For the first time in a chapter-book format, Newbery Medal winner Beverly Cleary's twin characters, Jimmy and Janet, will charm young children with their humorous adventures. Jimmy and Janet are twins, but that doesn't mean they are just alike. When we first meet Jimmy, he wants to dig a real hole. He likes to use a real, grown-up shovel. While he's working, his sister, Janet, pretends to be a bird! She likes to use her imagination. But the

twins both like silly jokes, new boots, and talking to Mr. Lemon, the mailman. As Beverly Cleary writes about Jimmy and Janet's doings, the unique understanding of children that she brings to all of her beloved books is coupled with a keen awareness of duo dynamics that comes from raising twins herself. Originally published as four separate picture books (*The Real Hole*, *Two Dog Biscuits*, *The Growing-Up Feet*, and *Janet's Thingamajigs*), these are stories that a Jimmy would like because they are so true-to-life, and that a Janet would love because they are so believable.

Ramona is back! New and old friends alike will rejoice in Beverly Cleary's latest book about spunky Ramona and the whole Quimby family. There are new beginnings and discoveries and two very special surprises -- one surprise is big and one is very little. It's a time of change for all the Quimbys; a time of new joys and little sadnesses, too. There are new worries -- Mr Quimby is worried about finding a teaching job, Ramona is worried they may have to move if he does, and Beezus is worried about her teenage complexion. And through it all Ramona, a grown up third-grader, remains a sometimes pesty, sometimes brave, sometimes blunderful, but always wonderful Ramona -- forever!

The Literature of California, Volume 1 Harper Collins

The latest book in the hugely popular series about Ramona

Quimby. Ramona is just starting the fourth grade and believes this will be 'the best year of her life, so far.' As well as her older sister, Beezus, Ramona now has a new baby sister, Roberta. But best of all, she has a new best friend, Daisy. Beverly Cleary is one of America's most popular authors and has won many prestigious awards, including the American Library Association's Laura Ingalls Wilder Award. This new Ramona book is being published alongside the first two Ramona books, *Beezus and Ramona* and *Ramona the Pest*. The rest of Beverly Cleary's Ramona books will also be published in the near future.

Ramona and Her Mother Oxford University Press, USA

One of the most popular characters ever created by Beverly Cleary is the small brown mouse named Ralph, whose modest appearance disguises the soul of a daredevil. Now he returns in a book that tells how he runs away from home on his mouse-sized motorcycle in search of freedom and adventure. Ralph's destination is a summer camp, where he hopes crumbs from peanut-butter-and-jelly sandwiches will be plentiful. But instead of finding freedom, he lands in a cage, doing endless loop the loops on an exercise wheel. The story of how Ralph and a lonely boy named Garf discover they speak the same language involves a villainous cat, a grouchy hamster, and many campers. Each episode is funnier than the last. On one level, Mrs. Cleary's story is a delightful tour de force. On another, it delivers a message about running away that is all the more effective because it is unobtrusive.
