The highly acclaimed history of the architecture of the twentieth century and beyond - now in paperback Jean-Louis Cohen, one of the world's leading architectural historians, serves up a compelling account of the developments that have shaped the world in which we live today. This highly accessible book begins with the Paris Universal Exposition of 1889, tracing architecture's evolution to the early twenty-first century's globalized architectural culture. Illustrated with hundreds of drawings and photographs as well as portraits, publications, diagrams, film stills, and more, this survey places radical developments in architecture in a larger context, among those of art, technology, urbanism, and critical theory.

The perfect gift, and the easiest gift—because we all know someone who deserves a pat on the back, a big thumbs-up, or just a special thank-you! *You Are Doing a Freaking Great Job* is a vibrant, colorful, pocket-size book of encouragement. Created by more than 20 artists and designers—from the well-known Etsy favorites Emily McDowell and Mary Kate McDevitt, to emerging talents Lindsay Whitehead and J. Zachary Keenan—this powerful little book is filled with nearly 200 uplifting and inspiring quotes, lyrics, and words of advice rendered in the original hand-lettered style of art that is pinned and repinned on Pinterest and sold on Etsy. There are mantras: “You are in charge of your own happiness.” Galvanizing words of action: “Make it now.” Heartening quotes: “You are capable of more than you know.” Bursts of motivation: “Be a Warrior, Not a Worrier” and “Spread Your Arms and Trust Your Cape.” Interweaved throughout is complementary text—including surprising playlists, sweet and simple recipes, and suggestions for inspirational films to watch and commencement speeches to read.

A delicious and all new reimagining of Lauren Blakely's original fake fiancé romance! I don't mean to just blurt it out. "Why, yes I'm engaged!" But once I say it to a potential client, there's only one logical thing to do -- cast the role of my fake fiancé. Easy enough. As a casting director, my job is to find the most talented players for every part, so I choose dreamy, edgy, sexy, sarcastic Reeve. And I sign him up for one week in the role of mine. It's not as if I'll fall for him in five nights even if we get a little cozy one night at theater. It's not as if I'll want more even after a scorching afternoon in the stacks of the New York Public Library. I can't let myself fall because on Friday at midnight the curtain drops on our fake romance . . . The Pretending Plot is a reimagining of the 2013 story Pretending He's Mine (no longer available for sale). The Pretending Plot has been rewritten in first person and

expanded from a novella to novel length!

101 Sticky Note Surprises to Make Anyone Smile Sourcebooks

Web Technologies is specially designed as a textbook for undergraduate students of Computer Science & Engineering and Information Technology and postgraduate students of Computer Applications. The book seeks to provide a thorough understanding of fundamentals of Web Technologies. Divided into four sections, the book first introduces basic concepts such as Introduction to Web, HTTP, Java Network Programming, HTML, and Cascading Style Sheets (CSS). The following three sections describe various applications of web technologies, namely, XML, client-side scripting, and server-side scripting. The second section on XML Technologies focuses on concepts such as XML Namespace, DTD, and Schema, parsing in XML, concept of XPath, XML Transformation and other XML technologies. The third section dealing with client-side programming includes JavaScript and Applets and the last section introduces server-side programming including CGI, Servlets, JSP, and Introduction to J2EE. Presenting the concepts in comprehensive and lucid manner, the book includes numerous real-world examples and codes for better understanding of the subject. Moreover, the text is supported with illustrations, screenshots, review questions, and exercises._

The Middle Ages were a period of tremendous cultural and scientific advancement in the Islamic Empire—ideas and inventions that shaped our world. Did you know that: • The numbers you use every day (Arabic numerals!) are a Muslim invention? • The marching band you hear at football games has its roots in the Middle East? • You are drinking orange juice at breakfast today thanks to Islamic farming innovations? • The modern city's skyline was made possible by Islamic architecture? The Muslim world has often been a bridge between East and West, but many of Islam's crucial innovations are hidden within the folds of history. In this important book, Bryn Barnard uses short, engaging text and gorgeous full-color artwork to bring Islam's contributions gloriously to life. Chockful of information and pictures, and eminently browsable, *The Genius of Islam* is the definitive guide to a fascinating topic.

Unlimited Wealth Silver Rock Publishing

There has been much opinion and little fact written on the subject of lock picking. It is the purpose of this book to clarify the facts about this delicate process, and at the same time to train you in proper procedure. Reading this book is certainly enough to get you started picking simple locks, but remember: a great deal of time and patience are needed to become a truly proficient locksmith. In

this volume, you will learn the fundamental theories of lock picking in addition to proper terminology, the importance of tool design (i.e. how to select and use the right tool for a given job), the effects of tolerances, and finally the techniques most commonly used by locksmiths to successfully pick the vast majority of standard pin and wafer tumbler locks. Lock picking is a useful, engaging, and satisfying skill; with this book and a little determination, you'll be off to a great start. Alfred Music Publishing

More than he bargained for... Giancarlo Delucca has one aim—to go global. Even if it means marrying the O'Connor heiress to secure the contract. Keelin O'Connor wants a place on the board—and no part in this business "arrangement"! Gianni may have vowed to seduce his wayward bride, but Keelin is fighting him every step down the aisle. Happily-ever-after was never part of the bargain, but Gianni finds himself intrigued by Keelin's feisty defiance. And suddenly he's determined to turn the beautiful Irish redhead's "I don't" into an "I do"! Welcome to The Chatsfield, Rome!

Antenna Handbook HarperCollins UK

Based on successful methods used for years by a marriage counselor in his clinical practice, this book offers practical advice and effective techniques to get relationships back on track. "It is possible to heal your relationship without the help of your partner," says the author, and this book, illustrated with real life examples of the dynamic struggles and processes of relationship in crisis, shows how. The book, called "a breakthrough for couples in understanding the dynamics of power struggles in relationship," by psychotherapist Carolyn Bushong, teaches the reader how to shift interaction from a destructive to a healing mode, how to keep from being blamed by your partner, and how to prevent the frustrating cycle of pursuing and distancing that so many couples fall into. Included are detailed questionnaires and worksheets to help the reader understand relationship dynamics and identify the best healing strategies. DeLuca, a marriage counselor and family therapist, addresses the problem of noncooperation by one partner in a relationship and provides advice for overcoming obstacles by concentrating on the one partner who recognizes the problems and is motivated to conquer them. "How could I teach a couple to resolve their problems when one partner refused to acknowledge a problem existed -- let alone discuss it?" he asks. This work, the result of the author's 25 years experience in marriage and family counseling, answers that question. *The Future of Architecture Since 1889* Scholastic Inc.

A Sot Zen priest and Dharma successor of Kosho Uchiyama Roshi explores eight of Zen's most essential and universal liturgical texts and explains how the chants in these works support meditation and promote a life of freedom and compassion.

CIA Lock Picking Phaidon Press

This text series of Water and Wastewater Engineering have been written in a time of mounting urbanisation and industrialisation and resulting stress on water and wastewater systems. Clean and ample sources of water for municipal uses are becoming harder to find and more expensive to develop. The text is comprehensive and covers all aspects of water supply, water sources, water distribution, sanitary sewerage and urban stormwater drainage. This wide coverage is helpful to engineers in their every day practice.

The Airsoft Bible Oxford Paperbacks

The Pilgrim, first published in 1969, has been hailed as Indonesia's first real modern novel. The main characters are an artist and a cemetery overseer; the former represents emotion and the latter signifies reason and the conflicting aspects of human nature. Despite the characters' antagonistic nature and cruelty, they are—in some ways—very similar. Both represent forms of creativity, philosophy, and art. Both exist outside conventional society. Both are searching for genuine human values and are aware of their shortcomings. In *The Pilgrim*, the chaos of thought and feelings represents life in its chaotic randomness.

A handbook for outdoorsmen who want to learn from Native American traditions.

The Solo Partner Oxford University Press, USA

Once Upon a Time . . . Maria Martingale was going to elope. But Phillip Hawthorne, Marquess of Kayne, put a stop to those plans when he learned his younger brother intended to marry a cook's daughter. Now, twelve years later, Maria discovers that the man who holds her fate in his hands is none other than the haughty gentleman who sent her packing—and he's as handsome and arrogant as ever. Happily Ever After? Always the proper gentleman, Phillip will do anything to protect his family from scandal, and when Maria dares to move in right next door, he knows scandal will surely follow. She is as tempting as he remembered . . . and the more he sees her, the harder it is for Phillip to keep his own secret desire for her a secret . . .
