This series is designed for those who know biblical languages. It is written primarily for the pastor and Bible teacher, not for the scholar. That is, the aim is not to review and offer a critique of every possible interpretation that has ever been given to a passage, but to exegete each passage of Scripture succinctly in its grammatical and historical context. Each passage is interpreted in the light of its biblical setting, with a view to grammatical detail, literary context, flow of biblical argument, and historical setting. While the focus will not be on application, it is expected that the authors will offer suggestions as to the direction in which application can flow.

This commentary seeks above all to explain the text of John's Gospel to those whose privilege and responsibility it is to minister

the Word of God to others, to preach and to lead Bible studies. I have tried to include the kind of information they need to know, but to do so in such a way that the informed layperson could also use the work in personal study of the Bible, exclusively for purposes of personal growth in edification and understanding. In particular, I have attempted: (1) To make clear the flow of the text. (2) To engage a small but representative part of the massive secondary literature on John. (3) To draw a few lines towards establishing how the Fourth Gospel contributes to biblical and systematic theology. (4) To offer a consistent exposition of John's Gospel as an evangelistic Gospel. - Preface.

A new commentary for today's world, The Story of God Bible Commentary explains and illuminates each passage of Scripture in light of the Bible's grand story. The first commentary series to do so, SGBC offers a clear and compelling exposition of biblical texts, guiding readers in how to creatively and faithfully live out the Bible in their own contexts. Its story-centric approach is ideal for pastors, students, Sunday school teachers, and all who want

to understand the Bible in today's world. SGBC is organized into three easy-to-use sections, designed to help readers live out God's story: Listen to the Story; Explain the Story; and Live the Story. Praise for SGBC: "The easy-to-use format and practical guidance brings God's grand story to modern-day life so anyone can understand how it applies today."—Andy Stanley "Opens up the biblical story in ways that move us to act."—Darrell L. Bock "It makes the text sing and helps us hear the story afresh."—John Ortberg "This commentary breaks new ground."—Craig L. Blomberg

*The Word, the Christ, the Son of God* Zondervan Academic Continuing a Gold Medallion Award-winning legacy, the completely revised Expositor's Bible Commentary puts world-class biblical scholarship in your hands. A staple for students, teachers, and pastors worldwide, The Expositor's Bible Commentary (EBC) offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures. The EBC uses the New International Version of the Bible, but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful. Each section of the commentary includes: An introduction: background information, a short bibliography, and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions, key words, and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors, who: Believe in the divine inspiration, complete trustworthiness, and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition, thoughtful discussion, and ease of use—look no further than The Expositor's Bible Commentary.

This volume by Dr. Thomas R. Schreiner on the interplay between Christianity and biblical law is an excellent addition to the 40 Questions & Answers series. Schreiner not only coherently answers the tough questions that flow from a discussion about the Old Testament Levitical Law, but also writes clearly and engagingly for the student. The pastor, student, and layperson can easily understand Schreiner's biblical theology of the Law.

#### *A Theology of John's Gospel and Letters* Zondervan

Designed for the pastor and Bible teacher, the Zondervan Exegetical Commentary on the New Testament features today's top New Testament scholars and brings together commentary features rarely gathered together in one volume. With careful analysis and interpretation of the Greek text, the authors trace the flow of argument in each New Testament book, giving readers the tools they need to properly understand and communicate the meaning of the text. Commentary on each passage follows a clear structure to help readers grasp the flow and meaning of the text: Literary Context: A brief discussion of how the passage functions in the broader literary context of the book. Main Idea: A one- or two-sentence statement of the big idea or central thrust of the passage. Translation and Graphical Layout: Presents each commentator's translation of the Greek text in a graphical layout to help the reader visualize, and thus better understand, the flow of thought within the text. Structure: Describes the flow of thought in the passage and explains how certain interpretive decisions regarding the relationship of the clauses were made in the passage. Exegetical Outline: The overall structure of the passage is described in a detailed exegetical outline. This will be particularly helpful for those who are looking for a way to concisely explain the flow of thought in the passage in a teaching or preaching setting. Explanation of the Text: Commentators examine words and images, grammatical details, relevant Old Testament and Jewish background to a particular concept, historical and cultural context, important text-critical issues, and various interpretive issues that surface. Theology in Application: The theological message of the passage is summarized. The author discusses the theology of the text in terms of its place within the book and in a broader biblical-theological context. Finally, each commentator provides some suggestions on what the message of the passage is for the church today. The Zondervan Exegetical Commentary on the New Testament series is the go-to resource for pastors and Bible teachers looking for deep but accessible study that equips them to connect the needs of Christians today with the biblical text.

**Understanding Biblical Theology** Zondervan Academic

The Zondervan Exegetical Commentary on the Old Testament series serves pastors and teachers by providing them with a careful discourse analysis and interpretation of the Hebrew text, tracing the flow of argument in each Old Testament book and showing that how a biblical author says something is just as important as what they say.

**Ephesians** Baker Academic

An abridgment of the critically acclaimed Expositor's Bible Commentary, this Gold Medallion-winning resource gives you in two volumes all the essential information and practical insights of the original twelve-volume set while trimming off cumbersome technical details. Available individually or as a set.

**John** Zondervan Academic

A helpfully concise commentary on Paul's letter to the early Christians in Rome, which the Apostle wrote just a few years before the outbreak of Nero's persecution. Keener examines each

paragraph for its function in the letter as a whole, helping the reader follow Paul's argument. Where relevant, he draws on his vast work in ancient Jewish and Greco-Roman sources in order to help modern readers understand the message of Romans according to the way the first audience would have heard it. Throughout, Keener focuses on major points that are especially critical for the contemporary study of Paul's most influential and complex New Testament letter.

**John** Homosexuality is one of the most hotly debated topics in the evangelical church today. In *Two Views on Homosexuality, the Bible, and the Church* four contributors, two defending a non-affirming view and two defending an affirming view, address not only biblical and theological questions, but also the pressing pastoral questions for the church.

**John** In Luke's vivid narrative, Jesus comes into Galilee proclaiming "good news to the poor . . . freedom for the prisoners and recovery of sight for the blind." More than any other Gospel, the Gospel of Luke shows Jesus' great concern for the downtrodden, the oppressed and the marginalized--including women and children and even those outside the house of Israel. Darrell Bock's IVP New Testament Commentary shows why Luke's Gospel is "tailor-made" for the world we live in--a world often divided along ethnic, religious, economic and political lines. After all, the Jesus portrayed by Luke is a source of unity for his disciples and for believers from every walk of life. Tax collectors, Roman soldiers, prostitutes, city officials, religious leaders, widows and fishermen were among the diverse group brought together in the early Christian church. "The Gospel is universal in its perspective and cosmic in its scope," Bock writes. "As we look at our modern multicultural world, . . . certainly there is relevance in a Gospel that highlights how men and women of different ethnic origins can be transformed into a unified community." Along with a passage-by-passage exposition of Luke, Bock offers background information on date, destination, purpose, form and theological themes in the text. His dual focus on understanding what Luke wanted to communicate to his original readers and on discovering how that message is relevant for today's readers will make this commentary an excellent resource for all who study, preach or teach the Scriptures.

**The Sheep of the Fold** Zondervan Exegetical Commentar

A substantive commentary on the gospel of John that will help pastors, students, and teachers understand and explain this key New Testament book.

**Acts** HarperOne

Designed for the pastor and Bible teacher, this series brings together commentary features rarely gathered together in one volume. Written by notable evangelical scholars, each volume in the Zondervan Exegetical Commentary on the New Testament series treats the literary context and structure of the passage in the original Greek. The series consistently provides the main point, an exegetical outline, verse-by-verse commentary, and theology in application in each section of every commentary. Critical scholarship informs each step but does not dominate the commentary, allowing readers to concentrate on the biblical author's message as it unfolds. While primarily designed for those with a basic knowledge of biblical Greek, all who strive to understand and teach the New Testament will find these books beneficial. The ZECNT series covers the entire New Testament in twenty volumes; Clinton E. Arnold serves as general editor. In this volume, Clinton Arnold offer pastors, students, and teachers a focused resource for reading Ephesians. Through the use of graphic representations of translations, succinct summaries of main ideas, exegetical outlines and other features, Arnold present Paul's epistle to the Ephesians with precision and accuracy. Because of this series' focus on the textual structure of

the scriptures, readers will better understand the literary elements of Ephesians, comprehend the author's revolutionary goals, and ultimately discovering their vital claims upon the church today.
