101 Questions and Answers on Catholic Marriage Preparation
 Routledge

Authored by two married women and a priest, 101 Questions and Answers on Catholic Married Life will, as the authors say, "help facilitate communication between a married couple and among married couples." It draws on the authors' experiences and research with married couples to examine: marriage as a domestic church, the reality of marriage, the support of our Catholic spiritual heritage available to married couples. In addition to these important points, the text also covers the following important topics covered in all Engaged Encounter and Marriage Encounter retreats: communication, sexuality, children, finances, and in-laws. Book jacket.

The Early Church Was the Catholic Church Liguori Publications

In the first book written specifically for the 11 million divorced Catholics in the United States, Lisa Duffy—CatholicMatch.com columnist and creator of the "Journey of Hope" divorce recovery program—combines personal experience, Church teaching, and more than twenty years of ministering to those wounded by divorce to offer a guide that shows how faith can be a catalyst for healthy dating and relationships. Encouraging yet forthright, *The Catholic Guide to Dating After Divorce* offers sound advice to anyone who has experienced the deflating effects of divorce, but is not ready to give up on love. Affirming the universal need for intimacy, Duffy—a relationship expert, CatholicMatch.com columnist, and creator of the "Journey of Hope" divorce recovery program—shows how faith can be a catalyst for healthy relationships, helping to identify and uproot emotionally harmful habits and boosting authenticity and confidence. Duffy identifies five essential characteristics of spiritually healthy people—being available, affectionate, communicative, faithful, and magnanimous—and shows how cultivating these qualities can bring out the best, most confident, and most attractive version of anyone. Quizzes, journaling questions, and action steps will help the reader grow in these areas. The book concludes with an appendix on resources for those who need help working through an annulment or who are in need of other post-divorce resources.

Why Be Catholic? Emmaus Road Publishing

With over 50 percent of all marriages in the U.S. ending in divorce, there is enormous hurt and pain, and confusion and misperceptions about the Catholic church's teaching on marriage, divorce and declarations of nullity (annulment). To clarify church teaching on these subjects, a current tribunal director and canon lawyer has written a question and answer guide for Catholics who are marrying people who have been divorced or are unbaptized in the Christian faith, for Catholics who are divorced and seek to remarry, and for all those who minister to them. In an easy-to-read format of questions and answers, with questions taken from real people's experiences, Vondenberger provides a clear and helpful handbook, based on her decades of experience working in the tribunal of the Archdiocese of Cincinnati and from her consultative role with a Web site that provides information and opportunities for reconciliation and healing of marriage and divorce issues. This 2nd Edition includes 2015 updates to Canon Law
Annulment, the Wedding that was Ascension Press
 Who decides if you get an annulment? Why does it matter who you choose to be a witness? Do you confront your "ex" in the Tribunal? These are all questions that you might have when thinking about filing for an annulment. In this book, 101 different questions and answers are presented on different aspects of the marriage nullity process. Written by a canon lawyer who has extensive experience as a Judge, an Advocate, and a Defender of the Bond, this book gives practical insight on the actual process from the perspective of a petitioner.

When Is Marriage Null? Servant Publications

From time to time, all Catholics have them: nagging questions about church life, often prompted by some personal encounter or challenging situation: Is a layperson allowed to preach a homily? Is a pastor required to report to someone regarding parish finances, or is he on his own? It seems like the parish council is running your parish. Does it have the authority to do so? Must a

child be baptized in a church, or may the baptism take place at home? Surprised by Canon Law tackles these and many other questions, all of which have been formally addressed by the Roman Catholic Church's Code of Canon Law. The Code—the internal legal system that governs the church's day-to-day workings—deals with far-flung concerns of interest to the person-in-the-pew. This practical guide to the Code provides answers to a range of questions, from "Can the pope resign?" to the more sensitive query "Do you have the right to tell your bishop what the diocese needs?" In straightforward language the authors discuss the nuts-and-bolts of church life, making canon law accessible to the everyday Catholic. A Servant Book.

The Catholic Wedding Answer Book Ignatius Press

Few topics in the Catholic Church are more misunderstood than annulments. In *Annulments & the Catholic Church*, canon and civil lawyer Edward N. Peters answers common questions on annulments including: ● How is an annulment different from a divorce? ● Are there too many annulments granted today? ● Does the length of a marriage affect an annulment case? ● How do people begin the annulment process? ● Does a wedding between a Catholic and a non-Catholic require an annulment? ● Is alcoholism or physical abuse grounds for an annulment? Many

questions abound regarding annulments, which unfortunately touch the lives of many in the Church. *Annulments & the Catholic Church* provides concise answers from an expert on this difficult and misunderstood topic.

Marriage, Divorce & Nullity Our Sunday Visitor

Seventy now-adult children of divorce give their candid and often heart-wrenching answers to eight questions (arranged in eight chapters, by question), including: What were the main effects of your parents' divorce on your life? What do you say to those who claim that "children are resilient" and "children are happy when their parents are happy"? What would you like to tell your parents then and now? What do you want adults in our culture to know about divorce? What role has your faith played in your healing? Their simple and poignant responses are difficult to read and yet not without hope. Most of the contributors--women and men, young and old, single and married--have never spoken of the pain and consequences of their parents' divorce until now. They have often never been asked, and they believe that no one really wants to know. Despite vastly different circumstances and details, the similarities in their testimonies are striking; as the reader will discover, the death of a child's family impacts the human heart in universal ways.
