How can small changes... in your sales letters, emails and webpages put your visitors and readers into hypnotic trances so they whip out their credit cards and buy like piranhas on a feeding frenzy? How can these hypnotic trances... allow them to put their "iron wall sales guard" down and actually read what you are saying? How can you then use this moment... ..to make more people buy your product, sign up to your newsletter and click through in your emails -- in essence get more people to take action now? Hypnotic Selling Secrets, a straightforward book on the basic principles of persuasive writing for the purpose of selling, was written by Joe Vitale, a first-rate copywriter who fell into the business because he wanted to share his excitement for products that he loved. Here, he will show you that this is what marketing really is. Forget all about copywriting, forget all about marketing. Start sharing your excitement for your mission, share what you're excited about. Why are you excited about it? Who is it for? Share with that target audience, your enthusiasm, that's when the sales take place. Others will say that it was smart marketing, but you'll know, you were just sharing something you love, sharing your real excitement in your own natural voice. People are going to buy that. You will learn: To strip away everything

you've learned about grammar and punctuation which stop natural communication and creativity. Vitale's 21 point checklist for reviewing copy

How to Attain Your Desires Gildan Media LLC aka G&D Media
What if I told you that complete acceptance of our identity is fundamental to our way of life, since every interaction emerges from our authentic self? The number one problem nowadays is the fact we have lost contact with our true identity. We subscribe to ideologies and beliefs regarding who we should be because we want to be accepted. This comes at a cost to our self-worth, since we give up an aspect of ourselves and lose our authenticity. Are you tired of not having your personal needs met? Do you want to live a better life but don't know how? My book will help you reconnect you with the core of your essential self. It is a move away from whom you should be, which is adopted by popular culture. My book invites you to reconnect with the deepest part of your being, which knows who you are and how you should live. * You have more power than you realise. * More genius than you can imagine. * More wisdom and knowledge than you can ever access. * When you let go of the false belief that you are lacking or inadequate, in that moment, you arouse your potential. This is not a patronising statement to seduce you into a false belief. You have unlimited power, and accessing that power is the basis of my

book 'Awaken Your Authentic Self.' My name is Tony Fahkry. I am a three-time author, expert speaker and life coach for over 15 years. I believe everyone has great potential within them. It is a matter of awakening it to reach your most efficient level. By focusing on what is meaningful to you, my book will bring value to your life by helping you think clearly and make decisions in alignment with who you are. My book will help you discover your genius, talents and gifts and awakening your highest potential. If you are ready to break free from your limited beliefs, thoughts, and ideas of the world, I invite you to purchase your copy of 'Awaken Your Authentic Self' today, so you can experience the results I speak of. Unless you challenge the status quo, you will remain one of the masses. One has only to look to mainstream culture to see the effects the media and marketing hype have on our society. Don't become of the masses. You have so much potential within you waiting to come alive. Believe that you are worthy and capable of great things and it will become your reality. Awaken Your Authentic Self is endorsed by the international acclaimed spiritual author and silver prize winner of the Nautilus award, Dennis Merritt Jones, who wrote the foreword.
