Clinical Neurology Made Easy John Wiley & Sons

Whether you've just bought the new 2018 iPad Pro with Face ID, the 2018 9.7-inch iPad with Pencil 2 support, the iPad mini, or an older model iPad, there are a few steps to getting started. We've got guides for all the steps you need, from the first "Hello" to downloading the best apps and game, setting up your email and calendar accounts, getting

FaceTime and Messages ready for communication, setting up Face ID, and more. If this is your first device in the Apple ecosystem, welcome to the family. Even if you're an iPhone X owner or a MacBook Pro devotee, the all-new iPad Pro is an entirely different beast. Sure, you could use it in much the same way you would an iPhone, but then you would be missing out on a plethora of shortcuts and tricks designed to better your experience. Thankfully, we assembled some of our favorite iPad Pro tips and tricks in this book, all of which will help you make the most of your device. We'll walk you through the steps to getting started. After that, you'll have a blast learning all about the great features on your new Apple iPad. Scroll up and click BUY WITH 1-CLICK to add this book to

your library.

AAD and Parallel Simulations Computing Made Easy

Data is the base for information, information is needed to have knowledge, and knowledge is used to make decisions and manage 21st century businesses and organizations.

Thus, it is imperative to remain up to date on the major breakthroughs within the technological arena in order to continually expand and enhance knowledge for the benefit of all institutions. Information Technology Trends for a Global and Interdisciplinary Research Community is a crucial reference source that covers novel and emerging research in the field of information science and technology, specifically focusing on underrepresented technologies and trends that influence and engage the knowledge society. While highlighting topics that include computational thinking, knowledge management, artificial intelligence, and visualization, this book is essential for academicians, researchers, and students with an

interest in information management.

With iPod touch Made Simple, iOS 5 Edition, you'll learn how to take advantage of all these features and more, now available using the new iOS 5. Packed with over 1,000 visuals and screenshots, this book will help you master all the functions of the iPod touch devices that run iOS 5 and teach you time-saving techniques and tips along the way. Written by two

successful smartphone trainers and authors, this is the go-to guide for the iPod touch!

Manifesting Made Easy Made Easy

From one of the freshest new voices in clean and wholesome romantic fiction, *The Holiday Plan* is the perfect escape for fans of Courtney Walsh, Annie Rains, and Debbie Mason. Native New Yorker and author Verona Scott is battling heartbreak, both personally and professionally. Coming off a disastrous split with her ex, she's struggling for inspiration to write her next book. And she's lost without her favorite Aunt Theoni's wisdom and guidance. Hoping for a fresh start and to avoid the holiday completely, she's planned a Valentine's detox: a luxurious trip alone to the historic Courtington Castle hotel, near

the adorably quaint town of Camelot Creek, tucked into a picturesque valley in the Adirondacks. But escaping the heart-shaped balloons and red roses isn't as easy as she thought. This won't be the restful retreat she'd imagined. Instead, she's just walked into one of the biggest matchmaking events of the year. Not to mention, the incredibly attractive single dad and dating coach Troy Turner is heading the whole thing up, and he's on a mission to include Verona in the festivities. Troy is in the midst of a professional crisis of his own. After a bit of unfounded bad press, the very last thing he needs is a guest to cast doubt in the minds of his attendees. Will Troy change Verona's mind about the most romantic day of the year? Just when sparks begin to fly, an unexpected

visitor checks into the castle, stirring up the past. No matter what, for Verona, Valentine's Day is the day where everything changes. A heartwarming, sweet romance that will whisk you away to a magical winter wonderland, and have you reaching for the hot cocoa and box of chocolates long after the holidays.

Word Smart, 6th Edition Hay House, Inc

Learn how to heal all areas of your life with this comprehensive and accessible guide to the powerful practice of Reiki. Reiki is one of the most popular energy-healing systems, founded in Japan and now used all over the world. It's easy to learn, and everyone can benefit from it. Written by the founder of the Reiki Academy London, Torsten A. Lange, *Reiki Made Easy* is a comprehensive yet

accessible guide to the powerful Reiki healing system, showing how it can be used for physical, emotional, mental and spiritual healing. This book explores: - the history of Reiki, including new information not currently found in any other book - how to connect to Reiki energy to heal ourselves and others - the symbols of Reiki and how to work with them - how to give a distant healing - real-life stories that demonstrate the deep healing this system offers - the steps to becoming a Reiki practitioner For anyone wishing to learn how to apply the benefits of Reiki in their lives, this book is a perfect starting point on their journey.

Quick and Easy Ways to Master iPad Pro, IOS 12 and Troubleshoot Common Problems John Wiley & Sons

iPhone, iPad and Mac Programming

Made Easy John Wiley & Sons

A pain free way to learn piano and keyboard. Learning music the traditional way is difficult, frustrating and expensive. For most people it is just too much and we quit. International author, entertainer and trainer Christopher Lavery shares his breakthrough piano secrets. Now you too can learn piano and understand the building blocks of music without needing to spend years learning how to "read" music. If you have been trying to learn an instrument or gave up years ago, this book will give you a massive sigh of relief as Christopher shows you how truly easy

music and piano can be. You'll learn:-
How to sound good on the piano instantly!- The secret patterns of scales and how to play any scale in any key- The secret patterns of chords and how to play any chord in any key- How to practice for just five minutes per day for maximum benefit and fast results- The secret formula used to write most popular songs- How to break through uncertainty and doubt and play with confidence- How to play and sing your favourite songs quickly and easily This is a true magical music ride!

InDesign CC Digital Classroom 2018

Edition John Wiley & Sons

The whole series is designed to save learning time and guaranteed to give the best value. Whether you want to get to grips with Windows, Photoshop or even

the latest digital gadget, these easy-to-follow guides are the perfect companion for fast and productive learning. Written in a jargon-free, easy-to-follow style with helpful graphics, the In Easy Steps books explain everything the user needs to know to get working with a new device, programming language, software, electronics, or to sharpen up other professional skills. Each chapter takes you step-by-step through the functions and uses of a program. Every page is packed with visual guides so that what you see on your screen is exactly the same in the book - you simply can't go wrong!

Shortcuts For Learning Piano & Sounding Good Instantly John Wiley & Sons

Almost overnight, EPUB has become the

favoured standard for displaying digital text on ereaders. The EPUB specification is a powerful method for creating gorgeous ebooks for EPUB-capable readers such as the iPad, Nook, and Kindle. Alas, it is far from perfect, with frustrating limitations, sketchy documentation, and incomplete creation tools. This extensively researched guide to creating EPUB files by best-selling author Elizabeth Castro shows you how to prepare EPUB files, make the files look great on the screen, work around EPUB weaknesses, and fix common errors. In this essential book, Liz shares her hard-earned experience for how to: Create EPUB files from existing Microsoft Word or Adobe InDesign files, or from scratch. Tweak EPUB files to take full advantage of the power of EPUB in each respective

ereader. Control spacing, indents, and margins. Insert images and sidebars and wrap text around them. Create links to external sources and cross-references to internal ones. Add video to ebooks for the iPad.

IPhone Manual for Beginners Penguin Random House New Zealand Limited
An introductory guide to the fascinating Akashic Records and how to use this powerful source of information for change, manifestation, healing and fulfilment. This book will reveal: • what the Akashic Records really are and how to tap into their ever-present power • how to travel the eternal timeline to investigate the past, present and potential future • how past lives are influencing you today and what you can do to rewrite those records • how you

can use the Akashic Records to find your purpose, expand your talents and find greater success and joy in this life • how to programme future events within the records of this life and in lifetimes to come • techniques to open the records anytime you desire ... and much more!
This title was originally published within the Hay House Basics series.
