Anatole is a most  
honorable mouse. When  
he realizes that humans  
are upset by mice  
sampling their leftovers,

he is shocked! He must  
provide for his beloved  
family--but he is  
determined to find a way  
to earn his supper. And so  
he heads for the tasting  
room at the Duvall  
Cheese Factory. On each  
cheese, he leaves a small  
note--"good," "not so  
good," "needs orange  
peel"--and signs his name.  
When workers at the  
Duvall factory find his  
notes in the morning, they  
are perplexed--but they

realize that this  
mysterious Anatole has an  
exceptional palate and  
take his advice. Soon  
Duvall is making the best  
cheese in all of Paris!  
They would like to give  
Anatole a reward--if only  
they could find him...

 She calls herself Ash, but that's not her real name. She is a farmer's faithful wife, but she has left her husband to don the uniform of a Union soldier in the Civil War. NEVERHOME tells the harrowing story of Ash Thompson during the battle for the South. Through bloodshed and hysteria and heartbreak, she becomes a hero, a folk legend, a madwoman and a traitor to the American cause. Laird Hunt's dazzling new novel throws a light on the

adventurous women who chose to fight instead of stay behind. It is also a mystery story: why did Ash leave and her husband stay? Why can she not return? What will she have to go through to make it back home? In gorgeous prose, Hunt's rebellious young heroine fights her way through history, and back home to her husband, and finally into our hearts. **La maravillosa granja de McBroom** Puffin Madame Tarsal's prediction that garbage collector Tiffky Doofky will

meet his true love before sunset is upset by a bad-tempered witch, whose spell takes Tiffky far from Popville and very close to sundown.

Dear Friends, I am leaving in rather a hurry to see more of the world, so I have no time to say goodbye to you individually. I embrace you all and sniff you with love. I don't know when I'll be back. But back I will be. Dominic It's time for a change, so Dominic packs his collection of hats and his piccolo and heads out,

letting the world take him where it may. When Dominic encounters members of the Domsday Gang, he easily foils their attempt to rob him. Legend of his victory quickly spreads, and each new friend Dominic meets tells him a story of their own less-fortunate meeting with the villains, and asks for help from the heroic dog. But can one lone dog bring down an entire band of hooligans?

*McBroom's Wonderful One Acre Farm (braille)* Farrar, Straus and Giroux (BYR)  
When Josh McBroom learns that the eighty acres of Iowa farmland he's purchased are all stacked up on top of each other at the bottom of a muddy little pond, he thinks he's been bamboozled. But McBroom knows he's got

the better of the bargain when the pond dries up to reveal an acre of soil so rich that seeds spring up into full-grown plants in no time and even nickels grow into quarters.

*McBroom's Wonderful One-Acre Farm* Rowman & Littlefield

"If you want to pretend you're shrinking, that's all right," said Treehorn's mother, "as long as you don't do it at the table." No one around seems to appreciate what Treehorn's going through, when he starts shrinking after playing a strange

board game. His parents are busy, his friends laugh at him, and he even gets sent to the Principal's office for shrinking. Or was it shirking? Clearly, the adults in his life have no clue and can't help. In the end, Treehorn figures it out on his own, and all is well. . . . At least until he turns green. This oddly offbeat, surreal, and funny story is illustrated with Edward Gorey's signature pen and ink drawings. It will appeal to any kid who feels they're not truly seen or heard by the grown-ups in their life.

Works for adults, too. This 50th Anniversary edition includes an appreciation from Caldecott Honoree Lane Smith, illustrator of *The Stinky Cheese Man*. An ALA Notable Children's Book A New York Times Best Illustrated Book of the Year

## Books

In this bawdy, raucous, and unabashedly frank novel, youth is certainly not wasted on the young. Hailed as "one of the most hilarious and well-observed accounts of teenage debauchery you are ever likely to read" by the trendsetting British lifestyle magazine *Dazed & Confused*, Ben Brooks's *Grow Up* is a shocking, stylish, and very modern coming-of-age story. As Jasper J. Wolf careens through high school, his list of to-dos includes: get high with friends, seduce

the hottest girl in school, and, last but not least, expose his stepfather as a murderer. But as growing up soon teaches him, what he wants and what he gets are often wildly different—and decidedly unexpected.

Tiffky Doofky Harper Collins

"A mesmeric combination of vivid, keen, obsessive precision and raw, urgent energy." --Zoe Williams, Guardian "Thrilling and harrowing . . . Unsurpassed and unsurpassable." --Sunday Times James Rhodes's passion for music has been his lifeline--the

thread that has held through a life encompassing abuse and turmoil. But whether listening to Rachmaninov on a loop as a traumatized teenager or discovering a Bach adagio while in a hospital ward, he survived his demons by encounters with musical miracles. These--along with a chance encounter with a stranger--inspired him to become the renowned concert pianist he is today. Instrumental is a memoir like no other: unapologetically candid,

boldly outspoken, and surprisingly funny--shot through with a mordant wit, even in its darkest moments. A feature film adaptation of Rhodes's incredible story is now in development from Monumental Pictures and BBC Films, following a competitive bidding war involving major U.S. and U.K. companies. An impassioned tribute to the therapeutic powers of music, *Instrumental* also weaves in fascinating facts about how classical music actually works and about the extraordinary

lives of some of the great composers. It explains why and how music has the potential to transform all of our lives.
