"Gloria Naylor's first published book of fiction won her the American Book Award. The Women of Brewster Place was a dramatic launch for a successful literary career that is still on the ascendant. Like Alice Walker, Naylor has earned a reputation associated with both critical and commercial success; she is respected in academic circles and acknowledged in the world of popular culture. Both have had a best-selling novel translated into successful movies. Both are recognized as well for speaking out for the rights of women and on other social issues." "Gloria Naylor: Critical Perspectives Past and Present documents the contributions of her work to the African-American and American literary traditions. Henry Louis Gates, Jr., and K. A. Appiah collected reviews that, Gates says, "attest to Naylor's important, if sometimes controversial, place in the expanding canon of American letters." Culled from newspapers and magazines, reviews from writers such as Donna Rifkind have identified her as having a "commanding fictional voice" that "at its best, it's the kind

of voice that moves you along as if you were dreaming. But it runs the risk, at its worst, of overpowering the voices of her own carefully imagined characters.'" "Naylor's work impresses scholars in part because she herself is one. Her novels are ambitious creations often inspired by her appreciation of literary masters such as Shakespeare, Dante, Morrison. Linden Hills, for example, is an adaptation of Dante's *Inferno*, while *Mama Day* wears the impression of Shakespeare's *The Tempest* and Toni Morrison's *Song of Solomon*." "Gates and Appiah make the point, though, that Naylor is her own person. In one of the essays chosen for this volume Peter Erickson writes, "Naylor's work provides a valuable test case for how we are going to formulate a multicultural approach to literary studies. Naylor's interest in Shakespeare neither translates into kinship nor supports a mode of continuity; the main note is rather one of conflict and difference.... Shakespeare does not assimilate Naylor; Naylor assimilates Shakespeare.'" "This unique and revealing collection includes the wisdom and insight of other important figures in contemporary literature as well as a chronology of Naylor's life and career. There are novelists Rita Mae Brown, Bharati Mukherjee, and Sherley Ann Williams, as well as Barbara Christian, author of *Black Feminist Literary Criticism*. These informed perspectives offer academics and lay readers alike insight into

Naylor the artist and Naylor the woman."--BOOK JACKET.Title Summary field provided by Blackwell North America, Inc. All Rights Reserved

Naylor returns to the fictional neighborhood, this time focusing on the men behind the women who inhabited that desolate block of row houses, telling their tragic, sad, funny, and heroic stories.

The National Book Award-winning novel—and contemporary classic—that launched the brilliant career of Gloria Naylor, now with a foreword by Tayari Jones “[A] shrewd and lyrical portrayal of many of the realities of black life . . . Naylor bravely risks sentimentality and melodrama to write her compassion and outrage large, and she pulls it off triumphantly.” —The New York Times Book Review “Brimms with inventiveness—and relevance.” —NPR's Fresh Air In her heralded first novel, Gloria Naylor weaves together the stories of seven women living in Brewster Place, a bleak-inner city sanctuary, creating a powerful, moving portrait of the strengths, struggles, and hopes of black women in America. Vulnerable and resilient, openhanded and openhearted, these women forge their lives in a place that in turn threatens and protects—a common prison and a shared home.

Naylor renders both loving and painful human experiences with simple eloquence and uncommon intuition in this touching and unforgettable read.

As downward mobility continues to be an international issue, Robin Brooks offers a timely intervention between the humanities and social sciences by examining how Black women's cultural production engages debates about the growth in income and wealth gaps in global society during the late twentieth and early twenty-first centuries. Using an interdisciplinary approach, this innovative book employs major contemporary texts by both African American and Caribbean writers—Toni Morrison, Gloria Naylor, Dawn Turner, Olive Senior, Oonya Kempadoo, Merle Hodge, and Diana McCaulay—to demonstrate how neoliberalism, within the broader framework of racial capitalism, reframes structural inequalities as personal failures, thus obscuring how to improve unjust conditions. Through interviews with authors, textual analyses of the fiction, and a diagramming of cross-class relationships, Brooks offers compelling new insight on literary portrayals of class inequalities and division. She expands the scope of how the Black women's literary tradition, since the 1970s, has been conceptualized by repositioning the importance of class and explores why the imagination matters as we think about novel ways to address long-standing and simultaneously evolving issues.

The Pulitzer Prize-winning author of *The Color Purple* weaves a "glorious and iridescent" tapestry of interrelated lives in this New York Times bestseller (Library Journal). In *The Temple of My Familiar*, Celie and Shug from *The Color Purple* subtly shadow the lives of dozens of characters, all dealing in some way with the legacy of the African experience in America. From recent African immigrants, to a woman who grew up in the mixed-race rainforest communities of South America, to Celie's own granddaughter living in modern-day San Francisco, all must come to understand the brutal stories of their ancestors to come to terms with their own troubled lives. As Walker follows these astonishing characters, she weaves a new mythology from old fables and history, a profoundly spiritual explanation for centuries of shared African-American experience. This ebook features an illustrated biography of Alice Walker including rare photos from the author's personal collection. *The Temple of My Familiar* is the 2nd book in the *Color Purple* Collection, which also includes *The Color Purple* and *Possessing the Secret of Joy*.

*The Fiction of Gloria Naylor* is one of the very first critical studies of this acclaimed writer. Including an insightful interview with Naylor and focusing on her first four novels, the book situates various

acts of insurgency throughout her work within a larger framework of African American opposition to hegemonic authority. But what truly distinguishes this volume is its engagement with African American vernacular forms and twentieth-century political movements. In her provocative analysis, Maxine Lavon Montgomery argues that Naylor constantly attempts to reconfigure the home and homespace to be more conducive to black self-actualization, thus providing a stark contrast to a dominant white patriarchy evident in a broader public sphere. Employing a postcolonial and feminist theoretical framework to analyze Naylor's evolving body of work, Montgomery pays particular attention to black slave historiography, tales of conjure, trickster lore, and oral devices involving masking, word play, and code-switching—the vernacular strategies that have catapulted Naylor to the vanguard of contemporary African American letters. Montgomery argues for the existence of home as a place that is not exclusively architectural or geographic in nature. She posits that in Naylor's writings home exists as an intermediate space embedded in cultural memory and encoded in the vernacular. Home closely resembles a highly symbolic, signifying system bound with vexed issues of racial sovereignty as well as literary authority. Through a re-inscription of the subversive, frequently clandestine acts of resistance on the part of the border subject—those outside the dominant culture—Naylor recasts space in such a way as to undermine reader expectation and destabilize established models of dominance, influence, and control. Thoroughly researched and sophisticated in its approach, *The Fiction of Gloria Naylor* will be essential reading for scholars and students of African American, American, and Africana Literary and Cultural studies. Maxine Lavon Montgomery is the author of *The Apocalypse in African-American Fiction* and the editor of *Conversations with Gloria Naylor*. Her articles have appeared in *African-American Review*, *College Language Association Journal*, and *The Literary Griot*. She is an associate professor in the English department at Florida State University in Tallahassee.

Linden Hills - wer hier lebt, hat es geschafft. Elegante Häuser und perfekt gepflegte Rasen säumen die acht Ringstraßen, die sich den Hügel hinabwinden. Lester und sein bester Kumpel Willie, beide verflucht knapp bei Kasse, verabscheuen die noble Klientel, reinigen aber für ein paar Dollar ihre Auffahrten und Pools. Vorbei an glänzenden Fassaden und übertünchten Rissen arbeiten sie sich Straße für Straße den Hügel hinunter. Bis ganz nach unten, wo Luther Nedeed, das Epizentrum der Macht, ein finstres Geheimnis hütet. Gloria Naylor enthüllt, wie die Menschen für den American Dream mit ihrer Seele bezahlen und wie das funkelnde Versprechen eines besseren Lebens in schneidende Niedertracht zersplittert.

In the history of the African-American literary tradition, perhaps no author has been immersed in the formal history of that tradition than Gloria Naylor. As an undergraduate student of Afro-American literature at Brooklyn College and a graduate student of Afro-American studies at Yale, Naylor has analyzed the works of her male and female antecedents in a manner that was impossible before the late seventies. And, while she is a citizen of the republic of literature in the broadest and most cosmopolitan sense, her work suggest formal linkage to that of Ann Petry, James Baldwin, and, more recently, Toni Morrison. -- from the Preface by Henry Louis Gates, Jr.

Dante's Divine Comedy can compel and shock readers: it combines intense emotion and psychological insight with medieval theology and philosophy. This volume will help instructors lead their students through the many dimensions--historical, literary, religious, and ethical--that make the work so rewarding and enduringly relevant yet so difficult. Part 1, "Materials," gives instructors an overview of the important scholarship on the Divine Comedy. The essays of part 2,

"Approaches," describe ways to teach the work in the light of its contemporary culture and ours. Various teaching situations (a first-year seminar, a creative writing class, high school, a prison) are considered, and the many available translations are discussed.

A "wonderful novel" steeped in the folklore of the South from the New York Times-bestselling author of *The Women of Brewster Place* (The Washington Post Book World). On an island off the coast of Georgia, there's a place where superstition is more potent than any trappings of the modern world. In Willow Springs, the formidable Mama Day uses her powers to heal. But her great niece, Cocoa, can't wait to get away. In New York City, Cocoa meets George. They fall in love and marry quickly. But when she finally brings him home to Willow Springs, the island's darker forces come into play. As their connection is challenged, Cocoa and George must rely on Mama Day's mysticism. Told from multiple perspectives, *Mama Day* is equal parts star-crossed love story, generational saga, and exploration of the supernatural. Hailed as Gloria Naylor's "richest and most complex" novel, it is the kind of book that stays with you long after the final page (Providence Journal).
