Get Through MRCOG Part 2: Short

Answer Questions is an essential revision guide for candidates preparing for the MRCOG Part 2 exam. This comprehensive collection of practice Short Answer Questions (SAQs) is designed to help candidates test and assess their own knowledge, aiding thorough preparation for the exam. The book opens with an introduction to the exam and includes advice on how to prepare for it, information on what to expect, and guidance on how to write excellent answers. This is followed by two sections: the first provides a wide range of SAQs divided into obstetric and gynaecological topics, and the second presents six practice exams set out in the format of the actual exam. For each question, the authors highlight the key words in the question, followed by a brief

essay plan and then give a worked example answer. The specimen answers indicate how many marks the candidate would obtain for each point made, and are supplemented with valuable extra information and further reading, to enhance understanding and aid further revision.

Addressing the New Exam Format CRC Press

Modelled on the current MRCOG syllabus, Get Through MRCOG Part 2: EMQs is designed to test candidates' theoretical and practical knowledge of obstetrics and gynaecology. The book opens with an introductory section explaining the format of the examination, providing advice on how to prepare for it and how EMQs should be approached in order to obtain the

highest marks. 320 EMQs are presented in the form of eight practice papers, reflecting the level of difficulty and style of the actual examination, and each answer is supplemented with a detailed explanation to help candidates assess and improve their own level of knowledge. Providing an invaluable bank of revision questions, *Get Through MRCOG Part 2: EMQs* is the essential revision guide for all specialist trainees preparing for this examination. The book is comprehensive and authoritative: Justin Konje was closely involved in pioneering the introduction of EMQs into the MRCOG examination and runs a highly regarded MRCOG Part 2 course in the UK.

Concise Practice Essays for MRCOG 2
CRC Press

This examination and revision guide comprehensively tests knowledge at all levels in obstetrics and gynaecology. The wide-ranging sample questions have detailed answers to provide proper explanation and aid understanding, and the variety of question formats prepares students for all possibilities in the examination. The best of five question format is ideal for DRCOG candidates, the EMQs prepare the MRCOG candidates, and the MCQs will test both DRCOG and MRCOG candidates. The book is also highly recommended for undergraduates preparing for their finals, who will welcome the sample best of fives and EMQs now that essays and short answer questions are becoming a thing of the past.

Revmed 300 Sbas In Clinical Specialties Lippincott Williams & Wilkins

RevMED 300 SBAs in Clinical Specialties

is a book of 300 single best answer questions covering a range of topics in paediatrics, obstetrics and gynaecology and psychiatry. These topics are the focus of 4th or 5th Year examinations in most medical school curriculums and have usually been separated from topics in general medicine and surgery. Question books are an exceptionally useful resource for medical students preparing for their clinical exams. RevMED 300 SBAs in Clinical Specialties is written by students who have recently sat clinical examinations at medical school and is designed to be student-friendly with detailed explanations and flow charts summarising the most up-to-date guidelines. The questions have been edited by teaching fellows and registrars

to ensure the topics covered provide students with a functional understanding of important concepts with the hope of aiding their future careers.

Previous Years Question Papers for

Postgraduate Obstetrics and Gynaecology CRC Press

This book is a comprehensive collection of questions in the “single best answer (SBA)” format for the MRCOG2 theory exam. This new format has been introduced in the exam paper from March 2015 and most candidates are still getting used to the change. This book will provide them ample opportunity to familiarize themselves with the concept and then practice answering the questions based on almost all subjects included in the MRCOG 2 theory syllabus. Preparing for the MRCOG2 exam is a daunting task for all Obstetrics and Gynecology doctors. The college constantly reforms the exam structure in an effort to optimize the evaluation process. The endeavor of the

authors is to equip the candidates with a vision of the holistic nature of the exam so that they master the art of answering SBA questions.

EMQS CRC Press
