GEORGE DARRYL

Loose Leaf for Life-Span Development
Educational Psychology Santrock's Educational Psychology emphasizes the application of theory to real classroom practice. With richly evocative classroom vignettes from practicing teachers and a wealth of case studies, Educational Psychology helps students think critically about the research basis for best practices. Santrock's hallmark Learning System organizes the content into manageable chunks under learning goals, supporting retention and mastery, so that students will have an engaging and successful course experience. The Connect course for this offering includes SmartBook, an adaptive reading and study experience which guides students to master, recall, and apply key concepts while providing automatically-graded assessments. Digital •Connect®—The Connect Suite effectively engages students in the course so they are better prepared for class, more active in discussion, and achieve better results. Its innovative and adaptive technology addresses a wide variety of student and instructor needs with a rich database of assignable and assessable activities, each attached to learning objectives. Connect, part of the Connect suite, is a web-based assignment and assessment platform that features a number of powerful tools that make managing assignments easier for instructors and learning and studying more engaging and efficient for students. • Connect InsightTM—As part of the Connect Suite, InsightTM puts real-time analytics in your hands so you can take action early and keep struggling students from falling behind. Designed for your tablet or desktop computer, Insight is a series of visual displays providing at-a-glance information regarding how your section, students, and assignments are doing. • SmartBook—As part of the Connect Suite, SmartBook is the first and only adaptive reading and learning experience that changes the way students read. It creates a personalized, interactive reading environment like no other by highlighting important concepts, while helping students identify their strengths and weaknesses. This ensures that he or she is focused on the content needed to close specific knowledge gaps, while it simultaneously promotes long term learning. • LearnSmart—As part of the Connect Suite, LearnSmart is an adaptive learning program designed to help students learn faster, study smarter, and retain more knowledge for greater success. Millions of students have answered billions of questions in LearnSmart, making it the most widely used tool that's proven to strengthen memory recall, retain student attendance, and boost grades.
McGraw-Hill Education More students learn from John Santrock's Adolescence than from any other text in this field. The 15th edition combines proven pedagogy and the most current research to provide a market-leading presentation of adolescence. This time-tested text provides compelling contemporary research, including updates from a multitude of leading experts in the field. The text's accessible presentation, plentiful applications, and engaging writing foster increased mastery of the content. The new edition

continues with the "Connections" theme, guiding students to connect topical processes in development, connect research to what we know about development, and connect development to the real world. The new edition also includes substantially expanded material on diversity and culture, adolescents' and emerging adults' health and well-being including numerous recommendations for improving the lives of adolescents, and expanded emphasis on the positive aspects of adolescent development.

Life-Span Development 17e McGraw-Hill Education

Success is in the Balance. In the seventh edition of Psychology, John Santrock presents the perfect balance of big ideas vs. supporting detail, breadth vs. depth, and research vs. application, all framed by a pedagogical system that effectively guides the student through the key concepts of psychology. New learning goals launch each chapter and serve as the organizing mechanism for the text and supporting materials. These learning goals focus students' attention on the big ideas of psychology. Rich applications and current research support the big ideas so that students emerge with an understanding of the key concepts, not a collection of details. Your success and your students' success is in the Balance, Santrock provides you with the balance you need to succeed.

Adolescence McGraw-Hill Education

John Santrock's Educational Psychology is a well-crafted text that emphasizes the application of theory to classroom practice. With richly evocative classroom vignettes provided by practicing teachers, as well as the most case studies - three per chapter - of any Introductory text, Santrock's Educational Psychology helps students think critically about the research basis for best practices. Additionally, Santrock's hallmark Learning System organizes the content into manageable chunks to support retention and mastery, and makes it much more likely that students will have an engaging and successful course experience.

Adolescence McGraw-Hill Education

Santrock, Essentials of Life-Span Development, First Canadian Edition is an exciting new resource that offers essential content in a student-friendly format. Featuring shorter chapters and interactive study modules, Santrock 1ce covers all periods of the human life-span chronologically from the prenatal period through late adulthood and death. Santrock, Essentials of Life-Span Development, First Canadian Edition is ideal for one-semester Life-Span Development courses at both colleges and universities, or for any learner eager to explore the essentials of life-span development.

Looseleaf for Children McGraw-Hill Humanities/Social Sciences/Languages

As a master teacher, John Santrock connects current research with real-world application, helping students see how developmental psychology plays a role in their own lives and future careers. Through an integrated learning goals system, this comprehensive approach to adolescent development helps students gain the insight they need to study smarter, stay focused, and improve performance.
