DARIEN BRIGGS

Are We Living in the End Times or Final Days? Thomas Nelson

Some periods of history contain so many compounded disasters they seem to be inspired by disaster movies. In the early 2020s, the Covid-19 pandemic upended the world and thrust populations into a state of uncertainty and fear--as seen in movies like *Outbreak*, *The Towering Inferno* or *Armageddon*. Birthed from the author's original research on disaster movies, this book argues that the life cycle of Covid closely parallels various apocalyptic films, from the personas of the main players to the strike of the cataclysm itself. To view the Covid pandemic through the language of disaster movies, the book identifies those that mirror (predict!) each stage of the Covid pandemic, analyzing the similarities between the films and real-life events. A filmography of the featured disaster movies concludes the book.

Are We Living in the End Times? Zondervan

Popular Bible teacher and host of the Gospel Truth broadcast, Andrew Wommack takes on one of the biggest controversies of the church, the freedom of God's grace verses the faith of the believer. Wommack reveals that God's power is not released from only grace or only faith. God's blessings come through a balance of both grace and...

The Last Days according to Jesus Moody Publishers

Clear Answers to Complex Questions In a field often clouded by confusion and sensationalism, keeping track of what the Bible says about the end times can be challenging even for seasoned believers. That's why the bestselling authors behind the Prophecy Pros Podcast are here to bring you a comprehensive and user-friendly guide to the most need-to-know facts about what is to come. Packed with charts, timelines, and infographics, The Prophecy Pros' Illustrated Guide to Tough Questions About the End Times delivers speculation-free, biblically sourced answers to your questions on one of the Bible's most significant topics. You'll learn about imminent events like the rapture, Jesus' second coming, and life in heaven, while understanding exactly what Bible prophecy is, where it's found in Scripture, and why Christians should study it. As you grow in your understanding of God's plans for history still-to-come, your trust in Him will be transformed. Whether you're new to your faith or a longtime student of Bible prophecy, this approachable handbook will provide helpful, straightforward answers to your queries and concerns about the end times, inspiring you to face the future with confidence!

"Three Cosmic Messages reviews the three angels' messages of Revelation 14. These messages are Christ's last message of love to mankind, calling him to worship God and refuse the mark of the beast"--

Revelation Penguin

Strap on your seat belt and get ready for a supernatural ride! Prepare to be captured on an enticing

journey along one person's true life story of multiple face-to-face encounters with the supernatural realm, including God, angels, visions and more. In *I Saw God Last Night*, experience the sting of disappointment when a testimony is shared and rejected by the people we think are believers, and the joy of being received by those we never suspect. Millions of people around the world, along with spiritual leaders, have been misled that God is dead or that divine, supernatural encounters are nothing other than nonsense and lies. Many of which discourage those who believe in them or often won't believe unless it happens to them also. More times than not, experience stomps philosophy. As you absorb the pages of this book, you will learn: -The spiritual dangers of bringing particular items into your home -The power that comes with spoken words -Why religion won't get you into Heaven -Why it is crucial for you to know the voice of God for yourself You will also scope out how you too, may also walk into the same supernatural realm, if not higher!

Heaven The Good Book Company

In the New York Times best-selling book, *What in the World Is Going On?*, Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" The Bible has plenty to say about end times. But until now, there has been no other book that—in straightforward prose that's easy to understand—gathers ten scriptural prophecies, lays out a chronological checklist, and offers a guideline for sorting it all out. In *What in the World Is Going On?* Dr. David Jeremiah answers the hard questions, including these: "How is prophecy playing out in modern Europe?" "Why does Israel matter?" "How are oil reserves and Islamic terrorism related?" "Does the United States play a role in prophecy?" "How should we live in the end times?" Events unfolding in today's world are certainly unsettling, but they need not be confusing or frightening. Now you can know the meaning behind what you see in the daily news—and understand what in the world is going on! "A clear, compelling primer on God's heart for Israel and the dramatic Bible prophecies that will unfold in these last days. What I loved most is that David Jeremiah unashamedly examines and explains the biggest global trends of our day through the Third Lens of Scripture. And his description of Jesus' unconditional love and compassion for Jews and Muslims is alone worth the read!" —Joel C. Rosenberg, New York Times best-selling author, *The Last Jihad and Epicenter: Why the Current Rumbblings in the Middle East Will Change Your World*

Reformation Study Bible-ESV Random House

Ayn Rand's first published novel, a timeless story that explores the struggles of the individual against the state in Soviet Russia. First published in 1936, *We the Living* portrays the impact of the Russian Revolution on three human beings who demand the right to live their own lives and pursue their own happiness. It tells of a young woman's passionate love, held like a fortress against the corrupting evil of a totalitarian state. *We the Living* is not a story of politics, but of the men and women who have to struggle for existence behind the Red banners and slogans. It is a picture of what those slogans do to human beings. What happens to the defiant ones? What happens to those

who succumb? Against a vivid panorama of political revolution and personal revolt, Ayn Rand shows what the theory of socialism means in practice. Includes an Introduction and Afterword by Ayn Rand's Philosophical Heir, Leonard Peikoff

Dance of Ecstasy Baker Books

Have you ever asked yourself what changed when you were "born again?" You look in the mirror and see the same reflection - your body hasn't changed. You find yourself acting the same and yielding to those same old temptations - that didn't seem to change either. So you wonder, Has anything really changed? The correct...

Three Cosmic Messages Penguin UK

What if it is death that teaches us how to truly live? Keeping the end in mind shapes how we live our lives in the here and now. Living life backward means taking the one thing in our future that is certain—death—and letting that inform our journey before we get there. Looking to the book of Ecclesiastes for wisdom, *Living Life Backward* was written to shake up our expectations and priorities for what it means to live "the good life." Considering the reality of death helps us pay attention to our limitations as human beings and receive life as a wondrous gift from God—freeing us to live wisely, generously, and faithfully for God's glory and the good of his world.

The Prophecy Pros' Illustrated Guide to Tough Questions About the End Times Simon and Schuster

End-Times Prophecy Does Not Need to Be Complicated Or Confusing... "Therefore be on the alert, for you do not know which day your Lord is coming." --Matthew 24:42 The words of Jesus remind Christians that--even though we do not know the date when He will return--we need to have our finger on the pulse of what is happening morally, spiritually, and politically in our world. And with the increasing chaos, division, and war happening today, it is right to ask, "Are we living in the end times now?" In this book, Dr. Robert Jeffress provides biblical answers to seven frequently asked questions about the future: 1. What Does the Bible Mean by the End Times? 2. What Role Does Israel Play in the End Times? 3. What News Events Signal the End Times? 4. What Are the Major Events of the End Times? 5. What's the Difference between the Rapture and the Second Coming in the End Times? 6. Why Has God Delayed the End Times? 7. How Do I Prepare for the End Times? Getting answers to these questions--and understanding the phenomenal events that are going to happen before the revelation of the King of kings and Lord of lords--helps believers face the future with hope and confidence.

People to Be Loved Berrett-Koehler Publishers

What does Bible prophecy tell us about the time of the end? Are we living in the end time? When will be the end of the world? For thousands of years people have been fascinated with predictions of the end of the world. If we look into the inspired writings of the biblical prophets and apostles, we find many prophecies that refer to the time of the end. Should we take them seriously? Are world conditions such that these prophecies could be fulfilled in our day? Jesus Christ Himself talked of a future time so horrendous that no human lives would be spared "unless those days were shortened" (Matthew 24:22). Did He have our time in mind? Many biblical warnings leave us in no doubt that increasingly cataclysmic events will occur before God's direct intervention in human affairs. These terrifying prophecies will see their fulfillment at some future time. The crucial question is when. This eye-opening Bible study aid booklet, *Are We Living in the Time of the End?*, examines exactly what

Jesus, His apostles and the biblical prophets really said about the intriguing days they referred to as the time of the end. You need this vital information! Chapters in this ebook: -- Are We Living in the Time of the End? -- What Is the Time of the End? -- A World in Perpetual Crisis -- Noah and Our Time: A Sobering Parallel -- The End of the Age -- The Time of the End: The End of What? -- Biblical Terms for the Coming End of Man's Age -- Jesus Christ's Olivet Prophecy: Where Are We Now? -- Did Jesus Christ Foretell Devastating Storms? -- 'This Generation Will Not Pass' -- The End Time in the Book of Revelation -- The Population Explosion and Prophecy -- God's Framework for End-Time Prophecy -- Preparing for the End Time -- What Can You Do? Inside this Bible Study Aid ebook: "But we should remember that Jesus made it clear that no one could know the exact time of His return: "... Of that day and hour no one knows, not even the angels of heaven, but My Father only" (Matthew 24:36)." "Some think the subject of the end time in the Bible is mainly confined to the New Testament. But beginning in Genesis, the first book of the Bible, the Scriptures look beyond our present evil age to the time of the establishing of God's Kingdom. Old Testament scriptures have much to say about events that take place during the end of this age and the following "world to come."" "When Scripture mentions "the time of the end" or "the end of the age," it is referring to the coming end of the present evil age. This age—in reality the age of Satan—will draw to an end, replaced by the age of God's rule over and guidance of all of humanity." "Revelation is a book written to reveal the future, and Jesus Christ is the One who does the revealing...Here is the theme of Revelation—the time of the end of the age and the return of Jesus Christ to establish God's Kingdom on earth." "How should we view prophecy? Can it provide spiritual benefits? The apostle Peter mentioned that prophecy should serve to strengthen our hope and faith in the future (2 Peter 1:19)."

Living in the Light Destiny Image Publishers

Heaven has received a lot of attention in recent years as bestselling books and movies have told the stories of people who claim to have been there. But what does the Bible actually say about heaven? What difference does it make? What happens the moment after we die? What will our relationships be like in heaven? Chip Ingram sets aside the hype and myths and digs into the Scriptures to discover what God actually wants us to know about the hereafter. Most importantly, Ingram shows why our understanding of heaven matters now, in this life. Because what we believe about heaven actually affects us today in ways we may not have imagined.

Living Life Backward Baker Books

Many Christians think of end times prophecy as a gigantic, intimidating puzzle -- difficult to piece together and impossible to figure out. But every puzzle can be solved if you approach it the right way. Paul Benware compares prophecy to a picture puzzle. Putting the edge pieces together first builds the 'framework' that makes it easier to fit the other pieces in their place. According to Benware, the framework for eschatology is the biblical covenants. He begins his comprehensive survey by explaining the major covenants. Then he discusses several different interpretations of end times prophecy. Benware digs into the details of the Rapture, the Great Tribulation, the judgements and resurrections, and the millennial kingdom. But he also adds a unique, personal element to the study, answering questions as: -Why study bible prophecy? -What difference does it make if I'm premillennial or amillennial? If what the Bible says about the future puzzles you, *Understanding End Times Prophecy* will help you put together the pieces and see the big picture.

Living in the Balance of Grace and Faith United Church of God

"[Here is] the Genesis for our generation and beyond."—Robert Fagles Genesis begins with the making of heaven and earth and all life, and ends with the image of a mummy—Joseph's—in a coffin. In between come many of the primal stories in Western culture: Adam and Eve's expulsion from the garden of Eden, Cain's murder of Abel, Noah and the Flood, the destruction of Sodom and Gomorrah, Abraham's binding of Isaac, the covenant of God and Abraham, Isaac's blessing of Jacob in place of Esau, the saga of Joseph and his brothers. In Robert Alter's brilliant translation, these stories cohere in a powerful narrative of the tortuous relations between fathers and sons, husbands and wives, eldest and younger brothers, God and his chosen people, the people of Israel and their neighbors. Alter's translation honors the meanings and literary strategies of the ancient Hebrew and conveys them in fluent English prose. It recovers a Genesis with the continuity of theme and motif of a wholly conceived and fully realized book. His insightful, fully informed commentary illuminates the book in all its dimensions.

Heaven and Hell Tyndale House Publishers, Inc.

The definitive exploration of one of the most daring and consequential theories of our time, completely revised and updated to reflect the rapid advances in artificial intelligence and virtual reality Are we living in a simulation? MIT computer scientist Rizwan Virk draws from research and concepts from computer science, artificial intelligence, video games, quantum physics, and ancient mystics to explain why we may be living inside a simulated reality like the Matrix. Simulation theory explains some of the biggest mysteries of quantum and relativistic physics, such as quantum indeterminacy, parallel universes, and the integral nature of the speed of light, using information and computation. Virk shows how the evolution of our video games, including virtual reality, augmented reality, artificial intelligence, and quantum computing, will lead us to a technological singularity. We will reach the simulation point, where we can develop all-encompassing virtual worlds like the OASIS in Ready Player One or The Matrix—and in fact we are already likely inside such a simulation. While the idea sounds like science fiction, many scientists, engineers, and professors have given the simulation hypothesis serious consideration, including Elon Musk, Neil deGrasse Tyson, and Nick Bostrom. But the simulation hypothesis is not just a modern idea. Philosophers of all traditions have long contended that we are living in some kind of "illusion" and that there are other realities that we can access with our minds. The Simulation Hypothesis is the definitive book on simulation theory and is now completely updated to reflect the latest developments in artificial intelligence and virtual reality. Whether you are a computer scientist, a fan of science fiction like the Matrix movies, a video game enthusiast, a spiritual seeker, or simply a fan of mind-bending thought experiments, you will never look at the world the same way again.

Spirit, Soul, and Body StoryMirror Infotech Pvt Ltd

A new epic fantasy series from the New York Times bestselling author chosen to complete Robert Jordan's *The Wheel of Time*® Series

Here We Are Harvest House Publishers

A trusted theologian analyzes what Jesus said about his return and the last days.

The Living Universe W. W. Norton & Company

Whenever we hear about the "end-times" or the "last days," it conjures up all kinds of images in our

minds. We may think of the universe blowing up with the largest flame imaginable, ushering in a new heaven and a new earth. We have presupposed in the body of Christ that the righteous will be raptured away before all of this occurs, leaving the world to face a massive fire of destruction. Upon hearing Christians mention the last days, many just assume they're referring to the end of time, and the end of the world. But the attentive Bible student will ask, "The last days of what?" It seems obvious to me that the text is referring to the end of the Old Covenant-Temple aeon/age. When you read the New Testament through this lenses, all I can say is, "Wow!" It makes a significant difference when you read the Scriptures with the realization that the Bible was written for you, not to you. We need to also understand that "time of the end" and the "end of time" are not one and the same. The Bible teaches about the "time of the end," but nothing is taught about an "end of time."

Reality+: Virtual Worlds and the Problems of Philosophy Canongate Books

#1 New York Times bestseller A TIME Magazine Best Book of the Year A NPR Best Book of 2017 A Boston Globe Best Book of 2017 "Moments of human intimacy jostle with scenes that inspire cosmic awe, and the broad diversity of Jeffers's candy-colored humans...underscores the twin messages that 'You're never alone on Earth' and that we're all in this together."--Publisher's Weekly (starred review) "A true work of art."--BuzzFeed Oliver Jeffers, arguably the most influential creator of picture books today, offers a rare personal look inside his own hopes and wishes for his child--and in doing so gifts children and parents everywhere with a gently sweet and humorous missive about our world and those who call it home. Insightfully sweet, with a gentle humor and poignancy, here is Oliver Jeffers' user's guide to life on Earth. He created it specially for his son, yet with a universality that embraces all children and their parents. Be it a complex view of our planet's terrain (bumpy, sharp, wet), a deep look at our place in space (it's big), or a guide to all of humanity (don't be fooled, we are all people), Oliver's signature wit and humor combine with a value system of kindness and tolerance to create a must-have book for parents. Praise for *Here We Are*: -"A sweet and tender distillation of what every Earthling needs to know and might well spend a lifetime striving to achieve. A must-purchase for new parent shelves"--School Library Journal -"From the skies to the animal kingdom to the people of the world and lots of other beautifully rendered examples of life on Earth, *Here We Are* carries a simple message: Be kind." --NPR -"[An] enchanting gem of a children's book"--NBC's Today Show -"A must-have book for parents."--Gambit -"A celebration of people all shapes and sizes, and of the beauty and mystery of our Earth."--Booklist -"...a beautifully illustrated guide to living on Earth and being a good person."--Brightly -"[*Here We Are*] is a tour through the land, the sea, the sky, our bodies; dioramas of our wild diversity....[Jeffers] is the master of capturing the joy in our differences."--New York Times Book Review

We the Living Macmillan

A New York Times bestselling historian of early Christianity takes on two of the most gripping questions of human existence: where did the ideas of heaven and hell come from and why do they endure? What happens when we die? A recent Pew Research poll showed that 72% of Americans believe in a literal heaven and 58% believe in a literal hell. Most people who hold these beliefs are Christian and assume they are the age-old teachings of the Bible. But eternal rewards and punishments are found nowhere in the Old Testament and are not what Jesus or his disciples taught. So where did these ideas come from? In this "eloquent understanding of how death is viewed

through many spiritual traditions" (Publishers Weekly, starred review), Bart Ehrman recounts the long history of the afterlife, ranging from The Epic of Gilgamesh up to the writings of Augustine, focusing especially on the teachings of Jesus and his early followers. He discusses ancient guided tours of heaven and hell, in which a living person observes the sublime blessings of heaven for those who are saved and the horrifying torments of hell for those who are damned. Some of these accounts take the form of near death experiences, the oldest on record, with intriguing similarities to those reported today. One of Ehrman's startling conclusions is that there never was a single

Greek, Jewish, or Christian understanding of the afterlife, but numerous competing views. Moreover, these views did not come from nowhere; they were intimately connected with the social, cultural, and historical worlds out of which they emerged. Only later, in the early Christian centuries, did they develop into notions of eternal bliss or damnation widely accepted today. In this "elegant history" (The New Yorker), Ehrman helps us reflect on where our ideas of the afterlife come from. With his "richly layered-narrative" (The Boston Globe) he assures us that even if there may be something to hope for when we die, there certainly is nothing to fear.
