When everyone else is lying to him,  
 she's the only person he can trust. But  
 how can he be honest with her when his  
 lies are the only thing keeping her safe?

When Ella gets tangled up in Conor's shady deals, it's not just her heart that's at risk...

*The Rabbit Hole* Litres

Cowboy to the rescue Once upon a time, Sheriff Cash Hawkins left his simple life for something bigger---and came home with a broken heart. Now he has everything he needs right here in Oak Bluff, California---his job, his dog, and a quiet ranching town best explored on the back of a horse. Olivia Belle believes in fairy tales---just not for herself. So when her boyfriend drops to one knee at his sister's wedding with a proposal that is more business than romance, she hightails it out of San Francisco in search of the only evidence she knows that true love exists---her grandparents' lost love letters from fifty years ago. When Olivia

speeds into his town like a modern-day Cinderella in her ball gown and glass slippers, Cash's careful existence is finally thrown for a loop. Maybe the answer Olivia's looking for is in Oak Bluff, but the life she ran from is more than 200 miles away. As for Cash . . . he knows a thing or two about being left on bended knee. Olivia Belle could be his happily ever after . . . if this runaway bridesmaid doesn't run off with his heart. "A fabulous storyteller who will keep you turning pages and wishing for just one more chapter at the end." --- Carolyn Brown, New York Times bestselling author, on *Second Chance Cowboy* "Cross my heart, this sexy, sweet romance gives a cowboy-at-heart lawyer a second chance at first love and readers a fantastic ride." --- New York Times

From this "fabulous storyteller" (Carolyn Brown, New York Times bestselling author) comes a sweet western romance between a rodeo cowboy and his best friend's ex-wife. What's the saying, bad luck comes in threes? If so, Lily Green is due for something good. First, her

divorce is finalized---on her birthday, no less. Then the first job she lands for her catering company turns out to be for her ex-husband's wedding. To top it off, she's stuck working the event with Luke Everett, the sexy-as-hell best man who's never been able to stand her. When can a girl catch a break? For years, Luke has kept his feelings for Lily safely hidden. Hitting on his best friend's ex-wife would definitely break the cowboy code of honor. But ever since an injury sidelined his rodeo riding, the two of them keep getting thrown together. It's only a matter of time until his true feelings come to light. When that happens, it will either be the biggest mistake of his life, or a sign that his luck is about to change. "Cross my heart, this sexy, sweet romance gives a cowboy-at-heart lawyer

a second chance at first love and readers a fantastic ride." --- New York Times bestselling author Jennifer Ryan on *Second Chance Cowboy*

His daughter's kidnapping destroyed his marriage, ripped apart his family, and nearly killed him. But, when his never-ending search for her uncovers dark secrets of one of Washington's most powerful men, he finds himself in that man's cross-hairs. Now Adam Afton, broken and alcoholic, has to quicken his pace to find his missing daughter, while staying one step ahead of the most dangerous killers in the world. For Aric Afton, the disappearance of his older brother is an enigma that is eating away at their family. The last time Adam fell off their radar, he had taken refuge in an

alcoholic stupor, but was quickly found. Not this time. So, when Aric receives a cryptic, anonymous postcard, he knows he has to act—Adam is in trouble . . . and Aric will be there to help, calling on his faith, just as he had the first time. *Autocar* Penguin Random House South Africa

There is intensified interest in designing information and communication technologies (ICTs) that respond to ways of doing, knowing, and saying that differ from those that dominate in producing ICTs and, in particular, to 'traditional' or 'indigenous' knowledges. ICT endeavours for indigenous or traditional knowledges (ITK) vary. Some aim to extend ITK digitally and others use ICTs to improve the economic and/or political situation of marginalised groups. This

book presents themes that arise in designing to respond to ITK in different cultural, social, physical, and historical contexts.

The sixth title in the Grand Stand series presents new trends in the ever-changing world of stand design. The scenographic design of space and the creation of a stimulating atmosphere are

crucial in shaping human experience. The design of trade fair stands has become increasingly important to exhibiting organizations, and today's designers are playing an essential role in integrating brand identity into fascinating corporate presentations. This inspiring volume covers the creative processes behind 120 temporary spaces, including how to deal with challenges such as restrictions of space and limitations of lighting. The outcome is the realization of transient yet thrilling settings. Divided into nine chapters, including mobility, apparel, and architectural products, many projects are illustrated with sketches and floor plans alongside stunning photography. Each stand is presented on two to four pages with an explanatory text about

the design and technical information provided to help further explain the design process from concept to execution. This title is filled with contemporary stand designs that will inspire architects, designers, brand managers, and any individuals interested in the building of ephemeral environments that leave an indelible impression.

Money. Money. Money. Tons of it. In us dollars. And it's all being funnelled into a government tender snagged by family-owned Amalfi Civils. Which would be great for business if ceo Angela wasn't fighting with her cfo brother Rej. Where Angela sees corruption, Rej sees cabinet ministers, politicians, officials eager to lend a hand. For a fee. It's a big pot so he's happy to oblige. And if needs be he'll take out his sister to keep the lucre. There are other players in this game. The cia for one. The State Security Agency for another. And a black op using lawyer and spy Vicki Kahn as a honeytrap to ensnare Rej's middleman – the very same middleman that her lover, pi Fish Pescado, is investigating. With these stakes, it's only time before the

killing starts.

**The Last Hunt** Frame Publishers

A cold case reaches from Cape Town's shadowy past to bucolic Bordeaux, France, in this thriller by the Barry Award-winning author of Thirteen Hours. When a cold case dossier lands on Captain Benny Griessel's desk, he and his partner Vaughn Cupido, fellow member of the Hawks elite police unit in South Africa, reluctantly set to work reviewing the evidence. Did ex-cop Johnson Johnson simply disappear on the world's most luxurious train line—or was he murdered? Two fellow travelers might have the answers Griessel and Cupido need, but they too seem to have disappeared, and the few clues that exist suggest a cover-up. Meanwhile, Daniel Darret has settled into a new, quiet life

in Bordeaux, far from his revolutionary past in South Africa. But now a man from that past has reappeared. And he wants to commission Daniel's unique skills one more time. As the two storylines come crashing together, Griessel and Cupido are left uncertain of the truth—and of their own future. A top-notch addition to the acclaimed Benny Griessel series, *The Last Hunt* makes a brave and powerful statement about the pervasive corruption that has stolen so much from Deon Meyer's native country.
