The Garden Party Read Books Ltd
 "Mansfield with Monsters is a collection of Mansfield's short stories that were uncovered by Dr Marcus Walker. These stories are as they were originally written - with vampires, aliens, and sea monsters - but never published. A brilliant introduction to Mansfield's work, ideal for those who might otherwise be reluctant to read her stories. Includes seventeen short stories, including 'The Daughters of the Lizard Colonel', 'Mrs Brill', and 'Her First Bite'. The Garden Party is threatened by hordes of giant insects, while Ma Parker's lot in life is improved through the labours of a mad scientist, and the woman at the store works her unholy magic ..." --Publisher.

 Fenella Crane struggles to keep up with her father and grandmother as they stride toward the Picton boat. Her neatly-rolled luggage is strapped to her back and she clutches her grandmother's umbrella closely to her. Her father looks tired and sad, she thinks, and as the second whistle blows, he removes his hat and takes his mother in his arms. Fenella wants to know how long she is going to stay with her grandparents on the South Island, and when her father presses a shilling on her, just in case, she has her answer: forever.  A revisionist study of Mansfield as a

profoundly colonial yet daringly experimental writer, at the forefront of modernism. The essays in this volume draw on the complete journals, letters and stories, to reveal Mansfield as a modernist who transcended her artistic influences through a supreme understanding of voice, being and subjectivity.

Miss Brill Melville House

A young Englishwoman embarks on a journey to the French front lines during the First World War in an effort to meet her lover, the "Little Corporal." Written in a modernist style that combines and explores several narratives and perspectives, "An Indiscreet Journey" is an engaging portrayal of life and relationships during wartime. It is one of the only stories written by Katherine Mansfield that was set during the war, and was purportedly based on a similar experience of Mansfield's while travelling to meet her French lover on the frontlines. Focusing on the unsolved murder of teenage girl, this literary novel offers insights into gender, class and privilege in Seoul, and marks the English-language debut for award-winning Korean author, Kwon Yeo-sun.

Behind the Scenes Edinburgh University Press

'Although Bertha Young was thirty she still had moments like this when she wanted to run instead of walk, to take dancing steps on and off the pavement, to bowl a hoop, to throw something up in

the air and catch it again, or to stand still and laugh at - nothing - at nothing, simply.' Katherine Mansfield's perceptive and resonant writing helped to define the modern short story, observing apparently trivial incidents to create quietly devastating revelations of inner lives. In these three tales, aglow with light and colour, Mansfield describes an exultant epiphany, fading memories and the unspoken, half-understood emotions that make up everyday existence. This book includes Bliss, The Daughters of the Late Colonel and The Doll's House.

Katherine Mansfield's Fiction

Lindhardt og Ringhof

'And again, as always, he had the feeling he was holding something that never was quite his - his. Something too delicate, too precious, that would fly away once he let go.' Three sharp and powerful short stories from Katherine Mansfield, one of the genre's all-time masters. Introducing Little Black Classics: 80 books for Penguin's 80th birthday. Little Black Classics celebrate the huge range and diversity of Penguin Classics, with books from around the world and across many centuries. They take us from a balloon ride over Victorian London to a garden of blossom in Japan, from Tierra del Fuego to 16th-century California and the Russian steppe. Here are stories lyrical and savage; poems epic and intimate; essays satirical and inspirational; and ideas that have shaped the lives of millions.

Katherine Mansfield (1888-1923).

Or, Thirty Years a Slave and Four Years in the White House Peter Lang
Through her formally innovative and psychologically insightful short stories, Katherine Mansfield is increasingly recognised as one of the central figures in early 20th-century modernism. Bringing together leading and emerging scholars and covering her complete body of work, this is the most comprehensive volume to Mansfield scholarship available today. The Bloomsbury Handbook to Katherine Mansfield covers the full range of contemporary scholarly themes and approaches to the author's work, including: · New biographical insights, including into the early New Zealand years · Responses to the historical crises: the Great War, empire and orientalism · Mansfield's fiction, poetry, criticism and private writing · Mansfield and modernist culture – from Bloomsbury to the little magazines · Mansfield and her contemporaries – Woolf, Lawrence and von Arnim · Mansfield and the arts – visual culture, cinema and music The book also includes a substantial annotated bibliography of key works of Mansfield

scholarship from the last 30 years.

The growing interest among language teachers in corpora, concordances, lexical approaches, and task-based learning makes the publication of *Concordances in the Classroom* a timely event. Many teachers are just beginning to explore the rich possibilities of using concordance data to improve their teaching and to extend the range of materials available to language students. It is apparent to many that the use of computers and text corpora offers interesting possibilities, but the question most often posed is: How can I make use of these tools in the classroom?

Focussing on classroom practice rather than theory, Chris Tribble and Glyn Jones provide extensive, well-written answers to this question. *Concordances in the Classroom* includes a wide range of classroom-tested examples of concordance use covering: grammar, vocabulary, literature, and English for Special Purposes.

"There was not an inch of room for Lottie and Kezia in the buggy. When Pat swung them on top of the luggage they wobbled; the grandmother's lap was full and Linda Burnell could not possibly have held a lump of a child on hers for any distance." The seemingly perfect Burnell family is moving from one house to another, and on the surface, everything appears idyllic. But as the story develops, the tension grows, threatening to explode and expose their true nature. 'Prelude' (1922) is evidence of Katherine Mansfield's short fiction genius, and it was the first short story that Virginia Wolf commissioned for her publishing house. Katherine Mansfield (1888-1923) was short story writer and

poet from New Zealand, who settled in England at the age of 19. Virginia Woolf and D.H. Lawrence were among her literary friends and admirers. She died of tuberculosis at the age of 34.

Stories Edinburgh University Press Examines Katherine Mansfield's engagement with the First World War and its impact on her writings This special issue of *Katherine Mansfield Studies* is in remembrance of the centenary of one of the most significant events of the modernist period. Like the reclamation of women's war writings that we have already seen in relation to Virginia Woolf and others, Mansfield's literary response to the key political event of her time is fundamental to our understanding of her developing writerly style. It is in her responses to the war that we find a 'political Mansfield', and the articles in this volume provide us with a greater appreciation of Mansfield in her socio-historical context. In offering new readings of Mansfield's explicit and implicit war stories, the contributions to this volume refine and extend our knowledge of particular stories and their genealogy. They illuminate the specific and more general influences of the war on Mansfield's evolving technique and, jointly, they reveal the importance of the war on her literary language, as well as for her own particular brand of modernism. This volume helps develop our ideas of what constitute war writings and, in so doing, expands the scope of Mansfield scholarship and the field of

First World War studies.

Bliss Harper Collins

Although Katherine Mansfield was closely associated with D.H. Lawrence and something of a rival of Virginia Woolf, her stories suggest someone writing in a different era and in a vastly different English. Her language is as transparent as clean glass, yet hovers on the edge of poetry. Her characters are passionate men and women swaddled in English reserve -- and sometimes briefly breaking through. And her genius is to pinpoint those unacknowledged and almost imperceptible moments in which those people's relationships -- with one another and themselves -- change forever. This collection includes such masterpieces as "Prelude," "At the Bay" "Bliss," "The Man Without a Temperament" and "The Garden Party" and has a new introduction by Jeffrey Meyers.

Katherine Mansfield and World War One

This book assesses the reason why Katherine Mansfield's reputation in France has always been greater than in England. It examines the ways in which the French reception of Mansfield has idealised her persona to the extent of crafting a hagiography. Mansfield is placed within the general literary context of her era, exploring French literary tendencies at the time and juxtaposing them with the main literary trends in England. The author determines the motives behind the French critics' desire to put Mansfield on a pedestal, discusses how the three years she spent on French soil influenced her writing and whether the translations of her work collude in the myth surrounding her personality. This book is the first sustained attempt to establish interconnections between her

own French influences (literary and otherwise) and the myth-making of the French critics and translators. The book also follows the critical appraisal of Mansfield's life and work in France from her death up to the present day, by closely analysing the differing French critical responses. The author reveals how these various strands combine to create a legend which has little basis in fact, thereby demonstrating how reception and translation determine the importance of an author's reputation in the literary world.

Short Story ePenguin

The only full length work by this master of the short story, and the basis for one of her most famous stories Linda Burnell dreams, listless and distant, while downstairs her mother sets in order the family's new home in the New Zealand countryside. Her vigorous and exhausting husband, Stanley, is at the office, but will return with eager and admiring eyes. Her children prepare lunch on a concrete step and her sister sings love songs to an imaginary young man. This book which Katherine Mansfield wrote to crystallize the memories of her childhood was eventually, when Virginia Woolf asked for a story for her new Hogarth Press, reworked to become her acclaimed Prelude. But the original is very different—in style, detail, and texture—giving readers a wonderful short novel in its own right. The text has been prepared by Vincent O'Sullivan, the renowned Mansfield scholar and editor of *The Selected Letters of Katherine Mansfield*.

Stories in the Travelman Short Stories series take the reader to places of mystery, fantasy, horror, romance, and

corners of the universe yet unexplored. In turn, readers take them on the bus or subway, slip them into briefcases and lunchboxes, and send them from Jersey to Juneau. Each classic or original short story is printed on one sheet of paper and folded like a map. This makes it simple to read while commuting, convenient to carry when not, and easy to give or send to a friend. A paper envelope is provided for mailing or gift-giving, and both are packaged in a clear plastic envelope for display. The cost is not much more than a greeting card.

Marriage A La Mode Katherine Mansfield and Psychology
Henry is naive and has never experienced love. When he meets golden-haired Edna in a train carriage, however, his world changes forever. But the intensity of their feelings threatens their innocence, and Edna knows she is too young to leave her childhood behind. United by the theme of love, the writings in the Great Loves series span over two thousand years and vastly different worlds. Readers will be introduced to love's endlessly fascinating possibilities and extremities: romantic love, platonic love, erotic love, gay love, virginal love, adulterous love, parental love, filial love, nostalgic love, unrequited love, illicit love, not to mention lost love, twisted and obsessional love...

This book attempts to analyze a major part of Mansfield's fiction, concentrating on an analysis of the various textures, themes, and issues, plus the point of view virtuosity that she accomplished in her short lifetime (34 years). Many of her most famous works, such as "Prelude" and "Bliss," are explicated, along with many of her less famous and unfinished stories.

The Doves' Nest Penguin UK

A brilliant modernist classic--now available for the first time in a stand-alone edition This dreamy, formally audacious story of a summer's day in the life of one family is a small masterpiece by Katherine Mansfield, hailed as "one of the great modernist writers. Virginia Woolf said of Mansfield, hers was "the only writing I have ever been jealous of." A modernist master of cool precision and extraordinary delicacy, Mansfield wrote about family life with a sharp radicalism, and *At the Bay* is one of her greatest works. Told in thirteen parts, beginning early in the morning and ending at dusk, *At the Bay* captures both the Burnell family's intricate web of relatives and friends, and the dreamy, unassuming natural beauty of Crescent Bay. Haunting but ever understated, *At the Bay* is as timeless novella, and a testament to Mansfield's remarkable powers.
