Biology Mnemonic Book is a book made for last minute revisions before important entrance exams like AIIMS, NEET & other Medical Entrance Exams. It is based on the author's notes which he has prepared himself while preparing for PMT. It compiles all the

important facts in a concise manner, with densely packed notes which makes it easy for students to go through them in a short period of time. In order to make some difficult topics easier to remember, mnemonics have been incorporated. It hasn't included unnecessary information, only important topics and questions which have a high probability of being asked in entrance examination are incorporated.
