Discover the wonder of a life with God you can't contain. The pages of scripture are full of ordinary people who walked with God as he poured himself out through them to a world in need. What if God never changed? What if he is still speaking to us and longing to work miraculously

through us? What if it isn't a matter of more training or effort but simply receiving and releasing everything he already purchased? "Life in the Overflow" invites you to know God intimately as your Daddy in a way that spills out of you naturally. Filled with disarming honesty and fervent expectation, this book mirrors a reflection of who you are, who your God is and what he actually longs to do through "ordinary, messy kids" today!

Bernadette and Norman Smith have just celebrated their fiftieth wedding anniversary. After all these years, they are still romantic and in love. They have four children who all have children of their own. The children live in nearby Los Angeles not far from the retirement park where Bernadette and Norman are living. Of all the grandchildren she has, Bernadette has a favorite, Eddie. She and Eddie, who is a teenager when the book begins, have many interests in common. They love books, history and language. And Eddie likes to help Bernadette do small things like show her how to use an iPod. When setting up her computer he scatters his

back pack belongings all over the sofa in the study. He hurriedly grabs them up when his dad says it is time to go. Bernadette thinks that the study could use a little change of décor. As she slides the sofa away from the wall she discovers a book wedged in between the wall and the sofa. The book is *Infinite Jest* by David Foster Wallace. On the inside cover someone has written "Eddie's Bible". Bernadette believes that Eddie has left her this treasure -- a modern translation of the Bible specifically for young people. And she begins to read it. She doesn't tell anyone about the book, but it starts to influence her decisions and beliefs. As she is beginning her senescence, her mind is aging, too, and logic is fleeing. She, in fact, is showing senility. How will the book influence her decisions about her children and grandchildren? How will it change how she copes and how she feels as old age begins to take its toll on both she and Norman. When their children have problems in their marriages and her grandchildren become unapproachable and her husband's health as well as her own begins to fail, how will "Eddie's Bible" help her, or will it at all? There are no

quotes or references to Wallace's book in this novel. The novel is not based on any of his work or on any work about him. And could there be a more odd selection of novels to even refer to in this more delicate story? Perhaps you will find out why I chose that book as you read.

Addresses Henry Holt & Company Learning country flags is an effective introduction to children's geography. Coloring flags is a fun but highly precise activity that will get your child learning about colors, tracing shapes and all the while, getting more curious about the country too! Unlike other coloring activities, this one requires accuracy so you will be able to gauge your child's level of attention and memory. Buy a copy today!

Stir Up the Gift Within William Morrow & Company

As Ruben Wells kneels with a gun pointed at his head all he can do is reflect on the life he spoiled. What has led him here? Was it his willingness to always try to do the right thing that has him staring at the barrel of a gun? Or was that he was too much of a people pleaser having a hard time saying no that has led to him begging for his life? Every thing begins and ends with a choice. The moment a choice is made it only takes a second for a life to change. Ruben made a choice to initiate a relationship with the alluring Bianca Jones. She makes heads turn and every man's dream. She is beautiful as a gazelle, but as dangerous as a lioness, as she's unavailable due to being unhappily married with children. Being married

doesn't keep her from wanting to pursue Ruben as well as being pursued by him. Getting involved with Bianca changes Ruben's life in ways he never could have imagined. Choices are a gift constantly given to everyone. The choices made lead to different paths. We all have to choose this day what we're going to do with our own lives not knowing what the end result will be. What kind of impact will Ruben's choices have on his life?

After telling a lie that caused the death of her boyfriend, Nevada is forced to live with a guilty conscience. While suffering in silence, her heart is slowly shattering, causing her to feel empty inside. She's almost positive that she will never find love again, until the infamous Quavo Wallace enters her life by surprise. Nevada is hesitant to trust him with her heart, but before she knows it, she finds herself deep in love again. Quavo is everything she's ever desired, but when a heartbreaking secret is revealed, Nevada is not sure how to deal with her pain. While folding under pressure, she makes a decision that is sure to come back and bite her in the ass. Quavo is one of the most handsome, charming, and wealthiest thugs around. Women throw themselves at him daily, but his heart belongs to Nevada. He's willing to go above and beyond for her happiness, but when he discovers that she betrayed him, his heart turns cold. He retaliates by making a move that sends Nevada into a deep depression. As their relationship crumbles, Nevada realizes that Quavo is her soul mate, and she's willing to fight for his love. But when she crosses paths with someone from his past, the pain in her

heart returns, causing her to do the unthinkable. What was once a beautiful love affair quickly turns into a deadly dose of heartbreak.
