In Robert Ludlum's ground-breaking career, no other character so captured and held the world's imagination as Jason Bourne. He appeared in three of Robert Ludlum's own #1 bestselling novels - The Bourne Identity, The Bourne Supremacy, and The Bourne Ultimatum - and they remain amongst Ludlum's most-read and most-loved books to this day. Now, for the first time ever, the Estate of Robert Ludlum has acceded to the demands of readers around the world, turning to bestselling author Eric Van Lustbader to bring Jason Bourne back to life in a thrilling new novel. Jason Bourne is known and feared in the deadly world of covert-ops as one of the most highly skilled assassins for hire. Bourne, however, was merely an identity assumed by CIA agent David

Webb, a personality implanted by the CIA to facilitate a dangerous operation, but one that threatened to subsume David Webb entirely. Years after the events of The Bourne Identity, Webb is no longer an active CIA agent and is now a professor of Eastern Studies at Georgetown University, living a quiet life, far from the dangers of his previous life. Until one day he finds himself the target of an assassin nearly as skilled as himself and is framed for the brutal murder of his two closest associates and friends. Fighting for his life against unseen assailants, as well as the full resources of the CIA who believe he has gone dangerously rogue, the Bourne identity asserts itself, leaving Jason Bourne in control. Now Bourne must use all his skills to stay alive as he battles against a determined assassin, the combined skills of the world's intelligence networks, and a shadowy figure in the background, skillfully manipulating events and people, in a far deadlier and more dangerous game than any of them realize.

Robert Ludlum's (TM) The Bourne Dominion Bantam

Reformed from his days of assassination and conspiracy, Paul Janson has a new mission and a new partner. Working with kickass sharpshooter Jessica Kincaid, he helps other disenchanting covert operatives to create new lives. He also accepts independent jobs, but only missions he believes will contribute to the greater good. Janson takes the job to rescue a doctor who has been

kidnapped by West African rebels. At first, it appears that the doctor's life was spared in order to treat the rebels' wounded leader, but when the mission goes haywire, Janson realizes he's in the middle of something much bigger - and he may be fighting for the wrong side ...

24 hours. 2 people. 1 target. It was 10 a.m. when undercover agent Amelia Jennings arrived at the law firm Goldberg & Associates for a job interview. Her mission was to investigate a series of murders involving some well-known lawyers in the City. Her target, an elusive hired killer who had

been of interest to the police for months. But her plan is doomed to fall apart before it even starts. In less than twenty-four hours Amelia will be the prey in a man hunt and her destiny will become entwined with Mike Connor’s. Their intentions, apparently similar, may prove to be opposite, but the affinity binding them goes beyond what they think they know about each other. One day to survive. One day to let go of the past.

'Olympic style, all-out espionage' Daily Express 'Watch your back 007 - Bourne is out to get you' - Sunday Times Jason Bourne has gradually come to realise who and what he really is - a strange amalgam of a man named David Webb, and a deadly killer. Now David Webb is living a peaceful life as a university professor in the backwoods of America with his wife and children. But someone is reaching out to take him out of the game for ever. A deadly assassin is on his trail and his former handler has been brutally murdered already. It seems that David Webb must once again turn to Bourne to save his life and family.

Sitting Bull and the Plains Indians Grand Central Publishing

Jason Bourne is searching for an elusive cadre of terrorists planning to destroy America's most strategic natural resources. He needs the help of his long-time friend, General Boris Karpov, the newly appointed head of Russia's most feared spy agency, FSB-2. Karpov is one of the most determined, honorable, and justice-hungry men that Bourne knows. But Karpov has made a deal with the devil. In order to remain the head of FSB-2, he must hunt down and kill Bourne. Now, these two trusted friends are on a deadly collision course. From the Colombian highlands to Munich, Cadiz, and Damascus, the clock is counting down to a disaster that will cripple America's economic and military future. Only Bourne and Karpov have a chance to avert the catastrophe-but if they destroy each other first, that chance will be gone forever. THE BOURNE DOMINION Jason Bourne is one of the most compelling and best loved characters created by internationally bestselling novelist Robert Ludlum. The hero of eight novels, including The Bourne Identity and The Bourne Supremacy, Bourne has also been featured in three blockbuster movies starring Matt Damon. Now, New York Times bestselling author Eric Van Lustbader presents a new story about the rogue secret agent who has lost his memory.

Now, New York Times bestselling writer Eric Van Lustbader carries on Jason Bourne's story with a new novel about the rogue secret agent who has lost his memory . . . In this thrilling and absorbing new novel Jason Bourne is faced with an impossible mission. He has been hired to impersonate a high-level government minister at a political summit meeting in Qatar, shielding the minister from any assassination attempts. Suddenly, armed gunmen storm the room, killing everyone but Bourne. Their target, however, isn't the minister Bourne impersonates....it is Bourne himself. Kidnapped and transported to an underground bunker, Bourne finds himself face-to-face with an infamous terrorist named El Ghadan ("Tomorrow"). El Ghadan holds as his captive Soraya Moore, former co-director of Treadstone, and a close friend to Bourne, along with her two year old daughter. Meanwhile, the President of the United States is in the midst of brokering a historic peace treaty between the Israelis and the Palestinians-an event that El Ghadan is desperate to prevent. He demands that Bourne carry out a special mission: kill the President. If Bourne refuses, Soraya and her daughter will die. Bourne must make a monstrous choice: save Soraya and her daughter, or save the President.

The telegrams are signed “Jason Bourne.” Only they know Bourne’s true identity and understand that the telegrams are really a message from Bourne’s mortal enemy, Carlos, known also as the Jackal, the world’s deadliest and most elusive terrorist. And furthermore, they know what the Jackal wants: a final confrontation with Bourne. Now David Webb, professor of Oriental studies, husband, and father, must do what he hoped never to do again—assume the terrible identity of Jason Bourne. His plan is simple: to infiltrate the politically and economically omnipotent Medusan group and use himself as bait to lure the cunning Jackal into a deadly trap—a trap from which only one of them will escape.

The 4-hour Workweek Bantam

For over thirty years, Robert Ludlum has been acknowledged as the master of international suspense and intrigue. In 2000, Ludlum managed to raise the bar yet again with his widely acclaimed bestsellers The Prometheus Deception and The Hades Factor, the first novel in his exciting Covert-One series. Now Covert-One is back, in a novel that could only have come from the imagination of the world's greatest storyteller. "What they're going to do, I never would have believed it. It's insanity!" They were the final words spoken by Yuri Danko, an officer in the medical division of Russia's security service, before his body was ripped apart by a spray of assassins' bullets. In possession of Danko's classified papers, Covert-One operative Jon Smith and CIA undercover agent Randi Russell have unearthed a terrifying global conspiracy that threatens to unleash a plague of immeasurable proportions. A Serb terrorist has been dispatched from Russia to spirit hazardous vials of deadly bacteria into the United States. His mission: deliver it to an unknown American government agent-- a shadowy figure whose own motives for acquiring the bioweapon are made all the more unfathomable when both men are found murdered, and the strain is stolen. Now Smith and Russell must track it down, find the madman who possesses it, and stop him before he holds a defenseless world hostage with the power to render the human race extinct.

Robert Ludlum's The Bourne Treachery Grand Central Publishing

The world's most ruthlessly efficient assasin, Jason Bourne, has carved a bloody swathe through all his opponents but now he's facing the one force he can't defeat--his own past--in the latest thrilling entry in Robert Ludlum's New York Times bestselling series. Three years ago, Jason Bourne embarked on a mission in Estonia with his partner and lover, a fiery Treadstone agent code-named

Nova. Their job was to rescue a Russian double agent who'd been smuggled out of St. Petersburg in the midst of an FSB manhunt. They failed. The Russian died at the hands of a shadowy assassin known only by the nickname Lennon. Now everything has changed for Bourne. Nova is gone, killed in a mass shooting in Las Vegas. Bourne is a lone operative, working in the shadows for Treadstone, when he's called in for a new mission in London—to prevent another assassination masterminded by Lennon. But nothing about this mission is what it seems. As Bourne engages in a cat-and-mouse game with Lennon across the British countryside, he discovers that everything he thought he knew about the past was a lie. And with the body count rising, he comes to an inevitable conclusion: Some secrets should stay buried.
