Dark Disciple 12-21
NEW YORK TIMES
BESTSELLER A long time
ago in a galaxy far, far
away. . . . When the
Emperor and his notorious
apprentice, Darth Vader,
find themselves stranded
in the middle of insurgent

action on an inhospitable
planet, they must rely on
each other, the Force, and
their own ruthlessness to
prevail. “It appears things
are as you suspected,
Lord Vader. We are
indeed hunted.” Anakin
Skywalker, Jedi Knight, is
just a memory. Darth
Vader, newly anointed
Sith Lord, is ascendant.
The Emperor’s chosen
apprentice has swiftly

proven his loyalty to the
dark side. Still, the history
of the Sith Order is one of
duplicity, betrayal, and
acolytes violently
usurping their
Masters—and the truest
measure of Vader’s
allegiance has yet to be
taken. Until now. On
Ryloth, a planet crucial to
the growing Empire as a
source of slave labor and
the narcotic known as

“spice,” an aggressive resistance movement has arisen, led by Cham Syndulla, an idealistic freedom fighter, and Isval, a vengeful former slave. But Emperor Palpatine means to control the embattled world and its precious resources—by political power or firepower—and he will be neither intimidated nor denied. Accompanied by his merciless disciple, Darth Vader, he sets out on a rare personal mission to ensure his will is done. For Syndulla and Isval, it’s the opportunity to strike

at the very heart of the ruthless dictatorship sweeping the galaxy. And for the Emperor and Darth Vader, Ryloth becomes more than just a matter of putting down an insurrection: When an ambush sends them crashing to the planet’s surface, where inhospitable terrain and an army of resistance fighters await them, they will find their relationship tested as never before. With only their lightsabers, the dark side of the Force, and each other to depend on, the

two Sith must decide if the brutal bond they share will make them victorious allies or lethal adversaries. Praise for Lords of the Sith “A compelling tale [that] gives us new insight into the relationship between Darth Vader and his master, Emperor Palpatine.”—New York Daily News “Endlessly fascinating . . . a tale [that is] not just compelling but completely thrilling.”—Big Shiny Robot “The best novel so far in this new era of official canon Star Wars stories.”—IGN

“Packed with action . . . hard to put down.”—Seattle Geekly

Wars and forge a new bond as Jedi Knights in a high-stakes adventure set just after the events of *Star Wars: Attack of the Clones*. ONE OF THE BEST BOOKS OF THE YEAR: USA Today The Clone Wars have begun. Battle lines are being drawn throughout the galaxy. With every world that joins the Separatists, the peace guarded by the Jedi Order is slipping through their fingers. After an explosion devastates Cato Neimoidia, the jewel of the Trade Federation, the Republic is blamed and

the fragile neutrality of the planet is threatened. The Jedi dispatch Obi-Wan Kenobi, one of the Order's most gifted diplomatic minds, to investigate the crime and maintain the balance that has begun to dangerously shift. As Obi-Wan investigates with the help of a heroic Neimoidian guard, he finds himself working against the Separatists who hope to draw the planet into their conspiracy—and senses the sinister hand of Asajj Ventress in the mists that cloak the planet. Amid the

brewing chaos, Anakin Skywalker rises to the rank of Jedi Knight. Despite the mandate that Obi-Wan travel alone—and his former master's insistence that he listen this time—Anakin's headstrong determination means nothing can stop him from crashing the party, and bringing along a promising but conflicted youngling. Once a Padawan to Obi-Wan, Anakin now finds himself on equal—but uncertain—footing with the man who raised him.

The lingering friction between them increases the danger for everyone around them. The two knights must learn a new way to work together—and they must learn quickly, to save Cato Neimoidia and its people from the fires of war. To overcome the threat they face they must grow beyond master and apprentice. They must stand together as brothers.

Disney Electronic Content
In 2012, Disney purchased Lucasfilm,

which meant it also inherited the beloved Star Wars franchise. This corporate marriage sent media critics and fans into a frenzy of speculation about what would happen next with the hugely popular series. Disney's Star Wars gathers twenty-one noted fan and media studies scholars from around the world to examine Disney's revival of the franchise. Covering the period from Disney's purchase through the release of *The Force Awakens*, the book reveals how fans

anticipated, interpreted, and responded to the steady stream of production stories, gossip, marketing materials, merchandise, and other sources in the build-up to the movie's release. From fears that Princess Leia would be turned into a "Disney princess" to collaborative brand management, the authors explore the shifting relationship between fans, texts, and media industries in the context of a crucial rebranding campaign. The result is a fascinating examination of

a critical moment in the iconic series' history. NEW YORK TIMES BESTSELLER • Thrawn and his allies race to save the Chiss Ascendancy from an unseen enemy in the second book in the epic Star Wars: Thrawn Ascendancy trilogy from bestselling author Timothy Zahn. Thrawn's latest triumph still rests newly on his shoulders. He has led the Chiss to victory and brought glory

to the House of Mitth, but the true threat to the Ascendancy has not yet been extinguished. Their foes do not send threats or ultimatums, do not mass ships on the edge of the Chaos. Their weapons come cloaked in smiles and generosity: Gifts offered freely. Services granted unconditionally. Across the Ascendancy, seemingly inconsequential events could herald the doom of the Chiss. As Thrawn and the Expansionary Defense Fleet rally to uncover the plot, they discover a

chilling truth: Rather than invade Chiss capitals or pillage resources, their enemy strikes at the very foundation of the Ascendancy, seeking to widen the rifts between the Nine Ruling Families and the Forty Great Houses below. As rivalry and suspicion sow discord among allies, each warrior must decide what matters most to them: the security of their family or the survival of the Ascendancy itself.

An exciting new era of Star Wars history is about to begin--as fantasy and science fiction's most acclaimed authors propel

the legendary epic into the next millennium, introducing us to a rich cast of characters that features old favorites-- Luke Skywalker, Han Solo, and Leia Organa Solo-- along with the next generation of Jedi and never-before seen creatures, droids, and deadly agents of darkness. In *Vector Prime*, the launch novel for this thrilling new saga, New York Times bestselling author R. A. Salvatore takes the Star Wars universe to previously unscaled heights of action

and imagination, expanding the beloved story of a galaxy far, far away . . . Twenty-one years have passed since the heroes of the Rebel Alliance destroyed the Death Star, breaking the power of the Emperor. Since then, the New Republic has valiantly struggled to maintain peace and prosperity among the peoples of the galaxy. But unrest has begun to spread; tensions erupt in outbreaks of rebellion that, if unchecked, threaten to destroy the Republic's

tenuous reign. Into this volatile atmosphere comes Nom Anor, a charismatic firebrand who heats passions to the boiling point, sowing seeds of dissent for his own dark motives. In an effort to avert a catastrophic civil war, Leia travels with her daughter Jaina, her sister-in-law Mara Jade Skywalker, and the loyal protocol droid C-3PO, to conduct face-to-face diplomatic negotiations with Nom Anor. But he proves resistant to Leia's entreaties--and, far more

inexplicably, within the Force, where a being should be, was . . . blank space. Meanwhile, Luke is plagued by reports of rogue Jedi Knights who are taking the law into their own hands. And so he wrestles with a dilemma: Should he attempt, in this climate of mistrust, to reestablish the legendary Jedi Council? As the Jedi and the Republic focus on internal struggles, a new threat surfaces, unnoticed, beyond the farthest reaches of the Outer Rim. An enemy

appears from outside known space, bearing weapons and technology unlike anything New Republic scientists have ever seen. Suddenly Luke, Mara, Leia, Han Solo, and Chewbacca--along with the Solo children--are thrust again into battle, to defend the freedom so many have fought and died for. But this time, all their courage, sacrifice, and even the power of the Force itself may not be enough. . . . Features a bonus section following the novel that includes a primer on the Star Wars

expanded universe, and over half a dozen excerpts from some of the most popular Star Wars books of the last thirty years!

This is the story of how a group of dedicated fans and gaming professionals helped pave the way for the Star Wars Expanded Universe - as told by one of the original architects! This book explains how material created for roleplaying games helped shape the Star Wars universe - and

continues to influence it to the current day.
