DONNA GOODMAN

Bhartrhari and the
Buddhists Harper

Collins

“Louis Fischer, famous
international reporter,
was permitted a week

in the guest house
near Gandhi’s
headquarters, and
daily interviews with
the great Indian leader.
He kept virtually a
stenographic report of
his conversations,
livened with personal
comments, swift pen
pictures of Gandhi and
his followers, as he

encountered them that week last June. One follows the workings of Gandhi's mind, which -- as Fischer says -- is the reason for misapprehension only too often, for Gandhi thinks and speaks simultaneously, and sometimes subsequent statements seem to contradict previous ones, while actually he has simply shared his process of reasoning to a point with his hearers. The most striking evidence of this during Fischer's stay was his expansion of his basic position to indicate that he had, reluctantly, reached a point of accepting the inevitability of India continuing to be a military base for United Nations. He supplemented other much quoted statements, too; for

instance, that dealing with him negotiations with Japan, once India was free -- which he said he would like to think possible but realised would not be possible. He and Nehru agree in feeling that religious differences will be merged, once freedom is granted, that Pakistan is only a bargaining card with England, and so on. Exciting reading, as yet another facet of this tragic, complex problem. Fits into pattern with Mitchell and Raman."-Kirkus Reviews

Reminiscences of the author, principal secretary to Indira Gandhi, 1917-1984, former prime minister of India.

Indira Gandhi Penguin

UK

Now updated with a new chapter on Rahul Gandhi The Congress party has always stayed one step ahead of the opposition by constantly reinventing and re-aligning itself to stay in sync with the political realities of the day. Its president, Sonia Gandhi, pulled off a master-coup in 2004 by declining the prime-ministership, while the incumbent Congress Prime Minister Dr Manmohan Singh is the first prime minister since Nehru to lead the party into two Union government terms. In 2013, Rahul Gandhi was elevated to the post of Congress vice-president amid much fanfare and optimism. Tasked with reviving the grand old party, the young politician remains, in

the minds of many, the best hope to lead the Congress into the next century, marking a new moment in the Congress's concept of `continuity with change?. In his bestselling book 24 Akbar Road, seasoned journalist and veteran Congress watcher Rasheed Kidwai puts together an incisive and engaging account of the Congress's shape-shifting nature and its tenuous hold at the Centre, providing a dispassionate observer's glance at affairs within the Congress. Kidwai brilliantly tracks the story of the contemporary Congress in the years after the Emergency, using the Congress seat of power at 24 Akbar Road as his vantage to draw a

compelling account of the Congress leadership from Indira, Sanjay and Rajiv Gandhi to Narasimha Rao and Sitaram Kesri, to the present- day trinity of Sonia Gandhi, Manmohan Singh and Rahul Gandhi. In this revised and updated edition, Kidwai analyses Rahul Gandhi's appointment to assess what the Congress needs to do to remain India's nerve of power in the coming years, and whether the new vice- president can rally the party to a third consecutive victory at the Centre.' Nehru and Bose Pickle Partners Publishing If You Like The Smell Of Truffles, You Also Like Sex. If, On The Other Hand, You Think It Reminds You Of Socks, Then You'Re Probably Lousy In Bed.'

The Red Sari

HarperCollins UK
 From an acclaimed
 economist and
 politician, a unique,
 never-before-seen look
 at the life of one of
 India's most well-
 known prime
 ministers—Indira
 Gandhi—and her work
 to protect the
 environment and
 champion the
 preservation of nature
 and the climate. Indira
 Gandhi, prime minister
 of India for sixteen
 years, was as
 charismatic as she was
 controversial—both
 admired and criticized
 for her political

judgments and actions. Yet what has never been fully revealed is her lifelong commitment and love for nature and how that defined her very being. Weaving personal, political, and environmental history, politician and scholar Jairam Ramesh presents a compelling portrait of an extraordinary public figure. He chronicles how and why she made a personal passion a public calling; how her views on the environment remained steadfast even as her political and economic stances evolved; how her friendships with conservationists led to far-reaching decisions to preserve India's biodiversity; how she urged, cajoled and persuaded her colleagues in making

significant decisions regarding forests and wildlife; and how her own finely developed instincts and initiatives resulted in landmark policies, programs, and laws that have endured to this day. Drawing extensively from unpublished letters, notes, messages and memos, Indira Gandhi: A Life in Nature is both a lively, engaging narrative about the little-known parts of Indira Gandhi's life, and also sheds important light on climate change and sustaining the environment—today's most pressing global issues.

Daughter of Destiny

Penguin Random House India Private Limited

How did Indira Gandhi reach the pinnacle of Indian politics? Did

India move away from freedom under her leadership? What kind of woman was she? Indira Gandhi made unorthodox use of power and possessed a highly individual style of functioning. In this book, Nayantara Sahgal persuasively argues that authoritarianism was the inevitable outcome of Indira's personality and temperament. Her leadership marked a drastic break with the democratic tradition of her family and of Indian politics. During her regime, the political landscape of India underwent profound changes. The Emergency of 1975-77 was used to promote her son Sanjay as her ultimate successor. The entry of her elder son, Rajiv, into politics after Sanjay's death,

and his immediate political prominence showcased Indira's essential belief in her family's right to rule. Nayantara Sahgal's personal knowledge of her cousin, in combination with her unparalleled access to letters exchanged between Nehru and her mother, Vijaylakshmi Pandit, makes for an unusually penetrating psychological and political portrait from an intimate family viewpoint.

The Collected Food Writings of Vir

Sanghvi Penguin UK
Indira Gandhi, Prime Minister of India for over sixteen years, was a brave freedom fighter and a passionate patriot, deeply committed to the honour and integrity of India. She was also a devoted

mother and grandmother, who was great fun to be with. This is a pictorial biography of Indira Gandhi for children. *Indira Gandhi, Speeches and Writings* Lotus Collection

Indira Gandhi's life spanned over two-thirds of a century. By the time of her brutal assassination in 1984, she had established herself as the most significant political leader India had seen since the death of her father, Jawaharlal Nehru. In this book, written with the close cooperation of her subject, Pupul Jayakar seeks to uncover the many personalities that lay hidden within Mrs Gandhi. Much more than a political biography, the book reveals the complex personality of Indira

Gandhi-her thoughts and feelings, her hates and prejudices, her insights and her faults, her loves and emotional entanglements. Full of startling insights, Indira Gandhi: A Biography paints a magnificent portrait-at once empathetic and unprejudiced-of one of the twentieth century's most remarkable women.

The Assassination of Rajiv Gandhi

iUniverse

Sonia Gandhi's transformation from an unsure Congress party president to the unchallenged political chief of the ruling United Progressive Alliance government happened with some speed in the aftermath of the Congress-led coalition's surprise victory in the 2004

general election. Her renunciation of the prime minister's post enhanced her moral stature in the public eye, but it is her skilled handling of the equation with the Prime Minister, Manmohan Singh, that indicates the emergence of a self-confident politician, secure in her position at the helm of national affairs. In this fully revised and updated biography, Rasheed Kidwai tracks the evolution of the new Sonia Gandhi against the backdrop of the Congress party's return to power after years in the Opposition. The last five years have witnessed the Congress president's growing assurance in her dealings with party stalwarts, with coalition partners and

Opposition leaders. Drawing on his long experience as a political journalist, Kidwai chronicles how Rahul Gandhi's smooth passage into the front rank of the party's leadership was achieved and gives a vivid account of how Sonia Gandhi navigated such critical moments as the 'office of profit' crisis, the presidential election, the Indo-US nuclear deal and the vote of confidence. In *Sonia, A Biography*, Rasheed Kidwai tells the extraordinary story of one of India's most enigmatic women, whose journey from the small Italian town of Orbassano to 10 Janpath, New Delhi, is one of the most fascinating in contemporary India. [Intertwined Lives](#)

Penguin Books India
 Published on the birth
 centenary of J.
 Krishnamurti, *Fire in
 the Mind* is a book of
 important discussions
 conducted with
 Krishnamurti. Held
 from the end of the
 1960s to 28 December
 1985, seven weeks
 before his death on 17
 February 1986, these
 dialogues cover a vast
 ocean of human
 concerns—fear, sorrow,
 death, time, culture,
 ageing and the renewal
 of the brain. They also
 explore subjects that
 are central to scientific
 research today, such
 as the questions of
 biological survival, the
 nature of
 consciousness, artificial
 intelligence, computers
 and the mechanical
 mind. J. Krishnamurti
 needs no introduction.
 A sage, a seer, a
 religious revolutionary

and a teacher of
 profound compassion,
 Krishnamurti negated
 all spiritual authority.
 He sought freedom
 from the Guru, the
 book, tradition and the
 authoritarian voice of
 another. 'Truth is
 within you', he said,
 and to discover that
 truth in the luminous
 light of perception was
 to transform the very
 nature of thought and
 consciousness. It was
 to awaken intelligence,
 insight and an
 abundant compassion.
 The total responsibility
 lay with the individual.
 No one could free
 another from bondage.
 These dialogues reveal
 Krishnamurti's
 approach to self-
 knowing and his way of
 investigation into the
 brain, the mind and the
 consciousness. In a
 world brought to the
 edge of the abyss by

growing violence, soaring religious fundamentalism, the desecration of nature and a massive assault on human integrity, they provide a new direction to those of us seeking an alternative way of life.

 Indira Gandhi S Life Was Part Of The Unfolding History Of India, Intricately Woven With India S Past And Future. It (Became) Inevitable, Therefore, That Politics (Formed) A Backdrop To Her Public And Often Private Actions. Indira Gandhi S Life Spanned Over Two-Thirds Of A Century. By The Time Of Her Brutal Assassination In 1984, She Had Established Herself As The Most Significant Political

Leader India Had Seen Since The Death Of Her Father, Jawaharlal Nehru. In This Book, Written With The Close Cooperation Of Her Subject, Pupul Jayakar Seeks To Uncover The Many Personalities That Lay Hidden Within Mrs Gandhi. Much More Than A Political Biography, The Book Reveals The Complex Personality Of Indira Gandhi-Her Thoughts And Feelings, Her Hates And Prejudices, Her Insights And Her Faults, Her Loves And Emotional Entanglements. Full Of Startling Insights, Indira Gandhi: A Biography Paints A Magnificent Portrait-At Once Empathetic And Unprejudiced-Of One Of The Twentieth Century S Most Remarkable Women. A Personal History

Bloomsbury Publishing
Somewhere deep in the archives of the Nehru Memorial Museum and Library (NMML) in the heart of New Delhi lies a set of papers that researchers and historians interested in recording the history of Indian intelligence, would love to get their hands on. Alas, those documents-transcripts of tape-recorded conversations with RN Kao, the legendary spy chief-are not going to be available until 2025, according to instructions left by him, months before he passed away in 2002. So until those tapes and papers are made public, any biography of Rameshwar Nath Kao or 'Ramji' to friends, colleagues and family would have to depend on personal

memories of a vast array of individuals who knew him in different capacities and their interpretation of his personality and contribution.

Dialogues with J.

Krishnamurti Abhinav

Publications
 For nearly half a century the charismatic, strikingly handsome spiritual teacher J. Krishnamurti gathered an enormous following throughout Europe, India, Australia and North America. From the age of eighteen he was the forerunner of the type of iconoclasm that would bring immediate fame to cult figures in the late twentieth century. Yet recent biographies have left large areas of his life in mystifying darkness. This, however, is no ordinary study of Krishnamurti, for it is written by one whose earliest memories are dominated by his presence as a doting second father—tolerant of pranks and pets, playful and diligent. For over two decades in

their Ojai California haven, where Aldous Huxley and other pacifists found respite during the war years, 'Krinsh' developed his philosophical message. He also placed himself at the centre of her parents' Rosalind and Rajagopal's marriage. In a spirit of tenderness, fairness, objective inquiry, and no little remorse, the author traces the rise of Krishnamurti from obscurity in India by selection of the Theosophical Society to be the vehicle of a new incarnation of their world teacher. Breaking from Theosophy, Krishnamurti inspired his own following, retaining the dedication of his longtime friend Rajagopal, himself

highly educated, to oversee all practicalities and the editing and publication of his writings. How this bond of trust was breached and became clouded in confusion with a new wave of devoteeism lies at the heart of this extraordinary story. So does a portrait of intense romantic intimacy and the conundrum of Krishnamurti's own complex character.

The Earthen Drum

Penguin Books India
In the year 1965, Sonia Maino, a 19-year-old Italian student met a young Indian boy, Rajiv Gandhi, while they were both studying in Cambridge. She was born into a modest family in suburban Turin, where her father was a strict man who kept a close eye on his

three daughters. Much to his chagrin, his painfully-shy middle daughter, of whom he was especially protective, fell in love with a man belonging to the most powerful family in India. This marked the beginning of a story unlike any other - of a carefree Italian girl who was compelled to take on the murky world of rajneeti. With information sourced from close friends and colleagues, this book examines how Sonia's courage, honesty and dedication have made her a leader in the eyes of one-sixth of humanity. From her idyllic childhood to her passionate love affair and from her days as a docile daughter-in-law to her current status of being the only Indian politician to have

refused prime
ministership.

*Lives in the Shadow
with J. Krishnamurti*
Indira Gandhi
Biography

A classic biography of one of the greatest spiritual teachers of our times In 1909, when he was just fourteen, Krishnamurti was proclaimed the world teacher in whom Maitreya, the Bodhisattva of compassion, would manifest. The proclamation was made by Annie Besant, then president of the Theosophical Society, a movement that combined Western occult philosophy with Buddhist and Hindu teachings. Besant trained Krishnamurti in his role as the chosen one but twenty years later he chose to disband the order he

was head of and set out alone on his endless journey— As a contemporary of Krishnamurti and one of his closest associates. Pupul Jayakar offers an insider's view of the fascinating life and thought of an extraordinary individual.

**A Dramatized
Biography of Sonia**

Gandhi Harper Collins
Based on interviews and other source material My Truth is a rare and vitally important book; the story of much of Indira Gandhi's life in her own words. First published in India and France in 1980 when Mrs Gandhi was out of power, it now assumes an extra importance in view of her tragic and untimely death. Told simply and warmly, the book

unfolds the life of a gifted person born into a remarkable family. There are evocative passages of her recollections of her grandfather and the days spent in Allahabad, of the heroes of her childhood, the books she admired, of Jawaharlal exhorting her to take to physical activities, of holidays in the hills, a dream, like childhood abruptly altered as her father plunged into the freedom movement.

Tryst With Power

Penguin Books India
A searing indictment of the suspension of democracy In June 1975, a state of Emergency was declared, where civil

liberties were suspended and the press muzzled. In the dark days that followed, Coomi Kapoor, then a young journalist, personally experienced the full fury of the establishment. Meanwhile, Indira Gandhi, her son Sanjay and his coterie unleashed a reign of terror that saw forced sterilizations, brutal evictions in the thousands, and wanton imprisonment of many, including Opposition leaders. This gripping eyewitness account vividly recreates the drama, the horror, as well as the heroism of a few during those nineteen months when democracy was derailed.
