Tempting the Best Man (A Gamble Brothers Novel) by J. Lynn Madison
Daniels has worshipped her brother's best friend since they were kids.
Everyone thinks she and Chase Gamble would make

the perfect couple, but there are two major flaws in their logic. 1) Chase has sworn off relationships of any kind, and 2) after blurring the line between friends and lovers for one night four years ago, they can't stop bickering. Forced together for her brother's wedding getaway, Chase and Madison decide to call a truce for the happy couple. Except all bets are off when they're forced to shack up in

a tacky 70's honeymoon suite and survive a multitude of "accidents" as the family tries to prove their "spark" can be used than for more than fighting. That is, if they don't strangle each other first...

Roxy and Officer Reece Anders had a one night stand. Well, kind of. She's been in love with him since she was fifteen, and he wishes that night they shared never happened. She's sworn him off forever, but the past and future collide, forcing her to rely on the one man who broke her heart not once, but twice. Her best friend since birth has been in a long-term care facility since he became a

victim of a hate crime years ago, and the person who put him in there is out of prison and wanting to make amends with him and Roxy. She's not sure she has room for forgiveness in her and when she begins to receive frightening messages and is on the receiving end of escalating violence, she thinks she knows who is to blame. The man who already destroyed one life already. But Reece isn't

convinced. The threats are too personal, and even if Roxy doesn't believe him, he's not willing to let anyone hurt her. Including himself. He's already messed up more than once when it comes to Roxy and he's not going to let history repeat itself.

Discover the New York Times bestselling

Lux series, which RT Book Reviews called "A thrilling ride from start to finish," from the very beginning... Starting over sucks. When we moved to West Virginia right before my senior year, I'd pretty much resigned myself to thick accents, dodgy internet access, and a whole lot of boring...until I spotted my hot neighbor, with his looming height and eerie green eyes. Things were looking up. And then

he opened his mouth. Daemon is infuriating. Arrogant. Stab-worthy. We do not get along. At all. But when a stranger attacks me and Daemon literally freezes time with a wave of his hand, well, something...unexpected happens. The hot alien living next door marks me. You heard me. Alien. Turns out Daemon and his sister have a galaxy of enemies wanting to steal their abilities, and Daemon's

touch has me lit up like the Vegas Strip. The only way I'm getting out of this alive is by sticking close to Daemon until my alien mojo fades. If I don't kill him first, that is. Isis Blake hasn't fallen in love in three years, forty-three weeks, and two days. Or so she thinks. Determined to be happy, Isis fills it in with lies and puts on a brave smile for her new life at Ohio State University. But the smile lasts only until he shows up.
