Tales of the abyss Seven Seas Entertainment

Fifteen top voices in speculative fiction explore the intersection of fear and love in a haunting, at times hilarious, darkly imaginative volume.

Predatory kraken that sing with — and for — their kin; band members and betrayed friends who happen to be demonic; harpies as likely to attract as repel. Welcome to a world where humans live side by side with monsters, from vampires both nostalgic and bumbling to an eight-legged alien who makes tea. Here you'll find mercurial forms that burrow into warm fat, spectral boy toys, a Maori force of nature, a landform that claims lives, and an architect of hell on earth. Through these and a few monsters that defy categorization, some of today's top young-adult authors explore ambition and sacrifice, loneliness and rage, love requited and avenged, and the boundless potential for connection, even across extreme borders. With monstrous stories by M. T. Anderson Paolo Bacigalupi Nathan Ballingrud Holly Black Sarah Rees Brennan Cassandra Clare Nalo Hopkinson Dylan Horrocks Nik Houser Alice Sola Kim Kathleen Jennings Joshua Lewis Kelly Link Patrick Ness G. Carl Purcell

Made in Abyss Official Anthology - Layer 3: White Whistle Melancholy Independently Published

Fear is relentless. It is powerful and unforgiving. It will tear you down to your weakest. Stalking you, hunting you, and when you are near death, it will pounce. Here, on this dismal dark planet, fear is everywhere. It skulks through the shadows, thriving when you let your guard down. We don't expect

to live past the first day here. Those who survived the crash will be casualties of the dangers that lurk in this strange world. We will end up victims to the abyss. But then, in the dark, there is a flash of light. Fire. And then they come for us. He comes for us. And though he lives amongst the fear-born to it-he is not afraid. He steals me from the abyss and claims me as his own. I am human, and this world craves my life. But he is ruthless and will not let it take me. Warning: This story ends in a cliffhanger. It is the beginning of a series with a slow-burn romance, dark themes, explicit language, sexual situations, and possible triggers. It is intended for audiences 18 years and older.

This is me Robbing the Bank is a compilation of short stories considered 'legal tales from the abyss'. It takes you into the world of a street lawyer armed with wit and little else. Attorney Mike Dunn, starting his legal career wanting to be a highly perfumed barrister. He quickly realized that he was more suited to be the vigorous defender of lost causes. With little more than a guilty client anticipating a miracle, he learned to waltz in and out of courtrooms throughout the Midwest, cleaning up self-imposed messes that quickly became his fault; depending on the outcome. Once there was a disgruntled husband who tried to hire a hit-man to kill his ex-wife, only to find out that there are no hit-men, only undercover cops. What else can you do while you are in prison for the attempt? Well, of course, hire a second one! He was certain that he would not hire a cop again. He was right. This time it turned out to be an FBI agent. Then there was the jealous girlfriend, who drove drunk to her boyfriend's house to catch him with another woman. She saw a car sitting right in front of his house and decided that the only thing she could do in that situation was to ram the car. So, she rammed, backed up and rammed and rammed and rammed. Turns out her boyfriend was alone. It was the neighbor's car.
