[annual]. Hodder Education
In some hands, history can be an inspirational and rewarding subject, yet in others it can seem dry and of little relevance. Learning to Teach History in the Secondary School, now in its fifth edition and established as one of the leading texts for all history student teachers, enables you to learn to teach history in a way that pupils will find interesting, enjoyable and purposeful. It incorporates a wide range of ideas about the teaching of history with practical suggestions for classroom practice. The fifth edition has been thoroughly updated in the light of recent developments in the field of history education. The book

contains chapters on: •
Purposes and benefits of school history •
Planning strategies •
Teaching approaches and methods •
Developing pupils' historical understanding •
Ensuring inclusion •
New technologies in the history classroom •
Assessment and examinations •
Your own continuing professional development

Each chapter includes suggestions for further reading, weblinks to useful resources and a range of tasks enabling you to put learning into practice in the classroom. Written by experts in the field, *Learning to Teach History in the Secondary School* offers all training and newly qualified teachers

comprehensive and accessible guidance to support the journey towards becoming an inspirational and engaging history teacher.

This text examines the enormous pressure placed on University students in Japan, Korea and Taiwan which have led to the rapid expansion of the "cramming" industry and to a growing number of students looking to religion and spirituality for guidance. The book examines the issue of the rise in youth suicides, and the dramatic rise in levels of cheating; both raising fundamental questions about the education system in

the late 1990s.

Increasingly dyslexia is becoming a whole-school issue. The responsibility for addressing the needs of dyslexic students no longer rests with one individual but is the

responsibility of all school staff - subject specialists and school management. This timely book addresses this need by providing specific guidance to secondary school staff on how to support dyslexic students within different subject areas and within the principles and practices of inclusion.
