**Business Teacher** Cengage Learning  
 Discover the business law and legal environment book you'll actually enjoy reading. Time after time, readers like you have commented that this is the most interesting introduction to law they've ever read. Beatty/Samuels/Abril's BUSINESS LAW AND THE LEGAL ENVIRONMENT, STANDARD EDITION, 9E is packed with current examples and real scenarios that bring law to life, whether you are a business learner or practicing professional. This reader-friendly, thorough presentation uses conversational writing to explain complex topics in easy-to-understand language. The authors draw from their experience practicing law to offer real stories that illustrate how legal concepts apply to everyday business practice. This edition also emphasizes today's digital landscape with new information on privacy and intellectual property. An updated ethics chapter offers a practical approach, using the latest research to explain why people make unethical decisions. In addition, an in-depth discussion of executive compensation contrasts theory with everyday reality. Important

**Occupational Outlook Handbook** Blackstone Press

This book works great as supplemental material for any business law or employment law class. Learn more than your general text book has to offer on this subject. Score higher on the tests covering this subject matter. Find out how to protect yourself from liability for sexual harassment claims and what steps organizations as well as managers should take to prevent sexual harassment in the workplace. Here's what students are saying about the book: "It's short and concise nature allows one to read it in one sitting and understand everything for the prevention of sexual harassment." "I liked how the book presented scenarios and encouraged the reader to critically think about the best course of action." "Many of the issues discussed in the reading apply to all working people as well as the managerial staff the book targets."

**International Business Contracting** American Bar Association  
 Emphasis on how law applies in the context of business through comprehensive, yet concise coverage makes Kubasek's, Dynamic Business Law: The Essentials, a notable student-focused approach. Enhance student's critical thinking skills, spark

engagement, and focus on business relevance using assignable real-world simulations, an interactive reading experience, and auto graded analytical assets.

**The Student's Guide to Preventing Sexual Harassment in the Workplace** McGraw-Hill Education

Dynamic Business Law: The Essentials is appropriate for the one-semester Business Law course. It contains the basics of business law but does not get bogged down in the kind of details that are more appropriate in an upper-level law class. The text provides an examination of the basic questions, concepts, and legal rules of business law. Emphasis on the BUSINESS in business law.

Dynamic Business Law: The Essentials emphasizes the tie of legal issues back to the core business curriculum. This will help both students and faculty. Faculty need to know how this is integrated as they are constantly 'defending' the inclusion of this course in the business curriculum. And students need to understand how the concepts tie to their future business careers. Emphasis on TEACHING. Many professors teaching this course are attorneys first and academics second. They do not have a lot of time to prepare or think about how to apply this information effectively for their business students. Dynamic Business Law: The Essentials contains a helpful instructor's manual, particularly for the many adjuncts teaching this course. Emphasis on CRITICAL THINKING. Neil Browne, one of the co-authors of this text, has written a successful text on critical thinking. His framework is included in Dynamic Business Law: The Essentials as well - to help students learn how to frame and reframe a question/issue. Critical thinking questions are also included at the end of each case, to tie in this component even further.

**Understanding Business & Personal Law** Beth K Whittenbury  
Commonwealth Caribbean Business Law breaks away from the traditional English approach of treating business law primarily as the law of contract and agency. The book takes a panoramic view of the foundation of various legal systems with a subsequent examination of different areas of legal liability that may affect business activities. These areas include contract law, agency, tort law, criminal law, and internet law as significant challenges confronting the business sector. The book primarily targets the development of business law in several Caribbean

Commonwealth jurisdictions but also, where appropriate, embraces the jurisprudence of other Commonwealth nations such as the United Kingdom, Canada and Australia. With respect to internet law, the proliferation of judicial pronouncements emerging from the United States provided the platform for the only non-Commonwealth treatment of a topic. The approach of the book is to use excerpts from judgments so as to allow students, particularly the non-legal student, to understand legal principles as espoused by the judiciary without the filtering bias of authors.

Each chapter is divided into short, easy-to-handle lessons, setting a comfortable learning pace. With more than 1,000 cases, there's never a shortage of opportunities for case analysis and research. - Back cover.

*A Plain English Guide to Business Law in Ireland* R&L Education

The Model Rules of Professional Conduct provides an up-to-date resource for information on legal ethics. Federal, state and local courts in all jurisdictions look to the Rules for guidance in solving lawyer malpractice cases, disciplinary actions, disqualification issues, sanctions questions and much more. In this volume, black-letter Rules of Professional Conduct are followed by numbered Comments that explain each Rule's purpose and provide suggestions for its practical application. The Rules will help you identify proper conduct in a variety of given situations, review those instances where discretionary action is possible, and define the nature of the relationship between you and your clients, colleagues and the courts.

**International Business Law: Cases and Materials** Cengage Learning

This series covers the federal, state, and local regulations imposed on small businesses, with concise, friendly and up-to-the-minute advice on each critical step of starting your own business.

*Business Law* Van Rye Publishing, LLC

Business law Business law (or the law of business organisations) is the area of law concerning companies and other business organisations. This includes corporations, partnerships and other associations which usually carry on some form of economic or charitable activity. If you are a law student or you have, or are thinking about, setting up your own business, this textbook will provide you with an essential grounding in company structure and law within Ireland. The structure of business and the legal requirements for partners, directors, shareholders and company secretaries are crucial in order to ensure that companies stay within the law and avoid costly and potentially devastating leadership mistakes. Legal writing in plain English. Law books using plain English which is easy to understand using clear concise plain wording. Welcome to my series of law textbooks for beginners. Business law is a broad spectrum in Irish law, it utilises various legal principles and doctrines such as the law of Contract, the law of Tort, Company law, Consumer law, the law of Agency, Employment law, and of course, the fundamentals of the Irish

legal system. The Law of Contract Formation of a Contract Offer Distinction between Offer and Invitation to Treat Termination of an offer Acceptance The Postal Rule (for acceptance) Intention to Create Legal Relations (intention to be legally bound) Family, Domestic or Social Commercial Arrangements (courts held that an intention to create legal relations is implied) Consideration Unilateral Contracts Executed and executory consideration Doctrine of privity of contract Contents of a Contract Condition Warranty Express terms Implied Terms Matter of Fact Official Bystander Test Matter of Law Implied under Statute Terms implied by the Courts Implied by Custom The Parol Evidence Rule Innominate term Onus of proof Mistake Unilateral or bilateral mistake Common Mistake Section 7 of the Sale of Goods Act 1893 Mutual Mistake - Mutual misunderstanding Unilateral Mistake Mistaken Identity Damages Rectification Rescission Specific Performance Exemption Clauses The legal effects of exemption/limitation clauses Limitation Clause Exclusion Clauses Bars to exclusion/limitation clauses Misrepresentation Collateral Undertakings Unconscionable Bargain Contra Proferentem Vitiating factors, discharge and remedy Duress Threats Economic Duress Pressure Causation Remedies for Duress Bars to remedies Undue Influence Presumed Undue Influence Presumed on Relationship Special relationships Rebutting the presumption of Undue Influence Unconscionable Bargain Misrepresentation Reliance in fact Exceptions to silence Compensation Rescission Enforcement and Abatement Damages in Leiu Partial rescission Legislation Void Contracts Law of Tort Negligence Donoghue v Stevenson Duty of care Breach Causation Remoteness Reasonable Person Caparo Mitigate Losses Illegality Consent, volenti non fit injuria Contributory Negligence Standard of Care Law of Agency Ratification Estoppel Emergency/necessity Employment law Vicarious liability Unfair dismissal Wrongful Constructive Redundancy TUPE transfer of undertakings Consumer law Sale of goods and Supply of Services Consumer protection Act 2007 National Consumer Agency Company law Directors duties Auditors Board of directors Debentures Shares Company meetings LTDDACPLC Ultra vires Receivership Examinership Liquidation Incorporation Companies Act 2014

*Business Law and the Legal Environment* Carolina Academic Press LLC

Contains study guide problems and activity worksheets for each chapter. Problems include vocabulary, fill in the blank, true/false, multiple choice, and open-ended problem-solving questions. Worksheets are provided for real-world practice with financial forms and documents such as a resume, will, and loan application.

*Essentials of Business Law* Research & Education Assoc.

A less-expensive grayscale paperback version is available. Search for ISBN 9781680923018. *Business Law I Essentials* is a brief introductory textbook designed to meet the scope and sequence requirements of courses on Business Law or the Legal Environment of Business. The concepts are presented in a streamlined manner, and cover the key concepts necessary to establish a strong foundation in the subject. The textbook follows a traditional approach to the study of business law. Each chapter contains learning objectives, explanatory narrative and concepts, references for further reading, and end-of-chapter questions. *Business Law I Essentials* may need to be supplemented with additional content, cases, or related materials, and is offered as a foundational resource that focuses on the baseline concepts, issues, and approaches.

*Resources in Education* McGraw-Hill/Glencoe

Introduce students to the laws that affect their daily lives. New elements in every component!

**Student Activity Guide [for] Essentials of Business Law. Problems and Cases** Cengage Learning

"Legal strategies act as a springboard for businesses to gain competitive advantages, identify opportunities to reach goals, and create value in the firm. Business managers are increasingly tasked with understanding the basics of legal strategy and recognizing which strategies tie into their business needs and influence their decision making. Because today's students are tomorrow's business managers and owners, empowering them with knowledge of business law and the basics of legal strategy provides a strong foundation for their future success in the business world"--

*The Vocational-technical Library Collection* McGraw-Hill Education *Business Law* offers a basic explanation of the legal rights and responsibilities of people in both the public and private sectors. Co-authored by a practicing attorney and a college professor, the text features practical and up-to-date content written in clear, straightforward language. The authors avoid using court jargon and show rather than tell students about the law with in-text examples, current and interesting cases, and ethical dilemmas. In-text examples immediately illustrate and reinforce the concepts under review. At the end of each chapter, Cases for Review present mini-cases and prompt students to review the facts and make a judgment based on concepts learned in the chapter. Questions and Problems to Discuss test students' comprehension of key chapter topics. Designed specifically for use with the Seventh Edition, the technology program includes a range of instructor and student resources. New! The Seventh Edition features marginal terms and definitions. The glossary and the U. S. Constitution (formerly Appendix D) now appear on the Online Study Center (student web site) for easy access. New! Written by the authors, the online study guide is available at the Online Study Center via passkey access. This supplement features ACE practice tests, additional exercises, and case studies that allow students to review and integrate key marketing concepts. A clear, conversational style is employed throughout the text, with difficult terminology, sentence length, and chapter length carefully controlled to an appropriate reading level. Current examples and interesting case studies keep students engaged. Suppose You're the Judge cases present trial scenarios, arguments, and follow-up activities that ask students to hypothesize as to what the outcome would be if he or she were the judge. Each part contains an ethics case, which helps students apply their understanding of ethics as it relates to businesses and business arrangements.

*Glencoe Business and Personal Law, Student Edition* South-Western Pub

"Understanding Business & Personal Law" provides a thorough overview of the basics of law, including ethics and technology issues. Through journal activities, Internet research activities, and activities that encourage them to get involved in their communities, students get the hands-on practice they need to build a stronger understanding of chapter concepts.

**Understanding Business and Personal Law, Student Activity Guide** Routledge

While providing additional monies and educational opportunities for students, student activity funds can also create accounting and control nightmares for school business administrators. This book helps school business officials establish procedures for tracking and controlling student activity funds at the school and district levels. The book also provides an assessment framework for students, activity sponsors, or administrative staff who are

performing internal audits. Sample forms and worksheets in every chapter make this practical text a true 'how-to' guide.
