Study Guide for Essentials of

Economics is a valuable support tool for the student using

Essentials of

Economics. It provides several important features that

contribute to a good course which cannot

be included in the standard textbook, and

if used correctly it will improve understanding of, and ability to apply,

economic principles to everyday decision-

making. The book contains self-test

questions, problems and projects, and

perspectives in economics. Topics

covered in the text include economic

approaches, tools of the economist, supply,

demand, and the

market process, and

money and the

banking system. An

answer key is provided

at the end of the book.

This text is intended

for students of

A Guide to State

Succession in

International

Investment Law

provides a

comprehensive

analysis of State

succession issues

arising in the context

of international

investment law. The

author examines

whether a successor

State is bound by the

investment treaties

and State contracts

which the predecessor

State had signed with

other States and

foreign investors

before the date of

succession. Actors who are called upon to apply rules of State succession in investment arbitration cases will find this book a valuable source of practical guidance with strong theoretical foundations.

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions,

disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.
