Before the Beginning:  
The Fall of Lucifer is a

unique journey into the  
heavenly realms,  
where one of God's  
trusted elite seraphs  
threatens to divide  
heaven. Meant to be a  
thought-provoking -  
and at times humorous  
- adventure into the  
realms of what might  
have been, readers will  
enjoy a glimpse of

heaven through the eyes of a humble creature, Naorphile, from an age prior to the Age of Mankind, who finds himself in the middle of heaven's most critical crossroad. *Lucifer's Fall, and Four Expulsions*

HarperChristian + ORM a look into why one rebelling angel could cause so much trouble in the human race, and what the Father did to reverse satans impact on mankind.

THE FALL is an experimental graphic novel about Satan's fall from power by author and artist Q. But this reinvention of the classic mythological tale of war in heaven is told from one of the Devil's minions' perspective. This illustrated Q&A with a

fallen angel ~ where the author Q interviews a fallen angel A ~ tells the strikingly remorseless story of Archangel Lucifer's struggle for power and fall from heaven after his failed rebellion against the Almighty. It is a story about the struggle for power unlike any other, and yet it feels so familiar that it cannot help but be seen as the story of each and every one of us. And though you would expect a sympathetic telling of Satan's story from one of his fallen angels, it will surprise and succeed by being a stark and unforgiving tragedy of mythic proportions that spares no one, least of all Satan. "The Fall is an elegant and thought provoking meditation on power, love and

fear." ~ NYC painter Charles Schick.

Unrepentant, he vows he won't suffer alone.

Mankind has made a powerful enemy - one determined to lure it into darkness and torment any way he can... This book explains in detail by revelation of the Holy Spirit, the motive plan and attempt of a rebellious cherub to overthrow God Almighty. It exposes the heart of sinful man (the heart of Satan) as opposed to that of a Holy God. God has shown me the reality of the fall of this cherub who once took on the name and nature of Lucifer; -the Morning Star, like

never seen before. God revealed these truths to me as I was caught up to heaven to witness the spiritual realities of Satan's demise. In this book, life-long probing questions are answered such like: - How did sin originate in Lucifer? - What happened before the fall? - What happened after the fall? and much more. Hold on to your seats as we embark on a spiritual journey which takes us beyond the natural into the supernatural realm, even before time began. Elizabeth prefers to be known as a servant girl who has become the Wife of her Prince Charming-the King of Glory (Jesus Christ). She has served her Lord and King in active full time ministry for more than 20 years

and continues to do so faithfully. Her duties have been wide and varied; from exercising her gifts through a Pastoral function to ministering to the Aboriginal tribes in South America; conference and seminar engagements; to her latest passion-writing. This budding author has already written 26 books; Lucifer part 1&2 being the first to be published. Elizabeth and her daughter Christal Claire, a minister in her own rights, consider it a privilege to be eleventh-hour laborers in God's vineyard. *Before the Beginning* Xulon Press  
When Prince Michael, God's warring Archangel, discovers that Lucifer has caused an insurrection among

a third of the heavenly hosts, the battle lines are drawn for war...in heaven. Lucifer, who is one of the most powerful of his brethren among a class of angels known as cherubim, has four faces: the face of a man, the face of an ox, the face of a lion, and the face of an eagle. His body is encrusted with weighty jewels and ancient instruments, and there is none like him in all of God's creation. He alone of the heavenly hosts has direct access to the very Mountain of God. When he leads a multitude of angels in absolute rebellion to the laws of heaven and to God, he changes the cosmos forever. When *Kingdoms Fall: A Novel About the Fall of Lucifer*, is a page-turner with mystery,

The consequences of the fall of the cherub who once dwelled in the inner chambers of the president of the universe have altered the very purpose of God for creation. Everything on the Earth altered and started operating opposed to what it was purposed for. The mosquito for example instead of feeding on leaves and flowers began feeding on blood, the very blood of the beings it was meant to be subjected to. Disease, famine, war, murder etc became the norm of Mankind. The Man became a slave in his domain, the same

domain he was meant to subdue and dominate. This book exposes the works of the forces of darkness and it comes packed with revelations on how to battle your way to freedom and from all the limitations imposed on you by Satan and his host of demons. It includes the Holy Spirit's message to the believer and the church through tongues and interpretation. It also contains a glimpse of the Author's open vision of heaven and also 10 powerful deliverance prayer points against curses and every satanic bondage. Life is a Spiritual battle and until we take charge of our divine destiny in the spiritual it never will manifest in the physical. The enemy

does not respond to our feelings and emotions, he responds to the language of power and with this book in your hands, you're on your way to freedom and the manifestations of your blessings.

I saw Jesus on the

cross, and all of heaven was motionless. I could see legions of angels just waiting near the cross. Then, as I looked upon the cross, I couldn't bear to look at what I was seeing, for it was extremely sad. The last time I saw Jesus, it was a picture of absolute splendor, majesty, and glory when He came forth from His Father. But now to look at Him was almost impossible, for He looked nothing like He did earlier ... Just then, my attention was taken back down into hell. Every demon was in a state of frenzy and hysteria. They were acting and behaving like wild beasts, animals. You could see some type of disgusting foam coming from their mouths. It was repulsive. They were

all yelling "It's over! It's over!" You could see they were anticipating Jesus' arrival. Satan had this disturbed, distorted, indescribable look on his face as he had conquered all the universe. He looked like he knew he was finally able to affect God and that he wouldn't be able to recover.

This compilation from the Spirit of Prophecy (the writings of Ellen G. White) covers the history of Lucifer from his creation to his fall, thru his warfare on earth, down to his final destruction. The purpose of this book is not to exalt Satan, but rather to show his character works, and methods as he wars against God, Christ, and the Church. As the Apostle Paul warned, "Lest Satan should get an advantage of us: for we are not ignorant of his devices" (2 Corinthians 2:11), we are vulnerable in our ignorance. God's people need to be aware of the serpent's cunning, so as not to

fall under his power and influence. That knowledge alone, however, will not keep us safe. We must "Put on the whole armour of God, that ye may be able to stand against the wiles of the devil." (Ephesians 6:11) The tremendous amount of material on this subject presented a challenge in compiling that which could tell the high points of the history, provide the best possible lessons and warnings for God's people, extend hope and encouragement for these last days (when Satan and his hosts are making "war with the remnant"), while keeping it within the confines of the cover of this small volume. Our hope and prayer is that we have succeeded in this challenge, presenting the reader

with a priceless aid in preparation for earth's final conflict, as well as the day-to-day trials and struggles with the powers of darkness.
