**A Complete Guide to  
Understanding the  
World of the Bible** Wipf  
and Stock Publishers  
Throughout the centuries  
churches all over the  
world have confessed  
their faith in the words of  
The Apostle's Creed. The

Creed is a brilliant  
summary of the essence  
of biblical truth. But, as  
this book shows, the  
Creed is not just a dry  
statement of abstract  
doctrines. It is an  
expression of passion. As  
they composed the Creed,  
the earliest Christians  
were giving voice to their  
passion for the God who  
has made himself known  
in the person of Jesus  
Christ. The Creed stands

as an invitation to  
believers of every  
generation to that same  
passionate commitment  
which has marked our  
predecessors in the faith.  
This book expounds the  
Creed phrase by phrase,  
and seeks at every point  
to apply its teaching to  
the life of believers in the  
world of today. Taking the  
Creed as his starting point  
and framework, Jonathan  
Bayes presents a wide-

ranging account of Christian theology. His reflections on the Creed lead to some challenging and stimulating meditations on various aspects of biblical teaching.

The Prophet's Dictionary by Paula Price is an essential tool for laymen, prophesiers, pastors, intercessors, and dreamers of dreams. As an all-in-one dictionary and reference book containing over 1,600 relevant definitions of terms and phrases for the

prophetic realm of Christian ministry, it will show you how to:  
Experience the power of the gifts of prophecy  
Understand their operation in our modern world  
Correctly interpret and apply God's prophetic words  
Distinguish between true and false prophets  
Differentiate between spiritual and natural dreams  
Understand God-given dreams  
Develop your spiritual gifts  
In addition, the author exposes ancient religious seductions and how they

have infiltrated movies, television, and books. Prophetic visions and clues to interpreting their symbolism, imagery, and signs are also included. People from all walks of life can benefit as this book aids in the understanding of what may be expected from prophets or the prophetic ministry. Delve deeper and you will find much more. God speaks to us today!

Revelation: An Apostolic Commentary is a detailed

journey through the Apostle John's vision as given to him by the glorified Jesus Christ while in exile on the island of Patmos. The book uses a variety of methods to unlock some of the mysteries surrounding the apocalyptic language that permeates the prophetic book in order to give a realistic view of what should be a timeless and encouraging message to Christians around the world. In this book, the author explores such subjects as the purpose of the letters to the seven

churches in Asia Minor, the series of judgments as portrayed by seals, trumpets and bowls, the character and career of the foretold Antichrist, and the eventual victory of Jesus Christ, the King of kings and Lord of lords over the determined opposition of Satan and his legions. The overall message reverberating throughout the book serves to encourage the saints of God, both young and old, to persevere through life's circumstances and trials, no matter how dire,

receiving the ultimate prize awaiting all who 'endure unto the end'.

 The Amazing Bible  
 Factbook for Kids Revised  
 & Updated* Thomas Nelson  
 The Great Pyramid--mysteries abound . . . For example: Why was the subterranean chamber apparently abandoned and yet it is larger than the Queen's Chamber and the King's Chamber combined? Why is there a pit in the floor of the subterranean chamber, and why does the narrow passage that snakes

south off the subterranean chamber come to a sudden end after 53 feet? Why was sand from the Sinai hidden behind the wall of the horizontal passage to the Queen's Chamber, and why is there a sudden drop in that passage? Why was the Grand Gallery built so large in comparison to the ascending passage, and why are the slots in the ramps of the Grand Gallery empty? Why was the antechamber to the King's Chamber built with both limestone and

granite blocks, and what purpose could the so-called Granite Leaf have served? Egyptologists, pyramidologists, and others outside these two camps have attempted to explain such anomalies. Their theories are examined and compared to a new vision that answers not just some of the questions about the Great Pyramid but all of them as revealed in *Books Written in Stone: Enoch the Seer, the Pyramids of Giza, and the Last Days. John: The Word Made Flesh Dorrance Publishing

This book is one of the many commentaries on the book of Acts. In other words, it does not deal with a unique topic but one that borders on banality, yet of utmost importance. Without doubt, it will suffice its role of moving one step closer to a complete understanding of the

complex picture that Luke drew. This commentary has been written by two Asian scholars with different theological backgrounds and thus will provide an unprecedented perspective. This commentary pays attention to the historical background and to the narrative, theological, and rhetorical texture of the text in Acts. In particular, the periodical essays at the end of sections or chapters--"Fusing the Horizons"--reflect on what the text means for the new covenant community

in terms of its theological message, application, and community and spiritual formation. This is one of the many notable characteristics of this commentary. Moreover, this is an approachable and readable commentary by anyone who is interested in Acts.

Tactics and Strategies for the Famine discusses global issues, particularly national and global economics and the worldwide recession, from a biblical perspective, and

from that point they remain real, current, and relevant, but not devoid of hope. This book allows readers to see things from a different angle and lets them know that hope, change, and viable solutions are within reach. This book contains simple language to explain the otherwise daunting topics while providing scriptural references.

Practical Christianity

Foundation

Apostolic Perspective of

Systematic Theology

delves into the major

doctrines that formulate the Christian belief, explained from an Apostolic point of view. The book explores various facets of theology, including God and the Godhead, man and sin, angels and demons, covenants and dispensations, and last things. It compares through study of the Scriptures in both testaments to arrive at a reasoned argument for stances on various subjects as salvation, the nature of the Godhead, the deity of Christ, and

the inerrancy of the Bible. The purpose of the book is to instill a love of study for the serious Bible student that compels the reader to apply sound hermeneutical principles in defense of the hope that lies within the believer. As there is no premium on ignorance of the principles that lie within the Word of God, the author compares each facet of doctrine while building a comprehensive system of theology that can stand against the face of higher criticism and doctrinal error, providing

the reader with a reasonable explanation of what is most precious to all Christians – one's own faith.

**Revelation** Practical Christianity Foundation  
 JUDAH is a hymn of praise to the Most High God for what He started in women in the year 2019 and continues to make manifest. Judah is a celebration of broken barriers that once caused broken women. In the past year and coming

decades women across the globe have learned to open their mouths wide and let God fill them.

Women have positioned themselves to speak to, rightfully stand and steer the renovation of Renaissance within the seven mountains of Government, Religion, Economics, Family, Education, Celebration and Media. Women have shattered many glass ceilings and sit at tables of power in every aspect of life making decisions for the benefit of all. Judah focuses on our

resounding roar, resilience, reformation and renewal, delineates the strides made in each country and the obstacles yet extant to place under our feet. Finally, Judah takes a unobfuscated look at the future and the shifts women need to make to continue to be relevant, productive and in the forefront as sustainable trailblazers.

1st Corinthians Correcting the Church Thomas Nelson

This Bible dictionary is a readable fact and picture-filled guide to the arts, cultures, geography, geology, theologies, philosophies and life styles of Biblical times. It

also vividly illuminates and enriches individual understanding of the greatest stories ever told. Chapters 13-28

Hendrickson Publishers Jesus Christ is a light that will reveal salvation to the nations... So wrote Luke, the only Gentile writer found in the New Testament Scriptures. Luke saw in Jesus Christ the fulfillment of Isaiah's prophecy: "Arise! Shine! Your light has come, and the glory of the Lord has dawned. Nations will come to your light, and kings to the brightness of

your dawn." In clearly described themes, Luke takes his readers on a journey of discovery, finding in Jesus Christ, not only the light for Israel, but for people of all nations of the world. "The book you hold in your hands is no dry seminary text, nor is it a feel-good self-help devotional. There is a wealth of information here, presented in a clear and accessible writing style that makes this commentary a great read for new believers and seasoned theologians

alike. Luke's Gospel is examined not in a vacuum, but in the context of the totality of Scripture where frequent references to supporting verses serve as road signs, assuring the reader that he is on the right road. This commentary informs and delights!"
