STEPHENS SCHWARTZ

Defining Moments Simon and Schuster
 A Prophetic Anointing for Today Defining Moments is a fascinating look at the remarkable ways in which God has used ordinary people to change history. But it is about more than history alone—it illuminates the present and unveils the future. Prophetic in nature, the book reveals how God wants to work in each of our lives to fulfill His purposes—today, tomorrow, and in the years to come. The stories in this collection of God-encounters carry a prophetic anointing for all who have ears to hear. Author Bill Johnson highlights the significant traits and contributions of many well-known revival leaders, including John Wesley, Charles

Finney, Dwight L. Moody, Maria Woodworth-Etter, Carrie Judd Montgomery, Smith Wigglesworth, John G. Lake, Evan Roberts, Rees Howells, Aimee Semple McPherson, Kathryn Kuhlman, Randy Clark, and Heidi Baker. He explains the impact these leaders can have on us today as we respond to the life-changing truths revealed through their life stories. There is power in knowing the testimonies of men and women who experienced God in a defining moment and said yes to His unique call on their lives. It is a power that inspires us to hunger for God in such a way that we, too, will have an encounter with Him that launches us into the world of the “impossible,” enabling us to fulfill a greater measure of our destiny. Read this book with a sense of readiness, and watch what happens.

As the third millennium gets into its stride, this book charts a history of the western church, tracing its evolution from its genesis at Caesarea Philippi to the consecration of women to the priesthood. The development of the church as a fundamental characteristic and dynamic of western civilisation is traced through the identification of twenty defining moments in its fortunes, both sacred and secular, upon which the work of Christ has been sustained. Each event is analysed within the context of the holy ongoing mission of the church, and its long and short term significance explored. It is an attempt to recognise its divine tenacity in the western world, and beyond, in the face of human weakness from without and from within.

Have you ever had a moment when everything seems to change? What makes that momentary but long-lasting difference? God shows up to participate in our lives and performs a miracle, speaks words of peace, gives new direction, or whatever else the Creator of the universe chooses to do. But in those defining moments, virtually everything changes; the impossible becomes possible. Why? Because God is God, and He still rules His universe. The God who created all things can accomplish more in His defining moment than we can accomplish in a lifetime. After all, according to Genesis, He created the heavens and earth, including man, in just six days and rested on the seventh. From that truth, one would draw an obvious conclusion that what we do is not going to impress God; but when He acts in our behalf, it will always astound us. We serve an awesome God! Those times are kairos moments. For twenty-five years, Pastor B.W. Hambrick has pastored the people of the Ephrata Church of the Nazarene, Ephrata, Pennsylvania. Changed lives, culture change, renovations, new buildings, even relocation have all been part of the ongoing movement of the church. There have been many events that have defined the church and Pastor Hambrick's ministry, but nothing has defined it quite like those unique moments, those kairos moments, when everything changed for the better. Nothing, absolutely nothing, can explain the stories shared here, except the immediate intervention of God. *When Managers Must Choose Between Right and Right* Routledge

Overcoming the Death of a Child IMD International

When Business and Personal Values Collide "Defining moments" occur when managers face business decisions that trigger conflicts with their personal values. These moments test a person's commitment to those values and ultimately shape their character. But these are also the decisions that can make or break a career. Is there a thoughtful, yet pragmatic, way to make the right choice? Bestselling author Joseph Badaracco shows how to approach these dilemmas using three case examples that, when taken together, represent the escalating responsibilities and personal tests managers face as they advance in their careers. The first story presents a young manager whose choice will affect him only as an individual; the second, a department head whose decision will influence his organization; the third, a corporate executive whose actions will have much

larger, societal ramifications. To guide the decision-making process, the book draws on the insights of four philosophers-- Aristotle, Machiavelli, Nietzsche, and James--who offer distinctly practical, rather than theoretical, advice. *Defining Moments* is the ultimate manager's guide for resolving issues of conflicting responsibility in practical ways.

Defining Moments of a Free Man from a Black Stream By: Dr. Frank L. Douglas
From growing up in poverty to developing drugs that fight diabetes, seizures, and cancer, Dr. Frank L. Douglas has lived a life based on values, hard work, and self-control. *Defining Moments of a Free Man from a Black Stream* is a reflection on the events and people that made him into the man he is. In 1963, the year of the murder of Medgar Evers, Civil Rights marches, and the assassination of President John F. Kennedy, twenty-year-old Douglas arrived in the United States. A Fulbright scholar from British Guiana, Douglas studied engineering at Lehigh University, received his Ph.D. and M.D. from Cornell University, and did his Residency in Internal Medicine at Johns Hopkins. A curious and motivated young man from a colonial country struggling for independence, Douglas was shocked by the racism he received from white Americans and the cultural prejudice he received from black Americans. Struggling with his faith and identity, Douglas decided to control his own future through grit, hard work, and the road less travelled. Intimate and honest, incisive and searching, *Defining Moments of a Free Man from a Black Stream* is a memoir of self-determination and blazing your own path in a narrow-minded world.

"*Defining Moments*" is the compelling true life story of one American soldier's adventures in the South Pacific during World War II. It is a captivating tale of war behind the front lines as revealed through the prism of the more than 300 letters this young G.I. from rural Ohio wrote to his family between the years 1940-45. This memoir, written by the soldier's eldest son, captures in vivid detail Bill Dustman's transformation from a boy into a man. The book presents, in candid detail, the "defining moments" which shaped this young man's life after he was freed from the bucolic, but cloistered environment of his rural hometown to experience an unfamiliar and uncaring world over which he had little control. "*Defining Moments*"

graphically and honestly paints a word picture of Bill's romantic liaisons, his conflicted relationships with fellow G.I.'s, the bizarre, humorous, and even tragic moments that he encountered during his exciting odyssey through the mosquito-infested jungles of Fiji and Solomon Islands to the more inviting tropical beauty of the Philippines. "*Defining Moments*" traces not only Bill Dustman's physical journey through war, but also his psychological and emotional sojourn as he battled to cope with fear, anger, frustration, self-doubt and sadness because of his long separation from family. This book will resonate with every reader on some very personal level. The portrait that emerges is of a man in search of himself and the meaning of his own existence in a world that no longer made sense to him. But this is also the tale of a family in crisis, whose love and respect for another, so strong during the war years, was severely tested in the post-war years and beyond. We have a front row seat to the drama of a family from America's heartland as it struggles to retain the closeness that once bound them together, but which began to crumble due to unfortunate and unforeseen, but preventable, circumstances. This is an inspiring story of survival, sacrifice, faith, hope and in the end, reconciliation.

A True Story of War, Family Conflict & Reconciliation WestBow Press

NAACP 2017 Image Award Winner With his trademark acerbic wit, incisive humor, and infectious paranoia, one of our foremost comedians and most politically engaged civil rights activists looks back at 100 key events from the complicated history of black America. A friend of luminaries including Dr. Martin Luther King, Jr. and Medgar Evers, and the forebear of today's popular black comics, including Larry Wilmore, W. Kamau Bell, Damon Young, and Trevor Noah, Dick Gregory was a provocative and incisive cultural force for more than fifty years. As an entertainer, he always kept it indisputably real about race issues in America, fearlessly lacing laughter with hard truths. As a leading activist against injustice, he marched at Selma during the Civil Rights movement, organized student rallies to protest the Vietnam War; sat in at rallies for Native American and feminist rights; fought apartheid in South Africa; and participated in hunger strikes in support of Black Lives Matter. In this collection of thoughtful, provocative essays, Gregory charts the complex and often obscured history of the African American experience. In his unapologetically candid voice, he moves from African ancestry and surviving the

Middle Passage to the enjoyment of bacon and everything pig, the headline-making shootings of black men, and the Black Lives Matter movement. A captivating journey through time, *Defining Moments in Black History* explores historical movements such as The Great Migration and the Harlem Renaissance, as well as cultural touchstones such as Sidney Poitier winning the Best Actor Oscar for *Lilies in the Field* and Billie Holiday releasing *Strange Fruit*. An engaging look at black life that offers insightful commentary on the intricate history of the African American people, *Defining Moments in*

Black History is an essential, no-holds-bar history lesson that will provoke, enlighten, and entertain.
