Ellen Gould White was a prolific author and an American Christian pioneer. She, along with other Sabbatarian Adventist leaders, formed what is now known as the Seventh-day Adventist Church. White was considered a somewhat controversial figure. Her reports of visionary experiences and use of other sources in her writings comprise much of the controversy. Her writings covered creationism, agriculture, theology, evangelism, Christian lifestyle, education and health. During her lifetime she wrote more than 5,000 periodical articles and 40 books. Some of her most famous books include *The Desire of Ages*, *The Great Controversy* and *Steps to Christ*. This work, originally published in 1888, on the great controversy between Jesus and Satan.

 This edition of *The Great Controversy* - Ellen White's history of Christianity - is unabridged with all forty-two chapters, the appendix, and the original notes included. Throughout her detailed and lengthy treatise, White focuses upon the conflict between Jesus Christ and Satan across various periods of Christian history. Beginning with the Destruction of Jerusalem in 70 AD, we advance chronologically through the early Christian persecutions, to the Renaissance-era Reformations of Europe, and to the spread of Christian beliefs around the world and particularly to America. In this text, White presents Christian history and events as signifying the cosmic battle of duality between Jesus Christ and Satan. The various incidents described are, according to White, manifestations of this battle on Earth. Key players such as the Papacy, together with various saints and prophets are also described as influential upon the ongoing battle. We are also told that the future holds further conflict, and that eventually - with faith and belief sustained by adherents - Satan will be driven out for good. It is through this process that the world will become again the exclusive province of God, with the Earthly lives of mankind characterised by greater harmony and peace thereafter. Ellen G. White was one of the foremost early leaders within the Seventh-Day Adventist church. It is her doctrine - inspired by many visions she had, corresponding with her intensive study of many Christian scriptures and texts - which

holds prominent place in Adventist theology to this day. Of the twenty-eight fundamentals belonging to this denomination, this book represents the eighth: That Jesus Christ arose literally and bodily from the grave.

 The Protestant Reformers loved their church, but they loved God's Word even more. "The Bible and the Bible only as the rule of law and practice" was their motto. Martin Luther, John Calvin, William Tyndale, and others pointed people to the Bible, not the church, as the supreme source of truth. Their convictions brought them into heated controversy with the religious establishment of their day. But their passion for the truths of Scripture led them to stand firm for their convictions despite intense persecution and even death. Five hundred years later, have we forgotten the principles for which these courageous Christians struggled and sacrificed? In too many churches, members rest their faith on a preacher or a creed rather than on the Holy Scriptures. Most people today are no more eager to follow an unpopular truth than were the church leaders of the sixteenth century...The experience of the Reformers contains vital lessons for our time. If you've forgotten that history - or perhaps you've never heard it - you need to read this book..." from the back cover.

 The Great Controversy is a work by Ellen G. White, a founder of the Seventh-day Adventist Church, considered a prophetess or messenger of God among Seventh-day Adventist members. The book tells about the ever-persistent controversy between the good and the bad, represented by the opposition of Christ and Satan and the forces of angels that accompany them.

*Early Writings of Mrs White* Createspace Independent Publishing Platform

Before the entrance of sin, Adam enjoyed open communion with his Maker; but since man separated himself from God by transgression, the human race has been cut off from this high privilege. By the plan of redemption, however, a way has been opened whereby the inhabitants of the earth may still have connection with heaven. God has communicated with men by His Spirit, and divine light has been imparted to the world by revelations to His chosen servants. "Holy men of God spake as they were moved by the Holy Ghost." 2 Peter 1:21. During the first twenty-five hundred years of human history, there was no written revelation. Those who had been taught of God, communicated their knowledge to others, and it was handed down from father to son, through successive generations. The preparation of the written word began in the time of Moses. Inspired revelations were then embodied in an inspired book. This work continued during the long period of sixteen hundred years,—from Moses, the historian of creation and the law, to John, the recorder of the most sublime truths of the gospel. The Bible points to God as its author; yet it was written by human hands; and in the varied style of its different books it presents the characteristics of the several writers. The truths revealed are all "given by inspiration of God" (2 Tim. 3:16); yet they are expressed in the words of men. The Infinite One by His Holy Spirit has shed light into the minds and hearts of His servants. He has given dreams and visions, symbols and figures; and those to whom the truth was thus revealed, have themselves embodied the thought in human language. The ten commandments were spoken by God Himself, and were written by His own hand. They are of divine, and not of human composition. But the Bible, with its God-given truths expressed in the language of men, presents a union of the divine and the human. Such a union existed in the nature of Christ, who was the Son of God and the Son of man. Thus it is true of the Bible, as it was of Christ, that "the Word was made flesh, and dwelt among us." John 1:14. Written in different ages, by men who differed widely in rank and occupation, and in mental and spiritual endowments, the books of the Bible present a wide contrast in style, as well as a diversity in the nature of the subjects unfolded. Different forms of expression are employed by different writers; often the same truth is more strikingly presented by one than by another. And as several writers present a subject under varied aspects and relations, there may appear, to the superficial, careless, or prejudiced reader, to be discrepancy or contradiction, where the thoughtful, reverent student, with clearer insight, discerns the underlying harmony. As presented through different individuals, the truth is brought out in its varied aspects. One writer is more strongly impressed with one

phase of the subject; he grasps those points that harmonize with his experience or with his power of perception and appreciation; another seizes upon a different phase; and each, under the guidance of the Holy Spirit, presents what is most forcibly impressed upon his own mind—a different aspect of the truth in each, but a perfect harmony through all. And the truths thus revealed unite to form a perfect whole, adapted to meet the wants of men in all the circumstances and experiences of life. God has been pleased to communicate His truth to the world by human agencies, and He Himself, by His Holy Spirit, qualified men and enabled them to do this work. He guided the mind in the selection of what to speak and what to write. The treasure was intrusted to earthen vessels, yet it is, none the less, from Heaven. The testimony is conveyed through the imperfect expression of human language, yet it is the testimony of God; and the obedient, believing child of God beholds in it the glory of a divine power, full of grace and truth.

This writing is the result of the research by two men, Clarence C. Crisler, secretary to Ellen G. White, and Harry Harvey Hall, manager of the Book Department at Pacific Press. Their work was presented to Mrs. White for approval and translated into Spanish by Pr. Eduardo Forga from Peru. The work of brothers Crisler and Hall that, with Mrs. White's permission, became part of *The Great Controversy* in Spanish, is titled *El Despertar de España* (The Awakening of Spain). Unfortunately, the English original of their work has since been lost. Nonetheless, its reading in Spanish left such an impact in me when I first read *The Great Controversy*, that I am compelled to share it and have translated it into English. As you read in this book the fine and dedicated research authored by brothers Crisler and Hall, it is my prayer, as expressed in tracts from the Reformation, that faith elevates you to God, and love causes you to reach down to humanity, while still abiding always with God.

2011 Reprint of 1858 Edition. Full facsimile of the original edition, not reproduced with Optical Recognition Software. In Seventh-day Adventist theology the "Great Controversy" theme refers to the cosmic battle between Jesus Christ and Satan, and also played out on earth. The concept is derived from many visions White claimed to have received, scriptural references, and is delineated in the book "The Great Controversy," first published in 1858, by Ellen G. White, a co-founder of the Seventh-day Adventist Church. The concept is important in Adventist theology because it provides an understanding of the origin of evil, and of the eventual destruction of evil and the restoration of God's original purpose for this world. It constitutes belief number 8 of the church's 28 Fundamentals. Specifically, the belief holds that all humanity is now involved in a great controversy between Christ and Satan regarding the character of God, His law, and His sovereignty over the universe. This conflict originated in heaven when a created being, endowed with freedom of choice, in self-exaltation became Satan, God's adversary. He led into rebellion a portion of the angels. He introduced the spirit of rebellion into this world when he led Adam and Eve into sin. This human sin resulted in the distortion of the image of God in humanity, the disordering

of the created world, and its eventual devastation at the time of the worldwide flood. Observed by the whole creation, this world became the arena of the universal conflict, out of which the God of love will ultimately be vindicated. To assist His people in this controversy, Christ sends the Holy Spirit and the loyal angels to guide, protect, and sustain them in the way of salvation.

Since the beginning of the world's history, there have been two supernatural powers contending for supremacy of the world: the one seeking to establish a kingdom built on laws of love and truth; the other, on the laws of selfishness and deception. This warfare, involving the entire universe, touches every life. In fact, this earth has become the final battleground where the powers of evil and the powers of good have met to demonstrate, before humanity and the unseen intelligence of other worlds, whose right it is to rule the expanse of creation. These two contending powers are Christ and Satan; and the great and final battle, the battle to end all battles, is right now being fought before our very eyes. The Great Controversy unveils these two forces at work in human history and in the events that are soon to change the course of this world forever. The Bible Made Plain is a verse-by-verse study of nineteen of the most important subjects of Scripture, highlighting the truths of the greatest consequence of all living in these last days before Christ returns as King of kings and Lord of lords, the rightful ruler of earth and heaven.

The Great Controversy is a book by Ellen G. White, one of the founders of the Seventh-day Adventist Church, and held in esteem as a prophetess or messenger of God among Seventh-day Adventist members. In it, White describes the "Great Controversy theme" between Jesus Christ and Satan, as played out over the millennia from its start in heaven, to its final end when the remnant who are faithful to God will be taken to heaven at the Second Advent of Christ, and the world is destroyed and recreated. Regarding the reason for writing the book, the author reported, "In this vision at Lovett's Grove (in 1858), most of the matter of the Great Controversy which I had seen ten years before, was repeated, and I was shown that I must write it out." The theme of the original small book, whose focus was on showing how God had led them up to and through the 1844 movement, and preparing them for the End Times, by describing the events that will occur in the Christian churches and in the world before Jesus returns, was expanded first to a four-volume set of books (1870-1884) (see table below), and then to a separate volume in 1888. The current, 1911 edition is also one of the five-volume Conflict of the Ages set. The 1884, 1888, and 1911 books incorporate historical data from other authors. The author herself valued this book "above silver or gold", and recommended it to be circulated to all.

*Thoughts from the Mount of Blessing* Legare Street Press

Ground-breaking book that has shaken the foundations of the Seventh-day Adventist Church. "Ellen Gould White in the mid 1800s began a career that led to her becoming the acknowledged "personage" of the Seventh-day Adventist Church. A century and a quarter afterward, in the mid-1970s, one of her longtime devotees began to disclose evidence from his research that raised sobering questions as to the official church position on Ellen White.... This book grew out of the author's own quest for answers to compelling questions concerning this woman.... The White Lie reveals a portion of Walter Rea's evidence that much of what several generations have been taught concerning Ellen White's writings simply is not true -- or at the minimum, it is enormously overstated. The books of numerous writers of her time, and earlier, are known to have been accessible to her. The large number of them that were in personal collection at her death in 1915 were inventoried and have been available to the White Estate staff.

She is held in high esteem as a prophetess of God to millions of Seventh-day Adventists. According to their books and research, she passes every test of a Biblical prophet. However, not all the information is being shared. This book will reveal 200 amazing and shocking things that Ellen G. White said that the SDA Church doesn't want you to know about. This book was written to expose sincere Bible loving Adventists to a side of Mrs. White that they have never seen before. It is my hope that this book will be the truth that sets them free and causes the powers that be in the SDA church to make the Bible, and only the Bible, their source of all authority.
