OSBORN RODGERS

Eyewitness to Jesus The Good Book Company
Have you ever seriously questioned Christianity? If so, you're not alone. A lot of people have wondered if this faith is outdated . . . irrelevant . . . maybe even harmful. But what if everything is not as it seems? What if there's more to the story? Questioning Christianity explores the nature and relevance of the Christian story in an accessible and compelling way. No slogans. No politics. No simple solutions to complex problems. After many years of exploring issues of faith with skeptics, seekers, and new believers, Dan Paterson and Rian Roux serve as guides to help you navigate what can be a disorienting and confusing journey. Perhaps you're feeling lost, unable to find your bearings, and you need some help to map out the terrain around you. Or maybe you've

encountered obstacles and have hard questions that need to be addressed before you can move ahead. Whatever it is that has made you curious about this faith, there are good answers waiting to be discovered. So go ahead. Question Christianity. Just give Christianity the chance to answer back.

[Monotheism and Christology in the New Testament](#) Bloomsbury Publishing

The earliest substantive sources available for historical Jesus research are in the Gospels themselves; when interpreted in their early Jewish setting, their picture of Jesus is more coherent and plausible than are the competing theories offered by many modern scholars. So argues Craig Keener in *The Historical Jesus of the Gospels*. In exploring the depth and riches of the material found in the Synoptic Gospels, Keener shows how many works on the historical Jesus emphasize just one aspect of the Jesus tradition against others, but a much wider range of material in the Jesus

tradition makes sense in an ancient Jewish setting. Keener masterfully uses a broad range of evidence from the early Jesus traditions and early Judaism to reconstruct a fuller portrait of the Jesus who lived in history.

Major Themes in Johannine Theology

Harper Collins

The basic thesis of this book, outlined in the first chapter, is that the worship of Jesus as God was seen by the early Christians as compatible with their Jewish monotheism. Jesus was thought to participate in the divine identity of the one God of Israel. The following chapters provide more detailed support for, and an expansion of, this basic thesis. Readers will find here not only the full text of Bauckham's classic book *God Crucified* but also other essays, some of which have never been published previously.

[Memory, History, and the Reliability of the Gospels](#) Crossway

The publication of the King James version of the Bible, translated between 1603 and 1611, coincided with an extraordinary flowering of English

literature and is universally acknowledged as the greatest influence on English-language literature in history. Now, world-class literary writers introduce the book of the King James Bible in a series of beautifully designed, small-format volumes. The introducers' passionate, provocative, and personal engagements with the spirituality and the language of the text make the Bible come alive as a stunning work of literature and remind us of its overwhelming contemporary relevance.

The Last Eyewitness Wm. B. Eerdmans Publishing

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

The Historical Reliability of the New Testament
Moody Publishers

A personal portrayal of the one who launched the path followed by billions over the course of two millennia, this book is a biography of Jesus that

also contains reflections on theology, discipleship and prayer.

Narrative, History, and Theology in the Gospel of John Oxford University Press

This volume examines characters in the Fourth Gospel and provides an in-depth look at different approaches currently employed by scholars working with literary and reader-oriented methods. Divided into two sections, the book first considers method and theory, followed by exegetical character studies using a literary or reader-oriented method. It summarizes the state of the discussion, examines obstacles to arriving at a comprehensive theory of character in the Fourth Gospel, compares different approaches, and compiles the diverse methodologies into one comparative study.

Through this detailed exegesis, the various theories will come alive, and the merits (or deficiencies) of each approach will be available to the reader. This volume is both a comprehensive study in narrative/reader-oriented theories, and a study in the application of those theories as they apply to characterization. Summing up current

research on characters and characterization in the Fourth Gospel, this book also provides a comprehensive presentation of different approaches to character that have developed in recent years.

The Characters of Easter
Mohr Siebeck

The brand-new bestselling series from the authors of the phenomenal multi-million-selling *Left Behind* books. Now in paperback! Here is the first in the Biblically inspired series, *The Jesus Chronicles*, which brings to life the story of Jesus, told in the voices of those who knew and loved him best—the Gospel writers John, Mark, Matthew, and Luke. In this volume, readers will discover John's story, a thrilling account of the life of the man who came to fulfill the prophecies of the Old Testament and to save all of humankind—and the disciple who was the last eyewitness to Jesus' glory. Readers will experience firsthand the creation of the Gospel of John as well as the Book of Revelation—Scripture that still has profound meaning for the world 2,000 years later.

The Gospel According to John Baker Academic
Written by an L. A. County homicide detective and

former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a “cold case”: it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers’ intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

A year of gospel-saturated daily devotions from renowned Bible teacher Alistair Begg. Start with the gospel each and every

day with this one-year devotional by renowned Bible teacher Alistair Begg. We all need to be reminded of the truth that anchors our life and excites and equips us to live for Christ. Reflecting on a short passage each day, Alistair spans the Scriptures to show us the greatness and grace of God, and to thrill our hearts to live as His children. His clear, faithful exposition and thoughtful application mean that this resource will both engage your mind and stir your heart. Each day includes prompts to apply what you’ve read, a related Bible text to enjoy, and a plan for reading through the whole of the Scriptures in a year. The hardback cover and ribbon marker make this a wonderful gift.

[The Gospels As Eyewitness Testimony](#) Humanities Press

In this work, Samuel Byrskog employs models from the interdisciplinary field of oral history as presented by Paul Thompson, coupled with insights from cultural anthropology, in order to examine the interaction between the present and the past as the gospel tradition evolved."

Collected Essays II
Canongate U.S.

Examines contradictions and discrepancies that come to light when the New Testament is studied from a historical perspective, including varying views of Jesus and salvation and forgeries in the names of the apostles.

Jesus Before the Gospels InterVarsity Press

Is there evidence to believe the Gospels? The Gospels—Matthew, Mark, Luke, John—are four accounts of Jesus’s life and teachings while on earth. But should we accept them as historically accurate? What evidence is there that the recorded events actually happened? Presenting a case for the historical reliability of the Gospels, New Testament scholar Peter Williams examines evidence from non-Christian sources, assesses how accurately the four biblical accounts reflect the cultural context of their day, compares different accounts of the same events, and looks at how these texts were handed down throughout the centuries. Everyone from the skeptic to the scholar will find powerful arguments in favor of trusting the Gospels as trustworthy accounts of

Jesus's earthly life. *Wisdom That Works* Wm. B. Eerdmans Publishing
 Balanced, comprehensive survey of the critical questions involved in studying the four Gospels. In this book, through a distinctive evangelical and critical approach, Michael Bird explores the historical development of the four canonical Gospels. He shows how the memories and faith of the earliest believers formed the Gospel accounts of Jesus that got written and, in turn, how these accounts further shaped the early church. Bird's study clarifies the often confusing debates over the origins of the canonical Gospels. Bird navigates recent concerns and research as he builds an informed case for how the early Christ followers wrote and spread the story of Jesus -- the story by which they believed they were called to live. The Gospel of the Lord is ideal for students or anyone who wants to know the story behind the four Gospels. Watch an interview with Michael Bird from our Eerdmans Author Interview Series: [Characters of the Reformation](#) Penguin
 A cold-case homicide detective helps Christians understand why it's

important to develop a "forensic faith" and provides a unique template to help them become effective "Christian Case Makers." Forensic Faith will help readers: understand why they have a duty to defend the truth develop a training strategy to master the evidence for Christianity learn how to employ the techniques of a detective to discover new insights from God's Word become better communicators by learning the skills of professional case makers With real-life detective stories, fascinating strategies, and biblical insights, Wallace teaches readers cold-case investigative disciplines they can apply to their Christian faith. Forensic Faith is an engaging, fresh look at what it means to be a Christian. Crossway
 Most of these thirty-one essays by Richard Bauckham, a well-known New Testament scholar, were first published between 1979 and 2015 in journals and multi-authored volumes. Two are previously unpublished and one has not been published in English before. They range widely over early Christianity and early

Christian literature in both the New Testament period and the early patristic period, reflecting the author's conviction that the historical study of early Christianity should not isolate the New Testament literature from other early Christian sources, such as the apostolic fathers and the Christian apocryphal literature. Some of the essays develop further the themes of the author's books on aspects of the Gospels, such as the intended audiences of the Gospels, the way in which Gospel traditions were transmitted, the role of the eyewitnesses in the origins of the Gospels, the importance of Papias's evidence about Gospel traditions, and the relationship between canonical and Gnostic Gospels. Some of the essays relate to important persons, such as Peter, Barnabas, Paul and James. These include a full investigation of the evidence for the martyrdom of Peter and an attempt to locate the estate of Publius where Paul stayed on Malta. There are studies of the Sabbath and the Lord's Day in both the New Testament and patristic periods. There are studies that survey most of the

main categories of apocryphal Christian literature, including apocryphal Gospels and Acts, and with a special focus on the non-canonical apocalypses, such as the Apocalypse of Peter and the Latin Vision of Ezra.

Give Me an Answer

Jesus and the Eyewitnesses, 2d ed. How exactly does one become wise? Pastor and teacher Ray Ortlund points out that the wisdom of God does not stand aloof, as if it were unattainable. Instead, he shows that wisdom graciously moves toward us, into our real world where we live and struggle day by day. Wisdom offers us her very best, if only we will listen. After all, "Wisdom cries aloud in the street, in the markets she raises her voice," and, if wisdom troubles herself to yell, there must be a reason to listen and a means to

hear. Ortlund unpacks the book of Proverbs in twenty-one straightforward sermons, providing a biblical worldview that opens up the higher meaning of money, sex, and power, as well as that of the daily routines of an average life. Drawing relevant parallels from ancient culture to present day, he helps the reader understand how the book of Proverbs is practical help for normal people going through everyday life. Most importantly, Ortlund shows how the Proverbs point to Jesus and his counsel for the perplexed, his strength for the defeated, his warning to the proud, his mercy for the broken. With careful treatment of the Scriptures and uncomplicated language, Proverbs: Wisdom that Works fills the vacuum between the layman's experience and the exegetical depth of many commentaries. Part of the

Preaching the Word series.

God Crucified B&H Publishing Group

"This book argues that the four Gospels are closely based on the eyewitness testimony of those who personally knew Jesus. Noted New Testament scholar Richard Bauckham challenges the prevailing assumption that the accounts of Jesus circulated as "anonymous community traditions," asserting instead that they were transmitted in the names of the original eyewitnesses."--Jacket.
