Until the night I spot the mark of the Soulless on some lowly vampire's wrist. The Soulless answer to Valkas, the original vampire and the most ruthless of them all. They're the same bloodsuckers who murdered my parents and kidnapped my sister. I want answers... and maybe a little revenge. Along comes Venn, a handsome, protective wolf shifter who takes my breath away. We're both after the same guy, and as much as it kills me to ask for help, I kind of need it. Heaven help me. The dark, dangerous road we're traveling

together will either free my sister or get me killed. This complete series bundle comes as a single hardback and includes all four books in the Vengeance and Vampires series by USA Today Bestselling Author Alicia Rades.

**Hot as Hades** Houghton Mifflin Harcourt  
From USA Today & Amazon Top Ten bestselling author Harloe Rae comes a sizzling enemies-to-lovers romance where a billionaire CEO battles against a snarky redhead who has her own agenda. "I'd say it's nice to meet you, but I've never been a good liar." That's his initial offense against me. Don't worry-there's plenty more where that came from. Landon Winters is colder than his last name suggests. Cruel and callous too. I'm certain he finds pleasure in making others miserable. He's a billionaire by his own making-not satisfied with simply inheriting a white collar and silver spoon. Landon's arrogance is so thick I could choke on the stench alone. He's also responsible for gouging a jaded chip to my shoulder. The only saving grace is never having to see him again. Wishful thinking is a fickle beast. My boss just announced that Landon is my latest client. I'll need to impress him or kiss my promotion goodbye. Either way, this is my chance to get even. Revenge is all I see. The price for redemption is steep. Landon will pay a small fortune in humiliation. And I'll walk away filthy rich in vindication.

"The Right Swipe is everything you want in a Summer read: fun, clever, and so, so sexy." — Popsugar Alisha Rai returns with a sizzling new novel, in which two rival dating app creators find themselves at odds in the boardroom but in sync in the bedroom. Rhiannon Hunter may have revolutionized romance in the digital world, but in real life she only swipes right on her career—and the occasional hookup. The cynical dating app creator controls her love life with a few key rules: - Nude pics are by invitation only - If someone stands you up, block them with extreme prejudice - Protect your heart Only there aren't any rules to govern her attraction to her newest match, former pro-football player Samson Lima. The sexy and seemingly sweet hunk woos her one magical night... and disappears. Rhi thought she'd buried her hurt over Samson ghosting her, until he suddenly surfaces months later, still big, still beautiful—and in league with a business rival. He says he won't fumble their second chance, but she's wary. A temporary physical partnership is one thing, but a merger of hearts? Surely that's too high a risk...

Alicia Mountain's urgent and astonishing debut collection maps a new queer landscape through terrain alive and sensual, defiant and inviting. With a voice that beckons while it howls, Mountain nimbly traverses lyric, confessional, and narrative modes, leaving groundbreaking tracks for us to follow. High Ground Coward offers fists full of soil, leftovers for breakfast, road trip as ritual, twins of lovers and twins of ourselves. This world blooms with hunger-inducing detail, its speakers asking us to consider what it will take to satisfy our own appetites while simultaneously trying to nourish one another. "Ferocious, even the softest part," Mountain shows us "a way to fall in love with wanting," leaving us "ravenous, but gradually." Bearing witness to identity formation in solitude and communion, High Ground Coward is an almanac of emotional and relational seasons. Mountain's speakers question the meaning of inheritance, illness, violence, mythology, and family architecture. Whether Mountain is at work revealing the divinity of doubt, the entanglement of devotion, or the dominion that place holds over us, High Ground Coward heralds a thrilling poetic debut. For as long as I could remember, Theodore West was in my life as the support system I needed when my parents were too busy building our family's future. He offered me shoes to dance on, a shoulder to absorb my tears, and the harsh reality of where my life was leading when I was at my lowest point. And when the future my parents planned derailed after a statewide scandal, I had no choice but to fantasize about one for myself that didn't involve them. But Theo? He was always in it. My father's best friend. The man who would undoubtedly end me if I didn't end him first.
