Wilhelm Nero Pilate Barbellion was the nom-de-plume of Bruce Frederick Cummings (7 September 1889 - 22 October 1919), an English diarist who was responsible for *The Journal of a Disappointed Man*. Ronald Blythe called it "among the most moving diaries ever created." *Odin's Library Classics* is dedicated to bringing the world the best of humankind's literature from throughout the ages. Carefully selected, each work is unabridged from classic works of fiction, nonfiction, poetry, or drama.

Belzhar Crossway

Using words, drawing, collage, and observation-based list-making, award-winning author Emily K. Neuburger highlights the many paths into journaling. Her 60 interactive writing prompts and art how-tos help you to expand your imagination and stimulate your creativity. Every spread invites a new approach to filling a page, from making a visual map of a day-in-my-life to turning random splotches into quirky characters for a playful story. It's the perfect companion to all those blank books and an ideal launchpad to explore creative self-expression and develop an imaginative voice — for anyone ages 10 to 100! Discrimination by Design is a fascinating account of the complex social processes and power struggles involved in building and controlling space. Leslie Kanes Weisman offers a new framework for understanding the spatial dimensions of gender and race as well as class. She traces the social and architectural histories of the skyscraper, maternity hospital, department store, shopping mall, nuclear family dream house, and public housing high rise. Her vivid prose is based on exhaustive research and documents how each setting, along with public parks and streets, embodies and transmits the privileges and penalties of social caste. In presenting feminist themes from a spatial perspective, Weisman raises many new and important questions. When do women feel unsafe in cities, and why? Why do so many homeless people prefer to sleep on the streets rather than in city-run shelters? Why does the current housing crisis pose a greater threat to women than to men? How would dwellings, communities, and public buildings look if they were designed to foster relationships of equality and environmental wholeness? And how can we begin to imagine such a radically different landscape? In exploring the answers, the author introduces us to the people, policies, architectural innovations, and ideologies working today to shape a future in which all people matter. Richly illustrated with photographs and drawings, *Discrimination by Design* is an invaluable and pioneering contribution to our understanding of the issues of our time--health care for the elderly and people with AIDS, homelessness, racial justice, changing conditions of work and family life, affordable housing, militarism, energy conservation, and the preservation of the environment. This thoroughly readable book provides practical guidance to policymakers, architects, planners, and housing activists. It should be read by all who are interested in understanding how the built environment shapes the experiences of their daily lives and the cultural assumptions in which they are immersed.

Zane Grey Penguin

A young woman accidentally turns in a private story from her journal instead of an English assignment and becomes a best-selling author almost overnight.

A Memory of Light Createspace Independent Publishing Platform

This fascinating study in the sociology of science explores the way scientists conduct, and draw conclusions from, their experiments. The book is organized around three case studies: replication of

the TEA-laser, detecting gravitational rotation, and some experiments in the paranormal. "In his superb book, Collins shows why the quest for certainty is disappointed. He shows that standards of replication are, of course, social, and that there is consequently no outside standard, no Archimedean point beyond society from which we can lever the intellects of our fellows."—Donald M. McCloskey, *Journal of Economic Psychology* "Collins is one of the genuine innovators of the sociology of scientific knowledge. . . . Changing Order is a rich and entertaining book."—Isis "The book gives a vivid sense of the contingent nature of research and is generally a good read."—Augustine Brannigan, *Nature* "This provocative book is a review of [Collins's] work, and an attempt to explain how scientists fit experimental results into pictures of the world. . . . A promising start for new explorations of our image of science, too often presented as infallibly authoritative."—Jon Turney, *New Scientist*

The Mighty Miss Malone Vintage Canada

The Wheel of Time is now an original series on Prime Video, starring Rosamund Pike as Moiraine! With Robert Jordan's untimely passing in 2007, Brandon Sanderson, the New York Times bestselling author of the Mistborn novels and the Stormlight Archive, was chosen by Jordan's editor—his wife, Harriet McDougal—to complete the final volume in *The Wheel of Time*®, later expanded to three books. In *A Memory of Light*, the fourteenth and concluding novel in Jordan's #1 New York Times bestselling epic fantasy series, the armies of Light gather to fight in Tarmon Gai'don, the Last Battle, to save the Westland nations from the shadow forces of the Dark One. Rand al'Thor, the Dragon Reborn, is ready to fulfill his destiny. To defeat the enemy that threatens them all, he must convince his reluctant allies that his plan—as foolhardy and dangerous as it appears—is their only chance to stop the Dark One's ascension and secure a lasting peace. But if Rand's course of action fails, the world will be engulfed in shadow. Across the land, Mat, Perrin, and Egwene engage in battle with Shadowspawn, Trollocs, Darkfriends, and other creatures of the Blight. Sacrifices are made, lives are lost, but victory is unassured. For when Rand confronts the Dark One in Shayol Ghul, he is bombarded with conflicting visions of the future that reveal there is more at stake for humanity than winning the war. Since its debut in 1990, *The Wheel of Time*® by Robert Jordan has captivated millions of readers around the globe with its scope, originality, and compelling characters. The last six books in series were all instant #1 New York Times bestsellers, and *The Eye of the World* was named one of America's best-loved novels by PBS's *The Great American Read*. *The Wheel of Time*® New Spring: The Novel #1 *The Eye of the World* #2 *The Great Hunt* #3 *The Dragon Reborn* #4 *The Shadow Rising* #5 *The Fires of Heaven* #6 *Lord of Chaos* #7 *A Crown of Swords* #8 *The Path of Daggers* #9 *Winter's Heart* #10 *Crossroads of Twilight* #11 *Knife of Dreams* By Robert Jordan and Brandon Sanderson #12 *The Gathering Storm* #13 *Towers of Midnight* #14 *A Memory of Light* By Robert Jordan and Teresa Patterson *The World of Robert Jordan's The Wheel of Time* By Robert Jordan, Harriet McDougal, Alan Romanczuk, and Maria Simons *The Wheel of Time Companion* By Robert Jordan and Amy Romanczuk *Patterns of the Wheel: Coloring Art Based on Robert Jordan's The Wheel of Time* At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Journal Sparks Macmillan

Written between August and December 1938, this poem is a record of MacNeice's emotional and intellectual experience during those months. The trivia of everyday living is set against events in the world outside - the settlement in Munich and slow defeat in Spain.

"Disappointed, But Not Surprised" Has Been My Biggest Mood This Year Simon and Schuster
 An inside look at the politics of book reviewing, from the assignment and writing of reviews to why critics think we should listen to what they have to say Taking readers behind the scenes in the world of fiction reviewing, *Inside the Critics' Circle* explores the ways critics evaluate books despite the inherent subjectivity involved and the uncertainties of reviewing when seemingly anyone can be a

reviewer. Drawing on interviews with critics from such venues as the New York Times, Los Angeles Times, and Washington Post, Phillipa Chong delves into the complexities of the review-writing process, including the considerations, values, and cultural and personal anxieties that shape what critics do. Chong explores how critics are paired with review assignments, why they accept these time-consuming projects, how they view their own qualifications for reviewing certain books, and the criteria they employ when making literary judgments. She discovers that while their readers are of concern to reviewers, they are especially worried about authors on the receiving end of reviews. As these are most likely peers who will be returning similar favors in the future, critics' fears and frustrations factor into their willingness or reluctance to write negative reviews. At a time when traditional review opportunities are dwindling while other forms of reviewing thrive, book reviewing as a professional practice is being brought into question. *Inside the Critics' Circle* offers readers a revealing look into critics' responses to these massive transitions and how, through their efforts, literary values get made.

Autumn Journal Harper Collins

Jam Gallahue, fifteen, unable to cope with the loss of her boyfriend Reeve, is sent to a therapeutic boarding school in Vermont, where a journal-writing assignment for an exclusive, mysterious English class transports her to the magical realm of Belzhar, where she and Reeve can be together.

Critical Play Yearling

Whose truth is the lie? Stay up all night reading the sensational psychological thriller that has readers obsessed, from the #1 New York Times bestselling author of *Too Late* and *It Ends With Us*. #1 New York Times Bestseller · USA Today Bestseller · Globe and Mail Bestseller · Publishers Weekly Bestseller Lowen Ashleigh is a struggling writer on the brink of financial ruin when she accepts the job offer of a lifetime. Jeremy Crawford, husband of bestselling author Verity Crawford, has hired Lowen to complete the remaining books in a successful series his injured wife is unable to finish. Lowen arrives at the Crawford home, ready to sort through years of Verity's notes and outlines, hoping to find enough material to get her started. What Lowen doesn't expect to uncover in the chaotic office is an unfinished autobiography Verity never intended for anyone to read. Page after page of bone-chilling admissions, including Verity's recollection of the night her family was forever altered. Lowen decides to keep the manuscript hidden from Jeremy, knowing its contents could devastate the already grieving father. But as Lowen's feelings for Jeremy begin to intensify, she recognizes all the ways she could benefit if he were to read his wife's words. After all, no matter how devoted Jeremy is to his injured wife, a truth this horrifying would make it impossible for him to continue loving her.

What gives you joy? This beautiful journal from His Holiness the Dalai Lama and Archbishop Desmond Tutu gives you all the space you need to notice and record what gives you joy. Arranged as a 365-day companion, it prompts you with inspiring quotes from *The Book of Joy* to help transform their joy practices into an enduring way of life. It is the perfect companion for *The Book of Joy*'s many passionate readers as well as the perfect gift for anyone looking to live a more joyful. Share the joy!

The Diary of Mattie Spenser Princeton University Press

DIVA London Year is an anthology of short diary entries, one or more for each day of the year, which, taken together, provides an impressionistic portrait of life in the city from Tudor times to the twenty-first century. This ebook edition, with its own distinct cover, has been optimised for the digital reader. A hyperlinked contents page makes it easy for the reader to dip in and out of the book while each 'page' is dedicated to a separate day. To further improve formatting, the illustrations from the printed edition have been omitted. We promise this does not detract from the reading experience. This ebook serves as the perfect accompaniment to the print edition. There are more than two hundred featured writers, with a short biography for each. The most famous diarist of all - Samuel Pepys - is there, as well as some of today's finest diarists like Alan Bennett and Chris Mullin. There are coronations and executions, election riots and zeppelin raids, duels, dust-ups and drunken sprees, among everyday moments like Brian Eno cycling in Kilburn or George Eliot walking on Wimbledon Common. Vividly evoking moments in the lives of Londoners in the past, providing snapshots of the city's inhabitants at work, at play, in pursuit of money, sex, entertainment, pleasure and power, the ebook of *A London Year* is the perfect read for all who live in or love this eternal, ever-changing city./div

The Journal of a Disappointed Man Litres

Multiple Sclerosis: The History of a Disease won a 2005 ForeWord Book of the Year Silver Medal! The basic facts about multiple sclerosis are well known: it is the most common neurologic disease of young adults, usually beginning with episodic attacks of neurologic symptoms, then entering a progressive phase some years later. Its onset has an average age of 30, and occurs in about 1 in 500 individuals of European ancestry living primarily in temperate climates. There appears to be a complex interaction between a genetic predisposition and an environmental trigger that initiates the disease. But these facts do not convey the impact of the disease on the people whose lives it affects. In this elegantly written and comprehensive history, we meet individuals who suffered with MS in the centuries before the disease had a name, including blessed Lidwina of Holland, who took joy from her misery, believing that she was sent to accept suffering for the sins of others; Augustus d'Est, grandson of George III and cousin of Queen Victoria, whose case shows how someone with access to the best of medical care of the age was understood and managed; and Heinrich Heine, the great German poet, who also had access to all medical services that were available, but who progressed into his mattress grave in two decades, aware of the loss of physical ability while still able to compose great poetry to the end. From these early cases the author demonstrates how

progress in diagnosing and managing multiple sclerosis has paralleled the development of medical science, from the early developments in modern studies of anatomy and pathology, to the framing of the disease in the nineteenth century, and eventually to modern diagnosis and treatment. From beginning to end, Dr. Murray takes us on a fascinating journey of discovery, in the process showing how the evolution of our understanding of multiple sclerosis has been part of the greater history of medical knowledge.

Inside the Critics' Circle Penguin

A New York Times Bestseller A warm and hilarious memoir by a man diagnosed with Asperger syndrome who sets out to save his relationship. Five years after David Finch married Kristen, the love of his life, they learned that he has Asperger syndrome. The diagnosis explained David's ever-growing list of quirks and compulsions, but it didn't make him any easier to live with. Determined to change, David set out to understand Asperger syndrome and learn to be a better husband with an endearing zeal. His methods for improving his marriage involve excessive note-taking, performance reviews, and most of all, the *Journal of Best Practices*: a collection of hundreds of maxims and hard-won epiphanies, including "Don't change the radio station when she's singing along" and "Apologies do not count when you shout them." David transforms himself from the world's most trying husband to the husband who tries the hardest. He becomes the husband he'd always meant to be. Filled with humor and wisdom, *The Journal of Best Practices* is a candid story of ruthless self-improvement, a unique window into living with an autism spectrum condition, and proof that a true heart is the key to happy marriage.

The Journal of a Disappointed Man Penguin

The Journal of a Disappointed Man is the first volume of published journal entries by English naturalist and diarist Bruce Frederick Cummings, writing under the nom-de-plume W. N. P. Barbellion. Wilhelm Nero Pilate Barbellion was the nom-de-plume of Bruce Frederick Cummings, an English diarist who was responsible for *The Journal of a Disappointed Man*. Ronald Blythe called it "among the most moving diaries ever created".

Victory Hardpress Publishing

The New York Times bestselling author takes a riveting new direction with this richly textured, multi-layered novel of friendship, murder, revenge, and class conflict set in an upper-crust English school—as enthralling and haunting as Ian McKewan's *Atonement* and Patricia Highsmith's *The Talented Mr. Ripley*. Audere, agere, auferre. To dare, to strive, to conquer. For generations, elite young men have attended St. Oswald's School for Boys, groomed for success by the likes of Roy Straitley, the eccentric classics teacher who has been a revered fixture for more than 30 years. But this year, things are different. Suits, paperwork, and Information Technology rule the world, and Straitley is reluctantly contemplating retirement. He is joined in this, his 99th, term by five new faculty members, including one who—unknown to Straitley and everyone else—holds intimate and dangerous knowledge of St. Ozzie's ways and secrets, it's comforts and conceits. Harboring dark ties to the school's past, this young teacher has arrived with one terrible goal: Destroy St. Oswald's. As the new term gets underway, a number of incidents befall students and faculty alike. Beginning as small annoyances—a lost pen, a misplaced coffee mug—they soon escalate to the life threatening. With the school unraveling, only Straitley stands in the way of St. Ozzie's ruin. But the old man faces a formidable opponent—a master player with a strategy that has been meticulously planned to the final move. A harrowing tale of cat and mouse told in alternating voices, this riveting, hypnotically atmospheric novel showcases Joanne Harris's astonishing storytelling talent as never before.

Changing Order MIT Press

Zane Grey was a disappointed aspirant to major league baseball and an unhappy dentist when he belatedly decided to take up writing at the age of thirty. He went on to become the most successful American author of the 1920s, a significant figure in the early development of the film industry, and a central player in the early popularity of the Western. Thomas H. Pauly's work is the first full-length biography of Grey to appear in over thirty years. Using a hitherto unknown trove of letters and journals, including never-before-seen photographs of his adventures—both natural and amorous—Zane Grey has greatly enlarged and radically altered the current understanding of the superstar author, whose fifty-seven novels and one hundred and thirty movies heavily influenced the world's perception of the Old West.

Sometimes I Lie Macmillan

"Is God listening? "Can he be trusted?" In this book, Yancey tackles the questions caused by a God who doesn't always do what we think he's supposed to do.

The Book Club Journal Storey Publishing

An Oprah's Book Club Pick A #1 New York Times Bestseller A National Bestseller Beautifully written and elegantly paced, *The Story of Edgar Sawtelle* is a coming-of-age novel about the power of the land and the past to shape our lives. It is a riveting tale of retribution, inhabited by empathic animals, prophetic dreams, second sight, and vengeful ghosts. Born mute, Edgar Sawtelle feels separate from the people around him but is able to establish profound bonds with the animals who share his home and his name: his family raises a fictional breed of exceptionally perceptive and affable dogs. Soon after his father's sudden death, Edgar is stunned to learn that his mother has already moved on as his uncle Claude quickly becomes part of their lives. Reeling from the sudden changes to his quiet existence, Edgar flees into the forests surrounding his Wisconsin home accompanied by three dogs. Soon he is caught in a struggle for survival—the only thing that will prepare him for his return home.
