Get ready for a crash course in effective communication. More than just a book on how to "do talks," *Speaking to Teenagers* combines the experience and wisdom of two veteran youth ministry speakers, along with insightful research and practical tools, to help you develop messages that engage students with the love of Christ and the power of his Word. Whether you're crafting a five-minute devotional or a 30-minute sermon, *Speaking to Teenagers* is essential to understanding and preparing great messages. Together, Doug Fields and Duffy Robbins show you how they craft their own messages and give you the tools to do it yourself. They'll guide you, step-by-step, through the process of preparing and delivering meaningful messages that effectively communicate to your students. Fields and Robbins walk you through three dimensions of a message - the speaker, the listener, and the message itself - and introduce you to the concept and principles of inductive communication. You'll also get helpful tips on finding illustrations for your talk and using them for maximum impact, as well as insights on reading your audience and effective body language. As *Speaking to Teenagers* guides you toward becoming a more effective communicator, you'll find that this book's practical principles will positively impact the way you view, treat, and communicate to teenagers.

Eight women from eight very different backgrounds. Yet the struggles they each faced rang with eerie similarity. These courageous women from across the globe-Pakistan, India, Romania, Former Soviet Union, China, Vietnam, Nepal, Indonesia-shared similar experiences of hardship, subjugation, and persecution, all because of their faith in Christ. Yet all of these women have emerged from

adversity as leaders and heroines. The eight modern-day pilgrims featured in *Hearts of Fire* are the hidden jewels in the church universal. They are worthy role models of faith and passion, and women of every age will gain new strength and hope for their own times of crisis and trial as they read these inspiring stories. Each story concludes with thoughtful self-reflection questions for the reader.

Biblioteca de ideas: Reuniones Vida

This new edition replaces both *The Pursuit of Holiness* and the separate study guide by combining both resources into one volume! “Be holy, for I am holy,” commands God. But holiness is something that is often missed in the Christian’s daily life. According to Navigator author Jerry Bridges, that’s because we’re not exactly sure what our part in holiness is. In *The Pursuit of Holiness*, he helps us see clearly just what we should rely on God to do—and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit’s role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons.
