How to Change Your Mind National Council of Teachers  
A Valentine's Surprise from New York Times and USA Today bestselling author Melanie James is a contemporary, holiday romance that will keep you on the edge of your seat. When a beautiful, young woman steps into his path with danger following close behind, police officer Adam Jennings will discover there is more to life than being a cop and big brother. A tragic past has taken its toll on Adam and his kid sister. After the death of their parents, Adam's love life took a back seat as he struggled to be a parent, bread winner, and big brother for his little sister. Life as a police officer in Riverton was the perfect job, not much happens in this quiet little town...until a routine morning patrol takes a deadly turn. Now Adam is looking at his life in a new way and the beautiful Amanda might be the perfect woman to complete him. With Valentine's Day on the horizon, Adam needs to find a way to unlock Amanda's innocent heart and find his path to happily ever after!

A compendium of four of the author's classic novels about turn-of-the-century New York high society includes *The Age of Innocence*, *The House of Mirth*, *Old New York*, and *The Custom of the Country*.

#### **Body Thesaurus** AuthorHouse

An erotic read meant for adults, *The Divine Trilogy* is not your typical romance. When you first meet Catherine and Jayden in *To Serve is Divine*, they aren't looking for love at all. Catherine O'Chancey is a young submissive whose second Dom turned out to be an abusive fake. This is the story of her subsequent recovery and reentry into the BDSM lifestyle with the help of a new Dominant, Jayden Masterson. Come with me, and I'll take you on the journey alongside Catherine and Jayden while their bond grows and deepens. It'll be sexy and intense, but never fear, you get to be there to see the tender side of her new Dom as he helps her through her past tragedies. *The Divine Trilogy* offers a different view of the BDSM world. One that will enlighten readers

and show them that those who live this Lifestyle often do so because it is a deep-seated need within their psyche, something that can't be ignored. And that need is okay because, when practiced properly, BDSM is all about being Safe, Sane, and Consensual. Find within the pages a sampling of the different dynamics which can occur amongst kinksters. Everything from hardcore pain sluts to docile "littles" who want to be pampered and coddled, but the important thing to remember is that everyone has a place of acceptance, without judgement, in this Lifestyle. Time and again reviewers have said they couldn't put this book down . . . even when they don't usually read this genre. *Radical Studying for Another World* Createspace Independent Publishing Platform

As an American author who chose to live in Europe, Henry James frequently wrote about cultural differences between the Old and New World. The plight of bewildered Americans adrift on a sea of European sophistication became a regular theme in his fiction. This collection of twenty-four papers from some of the world's leading James scholars offers a comprehensive picture of the author's crosscultural aesthetics. It provides detailed analyses of James's perception of Europe - of its people and places, its history and culture, its artists and thinkers, its aesthetics and its ethics - which ultimately lead to a profound reevaluation of his writing. With in-depth analysis of his works of fiction, his autobiographical and personal writings, and his critical works, the collection is a major contribution to current thinking about James, transtextuality and cultural appropriation.

The Crazy Lady Authors aren't just cooking up plots in their books, they're also cooking up tasty vittles! Hey, we're 'crazy' about you, so we're 'dishing' our best recipes out in this awesome cookbook. It's the CLA's way of helping you serve up outstanding dinners in between reading any one of our published works. We know how easy it is to get lost in the pages. Before you know it, the hours have flown by and it's time for dinner. The hubby is hollering, the kids are complaining, and even the dog wants treats. We figure it's all our fault so why not help you maintain peace and harmony in your home by providing this amazing book of easy recipes to keep your clan well-fed? We do, however, stop short of coming to

your house to cook it all up for you. We're writing our next novels, after all! Don't be greedy. Bon appetit!

#### Arts of Living on a Damaged Planet U of Minnesota Press

"It was all so honest, before the end of our collective innocence. Top Forty jocks screamed and yelled and sounded mightier than God on millions of transistor radios. But on FM radio it was all spun out for only you. On a golden web by a master weaver driven by fifty thousand magical watts of crystal clear power . . . before the days of trashy, hedonistic dumbspeak and disposable three-minute ditties . . . in the days where rock lived at many addresses in many cities." -from *FM* As a young man, Richard Neer dreamed of landing a job at WNEW in New York—one of the revolutionary FM stations across the country that were changing the face of radio by rejecting strict formatting and letting disc jockeys play whatever they wanted. He felt that when he got there, he'd have made the big time. Little did he know he'd have shaped rock history as well. *FM: The Rise and Fall of Rock Radio* chronicles the birth, growth, and death of free-form rock-and-roll radio through the stories of the movement's flagship stations. In the late sixties and early seventies—at stations like KSAN in San Francisco, WBCN in Boston, WMMR in Philadelphia, KMET in Los Angeles, WNEW, and others—disc jockeys became the gatekeepers, critics, and gurus of new music. Jocks like Scott Muni, Vin Scelsa, Jonathan Schwartz, and Neer developed loyal followings and had incredible influence on their listeners and on the early careers of artists such as Bruce Springsteen, Genesis, the Cars, and many others. Full of fascinating firsthand stories, *FM* documents the commodification of an iconoclastic phenomenon, revealing how counterculture was coopted and consumed by the mainstream. Richard Neer was an eyewitness to, and participant in, this history. *FM* is the tale of his exhilarating ride.

From New York Times bestselling author Sylvain Reynard comes the first novel in the Gabriel's Inferno series, a haunting, unforgettable tale of one man's salvation and one woman's sensual awakening—NOW A FILM FROM PASSIONFLIX! Enigmatic and sexy, Professor Gabriel Emerson is a well-respected Dante specialist by day, but by night he devotes himself to an

uninhibited life of pleasure. He uses his notorious good looks and sophisticated charm to gratify his every whim, but is secretly tortured by his dark past and consumed by the profound belief that he is beyond all hope of redemption. When the sweet and innocent Julia Mitchell enrolls as his graduate student, his attraction and mysterious connection to her not only jeopardizes his career, but sends him on a journey in which his past and his present collide. An intriguing and sinful exploration of seduction, forbidden love, and redemption, Gabriel's Inferno is a captivating and wildly passionate tale of one man's escape from his own personal hell as he tries to earn the impossible—forgiveness and love.

Marketing visionary Martin Lindstrom has been on the front line of the branding for over twenty years. In *Brandwashed*, he turns the spotlight on his own industry, drawing on all he has witnessed behind closed doors, exposing for the first time the full extent of the psychological tricks and traps that companies devise to win our hard-earned money. Lindstrom reveals eye opening details such as how advertisers and marketers target children at an alarmingly young age (starting when they are still in the womb), what heterosexual men really think about when they see sexually provocative advertising, how marketers and retailers stoke the flames of public panic and capitalize on paranoia over diseases, extreme weather events, and food contamination scares. It also presents the first ever evidence to prove how addicted we are to our smartphones, and how certain companies (like the maker of a very popular lip balm), purposely adjust their formulas in order to make their products chemically addictive, and much, much more. *Brandwashed* is a shocking insider's look at how today's global giants conspire to obscure the truth and manipulate our minds, all in service of persuading us to buy.

*Brandwashed* Yale Egyptological Seminar

Featuring tons of fun facts about the series alongside a walkthrough of all books and covers in the Goosebumps collections, this art book is a must-have for old and new fans alike! In the summer of 1992, Scholastic tasked two terrifyingly talented artists with creating the cover paintings for the books that would premiere the Goosebumps series. At that time, four books in the line were being market-tested by the publisher to

see how young readers would react to R.L. Stine's particular brand of humor-tinged horror. One element that was sure to catch the attention of little eyes everywhere was striking cover art, and, boy, did they find it! The imagery provided by the covers of the Goosebumps series is part and parcel to the 90s Kid zeitgeist, helping to create a visual brand for R.L. Stine's smash-hit horror series. The covers helped set the tone for the numerous adaptations of the series, including a television series, a theatre experience, and, more recently, blockbuster films!

**The Optical Unconscious** MIT Press

From the author of *In the Freud Archives* and *The Journalist and the Murderer* comes an intensive look at the practice of psychoanalysis through interviews with "Aaron Green," a Freudian analyst in New York City. Malcolm is accessible and lucid in describing the history of psychoanalysis and its development in the United States. It provides rare insight into the contradictory world of psychoanalytic training and treatment and a foundation for our understanding of psychiatry and mental health. "Janet Malcom has managed somehow to peer into the reticent, reclusive world of psychoanalysis and to report to us, with remarkable fidelity, what she has seen. When I began reading I thought condescendingly, 'She will get the facts right, and everything else wrong.' She does get the facts right, but far more pressive, she has been able to capture and convey the claustal atmosphere of the profession. Her book is journalism become art." —Joseph Andelson, *The New York Times Book Review*  
*Psychoanalysis* Vintage

For thousands of years, ancient Egypt has echoed around the world. This full colour paperback is the catalogue of a current exhibition at the Yale Peabody Museum. The exhibition takes you on a journey through two thousand years of fascination with ancient Egypt, the land of the pharaohs. Visitors will discover how a culture that flourished thousands of years ago has impacted on our own world. Echoes of ancient Egypt appear in art, architecture, and literature around the world from ancient Africa to medieval Europe and the Middle East, to modern North America. Full colour companion guide to the exhibition of the same name at the Yale Peabody Museum in New Haven, CT, running from now until January 2014.

**A Hot Piece of Sass** Createspace Independent Publishing Platform

This collection of essays approaches "voice" as a means of expression that lives in the interactions of writers, readers, and language, and examines the conceptualizations of voice within the oral rhetorical and expressionist traditions, and the notion of voice as both a singular and plural phenomenon. An explanatory introduction by the editor is followed by 19 essays: (1) "What Do We Mean When We Talk about Voice in Texts?" (Peter Elbow); (2) "Claiming My Voice" (Toby Fulwiler); (3) "Coming to Voice" (Gail Summerskill Cummins); (4) "Affect and Effect in Voice" (Doug Minnerly); (5) "Technical Texts/Personal Voice: Intersections and Crossed Purposes" (Nancy Allen and Deborah S. Bosley); (6) "Voices in the News" (Meg Morgan); (7) "The Chameleon 'I': On Voice and Personality in the Personal Essay" (Carl H. Klaus); (8) "The Difference It Makes to Speak: The Voice of Authority in Joan Didion" (Laura Julier); (9) "Teaching Voice" (Margaret K. Woodworth); (10) "Classroom Voices" (Paula Gillespie); (11) "Voice as Muse, Message, and Medium: The Views of Deaf College Students" (John A. Albertini and others); (12) "Varieties of the 'Other': Voice and Native American Culture" (Tom Carr); (13) "East Asian Voices and the Expression of Cultural Ethos" (John H. Powers and Gwendolyn Gong); (14) "Voice and the Naming of Woman" (Susan Brown Carlton); (15) "Voicing the Self: Toward a Pedagogy of Resistance in a Postmodern Age" (Randall R. Freisinger); (16) "The Virtual Voice of Network Culture" (Mark Zamierowski); (17) "Concluding the Text: Notes toward a Theory and the Practice of Voice" (Kathleen Blake Yancey and Michael Spooner); and (18) "An Annotated and Collective Bibliography of Voice: Soundings from the Voices Within" (Peter Elbow and Kathleen Blake Yancey). (NKA)

*Pouvoirs de L'horreur (English)* Duke University Press

Living on a damaged planet challenges who we are and where we live. This timely anthology calls on twenty eminent humanists and scientists to revitalize curiosity, observation, and transdisciplinary conversation about life on earth. As human-induced environmental change threatens multispecies livability, *Arts of Living on a Damaged Planet* puts forward a bold proposal: entangled histories, situated narratives, and thick descriptions offer urgent "arts of living." Included are essays by scholars in anthropology, ecology, science studies, art, literature, and

bioinformatics who posit critical and creative tools for collaborative survival in a more-than-human Anthropocene. The essays are organized around two key figures that also serve as the publication's two openings: Ghosts, or landscapes haunted by the violences of modernity; and Monsters, or interspecies and intraspecies sociality. Ghosts and Monsters are tentacular, windy, and arboreal arts that invite readers to encounter ants, lichen, rocks, electrons, flying foxes, salmon, chestnut trees, mud volcanoes, border zones, graves, radioactive waste—in short, the wonders and terrors of an unintended epoch. Contributors: Karen Barad, U of California, Santa Cruz; Kate Brown, U of Maryland, Baltimore; Carla Freccero, U of California, Santa Cruz; Peter Funch, Aarhus U; Scott F. Gilbert, Swarthmore College; Deborah M. Gordon, Stanford U; Donna J. Haraway, U of California, Santa Cruz; Andreas Hejnol, U of Bergen, Norway; Ursula K. Le Guin; Marianne Elisabeth Lien, U of Oslo; Andrew Mathews, U of California, Santa Cruz; Margaret McFall-Ngai, U of Hawaii, Manoa; Ingrid M. Parker, U of California, Santa Cruz; Mary Louise Pratt, NYU; Anne Pringle, U of Wisconsin, Madison; Deborah Bird Rose, U of New South Wales, Sydney; Dorion Sagan; Lesley Stern, U of California, San Diego; Jens-Christian Svenning, Aarhus U.

**The True Story Volume Three** Penguin

A collection of erotic short stories aimed at the man who enjoys a little humor with his sex. There are parodies of several famous monster icons (zombies, vampires, werewolves) as well as some that are more thought provoking, such as the featured novelette about a teen coming out in small town Kansas. This is a book for every gay male that wants wit and a good story to go along with the sex. Come take the ride and see if you don't enjoy the entire trip!

*Subfloor Pits and the Archaeology of Slavery in Colonial Virginia*  
Simon and Schuster

Poetry. In her second book, Jennifer Militello investigates the tensions of identity as a source of illness and health. BODY THESAURUS presents the human physique as a flawed conduit and, through poems highlighting symptoms, antidotes, and diagnostic tests, seeks alternate renderings for the complexities of self. Even as the endangered psyche supplies a filter, gods are confronted, maladies are faced, and actualities are marked, remembered, or lost. The beauty of struggle and the chance for redemption act as counterstream, increasingly evident

and—again and again in the poet's verse—indisputably real.

*Karma Inc.* Kogan Page Publishers

Casting Hell...one spell at a time. Who knew that a single witch could have so many forces troubling her community? Everyone seems to get a case to work except Sophie Dexter, but when the Witches' Council finally assigns her one, it comes along with an egotistical, jerky vampire that seems to have it out for witches. At least, that's what Sophie suspects. Riverdale, Colorado is where it all begins. Witches go missing, and then are found...murdered. What do they all have in common, besides being dead? They were all hired-and subsequently fired-by the jerky vampire and powerful software magnate himself, Drake Jacobi. Sophie must go undercover as one of Drake's secretaries in order to discover what is really going on at his company. Will her arsenal of spells prevent her fate from becoming the same as the others before her? Or will her own destiny be even worse if she falls under the spell of the handsome vampire?

*Shame of Clones* Columbia University Press

Roger and Carolyn Perron purchased the home of their dreams and eventual nightmares in December of 1970. The Arnold Estate, located just beyond the village of Harrisville, Rhode Island seemed the idyllic setting in which to raise a family. The couple unwittingly moved their five young daughters into the ancient and mysterious farmhouse. Secrets were kept and then revealed within a space shared by mortal and immortal alike. Time suddenly became irrelevant; fractured by spirits making their presence known then dispersing into the ether. The house is a portal to the past and a passage to the future. This is a sacred story of spiritual enlightenment, told some thirty years hence. The family is now somewhat less reticent to divulge a closely-guarded experience. Their odyssey is chronicled by the eldest sibling and is an unabridged account of a supernatural excursion. Ed and Lorraine Warren investigated this haunting in a futile attempt to intervene on their behalf. They consider the Perron family saga to be one of the most compelling and significant of a famously ghost-storied career as paranormal researchers. During a seance gone horribly wrong, they unleashed an unholy hostess; the spirit called Bathsheba; a God-forsaken soul. Perceiving herself to be the mistress of the house, she did not appreciate the competition. Carolyn had long been under siege; overt threats issued in the form of fire...a mother's greatest fear. It transformed the woman

in unimaginable ways. After nearly a decade the family left a once beloved home behind though it will never leave them, as each remains haunted by a memory. This tale is an inspiring testament to the resilience of the human spirit on a pathway of discovery: an eternal journey for the living and the dead.

*The Complete Divine Trilogy* Createspace Independent Publishing Platform

A bold call to deromanticize education and reframe universities as terrains of struggle between alternative modes of studying and world-making Higher education is at an impasse. Black Lives Matter and #MeToo show that racism and sexism remain pervasive on campus, while student and faculty movements fight to reverse increased tuition, student debt, corporatization, and adjunctification. Commentators typically frame these issues as crises for an otherwise optimal mode of intellectual and professional development. In *Beyond Education*, Eli Meyerhoff instead sees this impasse as inherent to universities, as sites of intersecting political struggles over resources for studying. Meyerhoff argues that the predominant mode of study, education, is only one among many alternatives and that it must be deromanticized in order to recognize it as a colonial-capitalist institution. He traces how key elements of education—the vertical trajectory of individualized development, its role in preparing people to participate in governance through a pedagogical mode of accounting, and dichotomous figures of educational waste (the “dropout”) and value (the “graduate”)—emerged from histories of struggles in opposition to alternative modes of study bound up with different modes of world-making. Through interviews with participants in contemporary university struggles and embedded research with an anarchist free university, *Beyond Education* paves new avenues for achieving the aims of an “alter-university” movement to put novel modes of study into practice. Taking inspiration from Black Lives Matter, Occupy Wall Street, and Indigenous resurgence projects, it charts a new course for movements within, against, and beyond the university as we know it.

**Tricks Companies Use to Manipulate Our Minds and Persuade Us to Buy** University of Alabama Press

*The Optical Unconscious* is a pointed protest against the official story of modernism and against the critical tradition that attempted to define modern art according to certain sacred

commandments and self-fulfilling truths. The account of modernism presented here challenges the vaunted principle of "vision itself." And it is a very different story than we have ever read, not only because its insurgent plot and characters rise from below the calm surface of the known and law-like field of modernist painting, but because the voice is unlike anything we have heard before. Just as the artists of the optical unconscious assaulted the idea of autonomy and visual mastery, Rosalind Krauss abandons the historian's voice of objective detachment and forges a new style of writing in this book: art history that insinuates diary and art theory, and that has the gait and tone of fiction. The Optical Unconscious will be deeply vexing to

modernism's standard-bearers, and to readers who have accepted the foundational principles on which their aesthetic is based. Krauss also gives us the story that Alfred Barr, Meyer Shapiro, and Clement Greenberg repressed, the story of a small, disparate group of artists who defied modernism's most cherished self-descriptions, giving rise to an unruly, disruptive force that persistently haunted the field of modernism from the 1920s to the 1950s and continues to disrupt it today. In order to understand why modernism had to repress the optical unconscious, Krauss eavesdrops on Roger Fry in the salons of Bloomsbury, and spies on the toddler John Ruskin as he amuses himself with the patterns of a rug; we find her in the living room of Clement Greenberg as he complains about "smart Jewish girls with their typewriters" in

the 1960s, and in colloquy with Michael Fried about Frank Stella's love of baseball. Along the way, there are also narrative encounters with Freud, Jacques Lacan, Georges Bataille, Roger Caillois, Gilles Deleuze, and Jean-François Lyotard. To embody this optical unconscious, Krauss turns to the pages of Max Ernst's collage novels, to Marcel Duchamp's hypnotic Rotoreliefs, to Eva Hesse's luminous sculptures, and to Cy Twombly's, Andy Warhol's, and Robert Morris's scandalous decoding of Jackson Pollock's drip pictures as "Anti-Form." These artists introduced a new set of values into the field of twentieth-century art, offering ready-made images of obsessional fantasy in place of modernism's intentionality and unexamined compulsions.
