#1 NEW YORK TIMES BESTSELLER More than ONE MILLION copies sold A TODAY Show Read with Jenna Book Club Pick A New York Times Notable Book, and Chosen by Oprah Daily, Time, NPR, The Washington Post, Bill Gates and Barack Obama as a Best Book of the Year “Wise and wildly entertaining . . . permeated with light, wit, youth.” —The New York Times Book Review “A classic that we will read for years to come.” —Jenna Bush Hager, Read with Jenna book club “Fantastic. Set in 1954, Towles uses the story of two brothers to show that our personal journeys are never as linear or predictable as we might hope.” —Bill Gates “A real joyride . . . elegantly constructed and compulsively

readable.” —NPR The bestselling author of *A Gentleman in Moscow* and *Rules of Civility* and master of absorbing, sophisticated fiction returns with a stylish and propulsive novel set in 1950s America In June, 1954, eighteen-year-old Emmett Watson is driven home to Nebraska by the warden of the juvenile work farm where he has just served fifteen months for involuntary manslaughter. His mother long gone, his father recently deceased, and the family farm foreclosed upon by the bank, Emmett's intention is to pick up his eight-year-old brother, Billy, and head to California where they can start their lives anew. But when the warden drives away, Emmett

discovers that two friends from the work farm have hidden themselves in the trunk of the warden's car. Together, they have hatched an altogether different plan for Emmett's future, one that will take them all on a fateful journey in the opposite direction—to the City of New York. Spanning just ten days and told from multiple points of view, Towles's third novel will satisfy fans of his multi-layered literary styling while providing them an array of new and richly imagined settings, characters, and themes. “Once again, I was wowed by Towles’s writing—especially because *The Lincoln Highway* is so different from *A Gentleman in Moscow* in terms of

setting, plot, and themes. Towles is not a one-trick pony. Like all the best storytellers, he has range. He takes inspiration from famous hero’s journeys, including *The Iliad*, *The Odyssey*, *Hamlet*, *Huckleberry Finn*, and *Of Mice and Men*. He seems to be saying that our personal journeys are never as linear or predictable as an interstate highway. But, he suggests, when something (or someone) tries to steer us off course, it is possible to take the wheel.” – Bill Gates *Get Ready for Writing with Allicat Pearson* Education ESL

If he had been with me everything would have been different... I wasn't with Finn on that August night. But I should've been. It was

raining, of course. And he and Sylvie were arguing as he drove down the slick road. No one ever says what they were arguing about. Other people think it's not important. They do not know there is another story. The story that lurks between the facts. What they do not know—the cause of the argument—is crucial. So let me tell you...

 #1 New York Times bestselling author! In Rainbow Rowell's *Fangirl*, Cath is a Simon Snow fan. Okay, the whole world is a Simon Snow fan, but for Cath, being a fan is her life—and she's really good at it. She and her twin sister, Wren, ensconced themselves in the Simon Snow

series when they were just kids; it's what got them through their mother leaving. Reading. Rereading. Hanging out in Simon Snow forums, writing Simon Snow fan fiction, dressing up like the characters for every movie premiere. Cath's sister has mostly grown away from fandom, but Cath can't let go. She doesn't want to. Now that they're going to college, Wren has told Cath she doesn't want to be roommates. Cath is on her own, completely outside of her comfort zone. She's got a surly roommate with a charming, always-around boyfriend, a fiction-writing professor who thinks fan fiction is the end of the civilized world, a handsome classmate

who only wants to talk about words . . . And she can't stop worrying about her dad, who's loving and fragile and has never really been alone. For Cath, the question is: Can she do this? Can she make it without Wren holding her hand? Is she ready to start living her own life? And does she even want to move on if it means leaving Simon Snow behind? A New York Times Book Review Notable Children's Book of 2013 A New York Times Best Seller! Ready To Write 3 Simon and Schuster The book that Inc. says "every entrepreneur should read" and an FT Book of the Month selection... How did the movie The Shawshank Redemption fail at the box office but go on to gross more than \$100

million as a cult classic? How did The 48 Laws of Power miss the bestseller lists for more than a decade and still sell more than a million copies? How is Iron Maiden still filling stadiums worldwide without radio or TV exposure forty years after the band was founded? Bestselling author and marketer Ryan Holiday calls such works and artists perennial sellers. How do they endure and thrive while most books, movies, songs, video games, and pieces of art disappear quickly after initial success? How can we create and market creative works that achieve longevity? Holiday explores this mystery by drawing on his extensive experience working with businesses and

creators such as Google, American Apparel, and the author John Grisham, as well as his interviews with the minds behind some of the greatest perennial sellers of our time. His fascinating examples include:

- Rick Rubin, producer for Adele, Jay-Z, and the Red Hot Chili Peppers, who teaches his artists to push past short-term thinking and root their work in long-term inspiration.
- Tim Ferriss, whose books have sold millions of copies, in part because he rigorously tests every element of his work to see what generates the strongest response.
- *Seinfeld*, which managed to capture both the essence of the nineties and timeless themes to become a

modern classic.

- Harper Lee, who transformed a muddled manuscript into *To Kill a Mockingbird* with the help of the right editor and feedback.
- Winston Churchill, Stefan Zweig, and Lady Gaga, who each learned the essential tenets of building a platform of loyal, dedicated supporters.

Holiday reveals that the key to success for many perennial sellers is that their creators don't distinguish between the making and the marketing. The product's purpose and audience are in the creator's mind from day one. By thinking holistically about the relationship between their audience and their work, creators of all kinds improve the chances that their offerings will stand the

test of time.

When you Read Like a Writer (RLW) you work to identify some of the choices the author made so that you can better understand how

such choices might arise in your own writing. The idea is to carefully examine the things you read, looking at the writerly techniques in the text in order to decide if you might want to adopt similar (or the same) techniques in your writing. You are reading to learn about writing. Instead of reading for content or to better understand the ideas in the writing (which you will automatically do to some degree anyway), you are trying to understand how the piece of writing was put together by the author and what you can learn about writing by reading a particular text. As you read in this way, you think about how the choices the author made and the techniques that

he/she used are influencing your own responses as a reader. What is it about the way this text is written that makes you feel and respond the way you do?

In their youth, Manni and Franzi, together with their brothers, Ziggy and Sebastian, captured Germany's collective imagination as the Flying Magical Loerber Brothers -- one of the most popular vaudeville acts of the old Weimar days. The ensuing years have, however, found the Jewish brothers estranged and ensconced in various occupations as the war is drawing near its end and a German surrender is imminent. Manni is traveling through the Ruhr Valley with Albert Speer, who is intent on subverting Hitler's apocalyptic plan to destroy the German industrial heartland before the Allies arrive; Franzi has become

inextricably attached to Heinrich Himmler's entourage as astrologer and masseur; and Ziggy and Sebastian have each been employed in pursuits that threaten to compromise irrevocably their own safety and ideologies. Now, with the Russian noose tightening around Berlin and the remnants of the Nazi government fleeing north to Flensburg, the Loerber brothers are unexpectedly reunited. As Himmler and Speer vie to become the next Führer, deluded into believing they can strike a bargain with Eisenhower and escape their criminal fates, the Loerbbers must employ all their talents -- and whatever magic they possess -- to rescue themselves and one another. Deftly written

and darkly funny, Germania is an astounding adventure tale -- with subplots involving a hidden cache of Nazi gold, Hitler's miracle U-boats, and Speer's secret plan to live out his days hunting walrus in Greenland -- and a remarkably imaginative novel from a gifted new writing talent.

It was due the next day. We were out at our family cabin in Bolinas, and he was at the kitchen table close to tears, surrounded by binder paper and pencils and unopened books on birds, immobilized by the hugeness of the task ahead. Then my father sat down beside him, put his arm around my brother's shoulder, and said, 'Bird by bird, buddy. Just take it bird by bird.'"
