
 Christianity is not moralism. Christianity is not religiosity. Jesus was crucified because we are committed to saving ourselves by our religious stamina and moral efforts. The Beatitudes in their simplicity are not commands to be followed, principles to live by, or attitudes to adopt. They profile people who have crucified their own morality in Jesus' death, resurrection, and rule. The book walks through Matthew 5:1-12, where Jesus doesn't prescribe what ought to be in order to experience God's grace, but describes what is true of people who understand the grace of God. Group discussion questions included with each chapter. Book jacket.

Jesus + Nothing Crossway Books

Jesus P & R Publishing

Charis reveals God's stubborn delight in His enemies - how He doesn't just forgive us but actually enjoys us with an unleashed, undomesticated, and scandalous grace first shown on the pages of the Old Testament.

Finding God in All the Wrong People Multnomah

Even in churches and movements founded on the truths of the Bible, man-centered approaches have often quickly eclipsed the simple power of the Gospel. The result is spiritual infertility and weariness in religion. The burnout and ineffectiveness of most evangelical churches is proof enough of the problem. J.D. Greear's new book, simply titled *Gospel*, cuts through the superficiality of religion and reacquaints readers with the revolutionary truth of the Gospel. If we can ever just grasp what the Gospel shows us about God, that will lead us from a life of self-involvement to one of joy, freedom, love, and radical generosity. We are freed from meaninglessness and selfishness by the beautiful truth about Jesus. Most effectively, Greear anchors the mission and theology

within the writing here with a disciplined daily "gospel prayer" he wrote celebrating God's faithfulness, presence, love, and promise. It begins to give readers an applicable, exciting vision of how God might use them to bring His healing to this world.

A Memoir Multnomah

Filling the Gap between Gospel Passion and the Pursuit of Godliness Baker Books

When your father is a world renowned theologian, author of over 100 books, professor, pastor, radio teacher you grow up in a world where not only does the Word matter, but words. This touching account of a loving father/son relationship highlights those conversations along the way that left an impression, that shaped the author. Through "table talk"--ordinary back and forth in the context of every day life--R.C. Sproul poured forth extraordinary theological wisdom into a broken vessel living an ordinary life. You are invited to listen in on those conversations, and to benefit from the wisdom of a father who loved his son, and loves His Son.

Humble Orthodoxy David C. Cook

From a popular pastor and radio host—Three Free Sins teaches that the only people who make any progress toward being better are those who know that God will still love them, regardless of how good they are. This book is about the misguided obsession with the management of sin that cripples too many Christians. It's about the view that religion is all about sin...about how to hide side sin or how to stop sinning all together. In the Introduction, the author toys good-naturedly with an agitated caller on his radio program, teasing him in a segment where he offers three free sins. The offer is real. Not that Steve has the power to forgive sins, but he wants to make the point that Jesus has made the offer to cover all of our sins - not just three. Chapter one, titled "Teaching Frogs to Fly," is even better. The gist of this chapter is that you can't teach frogs to fly, just like you can't teach people not to sin. Steve tells a story about a guy who has a frog, and he's convinced he can teach the frog how to fly. The man keeps throwing the frog up in the air or up against walls - all to the poor frog's demise. The message is that even though people can be better, they can never not sin—just like a frog can never learn to fly, no matter how much pressure is put on it. Steve continues through the book to show readers that while they can never manage sin, they can relax in knowing that they are completely forgiven—not just of three, but of all.

Glorious Ruin Crossway

A proclamation of Christ's sufficiency that frees us from self-righteousness and keeps us anchored through storms. Stemming from a year of great turmoil, Tchividjian details the power of the gospel in his life.

God's Relentless Pursuit of Rebels Crossway

A pastor and licensed psychotherapist himself suffering from depression and anxiety takes on the relationship of mental health and faith while addressing the role of self-care, compassion, and

restoration. Everyone knows someone who suffers from anxiety, depression, or another form of mental illness, but a stigma around mental health remains--especially in the church. Ryan Casey Waller--pastor, therapist, and cosufferer--has experienced firsthand the jarring dissonance of wrestling with mental health while trying to maintain a vibrant Christian faith. It can be a discouraging, lonely battle. But it doesn't have to be. In this book, Waller emphasizes that mental health issues are not a symptom of a spiritual failing or insufficient faith; rather, suffering is the very thing our Savior seeks to heal as he leads us toward restoration. Combining practical theology, clinical insights, and deep compassion, Waller invites readers to see why we need conversations in the church about mental health and how to have them; discover why seeking knowledge about one's self is critical to growing deeper in relationship with God; understand the basics of brain health, the intersection of biology and spirituality, and why emotional intelligence deserves more attention; learn practical steps such as how to find a therapist, distinguish between a psychiatrist and a psychologist, and afford treatment; and become equipped to support loved ones with mental illness while promoting healthy self-care.

Samson and the Pirate Monks Crossway

A Biblical defense of a vocational view of divine election.

The Romance of Grace Shepherd Press

365 Gospel-Centered Devotions for the Whole Year Mornings can be tough. Sometimes, a hearty breakfast and strong cup of coffee just aren't enough. Offering more than a rush of caffeine, best-selling author Paul David Tripp wants to energize you with the most potent encouragement imaginable: the gospel. Forget "behavior modification" or feel-good aphorisms. Tripp knows that what we really need is an encounter with the living God. Then we'll be prepared to trust in God's goodness, rely on his grace, and live for his glory each and every day.

Unfashionable Convergent Books

As the grandson of Billy and Ruth Bell Graham, Tullian Tchividjian grew up hearing the Christian faith preached to millions. Yet he struggled to come to faith personally. His first book, *Do I Know God?* captures the sincerity and intensity of his own spiritual quest, and shows the way for a new generation of seekers. Combining careful thinking, warm personal story, and an exceptional grounding in biblical truths, Tullian delivers trustworthy answers to the questions you've been asking: ·Is it really possible to know God? ·Is being "spiritual" or "religious" the same thing as having a relationship with God? ·What is the relationship between saving faith and good works? ·How does believing God's promises assure me of salvation? ·How do my feelings for God affect my relationship with him? ·How can I trust that God is present when I feel only his absence? ·Can a relationship with God assure me of a future with him in eternity? *Do I Know God?* was written with a wide range of readers in mind: those outside the Christian faith, newer Christ followers who feel confused about their relationship with God, and long-time Christians who have never gotten clarity on key questions like eternal security and assurance of salvation, faith and works. Tullian shows readers how to discover a genuine, vibrant and enduring relationship with God. And it all begins with the vital question: Do I Know God?

Jesus + Nothing = Everything Christianaudio

Recent cultural interest in evangelicalism has led to considerable confusion about what the term actually means. Many young Christians are tempted to discard the label altogether. But evangelicalism is not merely a political movement in decline or a sociological phenomenon on the rise, as it has sometimes been portrayed. It is, in fact, a helpful theological profile that manifests itself in beliefs, ethics, and church life. DeYoung and other key twenty- and thirty-something evangelical Christian leaders present *Don't Call It a Comeback: The Same Evangelical Faith for a*

New Day to assert the stability, relevance, and necessity of Christian orthodoxy today. This book introduces young, new, and under-disciplined Christians to the most essential and basic issues of faith in general and of evangelicalism in particular. Kevin DeYoung and contributors like Russell Moore, Darrin Patrick, Justin Taylor, Thabiti Anyabwile, and Tim Challies examine what evangelical Christianity is and does within the broad categories of history, theology, and practice. They demonstrate that evangelicalism is still biblically and historically rooted and remains the same framework for faith that we need today.

Shattered Love Thomas Nelson

This book describes the common errors that lead to lack of assurance of salvation, and how to overcome them.

What We Long for and Where to Find It David C Cook

It's so easy to forget what the Christian faith is all about. We struggle so much, work so hard, and fail so often that we frequently sense something in the equation of life must be missing. Tullian Tchividjian argues that what we are missing is the gospel--a fuller, more powerful understanding of Jesus and what his finished work means for everyday life. During a year of great turmoil, Pastor Tchividjian discovered the power of the gospel in his own life. Sharing his story of how Jesus became more real to him, Tchividjian delves deeply into the fundamentals of the faith, explaining the implications of Christ's sufficiency--a revelation that sets us free and keeps us anchored through life's storms. Ultimately, Tchividjian reminds us that Jesus is the whole of the equation as he boldly proclaims that Jesus plus nothing really is everything.

Truths I Learned About Grace, Redemption, and the Holiness of God Harper Collins

What Does it Mean to Be "Crucified With Christ?" During his lifetime, renowned teacher A.W. Tozer was often invited to speak at seminaries, churches, and Bible conferences on the topic of the cross and its meaning for the Christian life. Now, in this never-before-published distillation of his best teaching on the subject, you will gain a fresh understanding of the cross's centrality to your walk of faith in Christ. The apostle Paul declared in his letter to the Galatians that he had been "crucified with Christ." But what does this mean? Is this a claim every believer can and should make? *The Crucified Life* is a comprehensive examination of these questions, answered with the deep, biblical thinking for which Tozer was revered. "God is ingenious in developing crosses for His followers," Tozer was fond of saying. At the heart of this book, you will find a call to follow Christ to the cross and be raised to new life--a call to live the crucified life.

The Crucified Life David C. Cook

What if that person you've been trying to avoid is your best shot at grace today? ...And what if that's the point? In *Accidental Saints*, New York Times best-selling author Nadia Bolz-Weber invites readers into a surprising encounter with what she calls "a religious but not-so-spiritual life." Tattooed, angry and profane, this former standup comic turned pastor stubbornly, sometimes hilariously, resists the God she feels called to serve. But God keeps showing up in the least likely of people—a church-loving agnostic, a drag queen, a felonious Bishop and a gun-toting member of the NRA. As she lives and worships alongside these "accidental saints," Nadia is swept into first-hand encounters with grace—a gift that feels to her less like being wrapped in a warm blanket and more like being hit with a blunt instrument. But by this grace, people are transformed in ways they couldn't have been on their own. In a time when many have rightly become disillusioned with Christianity, *Accidental Saints* demonstrates what happens when ordinary people share bread and wine, struggle with scripture together, and tell each other the truth about their real lives. This unforgettable account of their faltering steps toward wholeness will ring true for believer and skeptic alike. Told in Nadia's trademark confessional style, *Accidental Saints* is the stunning next work from one of today's most important religious voices.
