Renowned mystery author Arthur Conan Doyle and famous illusionist Harry Houdini first met in 1920, during the magician's tour of England. At the time, Conan Doyle had given up his lucrative writing career, killing off Sherlock Holmes in the process, in order to concentrate on his increasingly manic interest in Spiritualism. Houdini, who regularly conducted séances in an attempt to reach his late mother, was also infatuated with the idea of what he called a "living afterlife," though his enthusiasm came to be tempered by his ability to expose fraudulent mediums, many of whom employed crude variations of his own well-known illusions. Using previously unpublished material on the murky relationship between Houdini and Conan Doyle, this sometimes macabre, sometimes comic tale tells the fascinating story of the relationship between two of the most loved figures of the twentieth century and their pursuit of magic and lost loved ones.

John Doyle Lee: Zealot, Pioneer-builder, Scapegoat Macmillan

#1 NEW YORK TIMES BESTSELLER • Over two million copies sold! “Packed with incredible insight about what it means to be a woman today.”—Reese Witherspoon (Reese’s Book Club Pick) In her most revealing and powerful memoir yet, the activist, speaker, bestselling author, and “patron saint of female empowerment” (People) explores the joy and peace we discover when we stop striving to meet others’ expectations and start trusting the voice deep within us. NAMED ONE OF THE BEST BOOKS OF THE YEAR BY O: The Oprah Magazine • The Washington Post • Cosmopolitan • Marie Claire • Bloomberg • Parade • “Untamed will liberate women—emotionally, spiritually, and physically. It is phenomenal.”—Elizabeth Gilbert, author of City of Girls and Eat Pray Love This is how you find yourself. There is a voice of longing inside each woman. We strive so mightily to be good: good partners, daughters, mothers, employees, and friends. We hope all this striving will make us feel alive. Instead, it leaves us feeling weary, stuck, overwhelmed, and underwhelmed. We look at our lives and wonder: Wasn’t it all supposed to be more beautiful than this? We quickly silence that question, telling ourselves to be grateful, hiding our discontent—even from ourselves. For many years, Glennon Doyle denied her own discontent. Then, while speaking at a conference,

she looked at a woman across the room and fell instantly in love. Three words flooded her mind: There She Is. At first, Glennon assumed these words came to her from on high. But she soon realized they had come to her from within. This was her own voice—the one she had buried beneath decades of numbing addictions, cultural conditioning, and institutional allegiances. This was the voice of the girl she had been before the world told her who to be. Glennon decided to quit abandoning herself and to instead abandon the world’s expectations of her. She quit being good so she could be free. She quit pleasing and started living. Soulful and uproarious, forceful and tender, Untamed is both an intimate memoir and a galvanizing wake-up call. It is the story of how one woman learned that a responsible mother is not one who slowly dies for her children, but one who shows them how to fully live. It is the story of navigating divorce, forming a new blended family, and discovering that the brokenness or wholeness of a family depends not on its structure but on each member’s ability to bring her full self to the table. And it is the story of how each of us can begin to trust ourselves enough to set boundaries, make peace with our bodies, honor our anger and heartbreak, and unleash our truest, wildest instincts so that we become women who can finally look at ourselves and say: There She Is. Untamed shows us how to be brave. As Glennon

insists: The braver we are, the luckier we get.

Family History for the Older and Wiser Penguin

It is about how we build a sense of ourselves through the stories we tell and the memories we shape. Shocking, invigorating and revelatory, A Book of Untruths shows that with every breath we take, another untruth may come out.

National Bestseller One of Newfoundland's funniest and most beloved storytellers offers his cure for the Covid blues. Is there a more sociable province than Newfoundland and Labrador? Or anywhere in Canada with a greater reputation for coming to the rescue of those in need? At this time of Covid, singer, songwriter and bestselling author Alan Doyle is feeling everyone's pain. Off the road and spending more days at home than he has since he was a child hawking cod tongues on the wharfs of Petty Harbour, he misses the crowds and companionship of performing across the country and beyond. But most of all he misses the cheery clamour of pubs in his hometown, where one yarn follows another so quickly "you have to be as ready as an Olympian at the start line to get your tale in before someone is well into theirs already." We're all experiencing our own version of that deprivation, and Alan, one of Newfoundland's finest storytellers, wants to offer a little balm. All Together Now is a gathering in book form--a virtual Newfoundland pub. There are adventures in foreign lands, including an apparently filthy singalong in Polish (well, he would have sung along if he'd understood the language), a real-life ghost story involving an elderly neighbour, a red convertible and a clown horn, a potted history of his social drinking, and heartwarming reminiscences from another past world, childhood--all designed to put a smile on the faces of the isolated-addled. Alan Doyle has never been in better form--nor more welcome. As he says about this troubling time: "We get through it. We do what has to be done. Then, we celebrate. With the best of them."
