English KnowHow responds to the practical language needs of adult and younger adult learners.

**The New Testament for English Readers: Containing ... a Critical and Explanatory Commentary; by Henry Alford. Second Edition** Librairie Droz

The book has been written to meet the million Buddhists' demand for their belief communication. English native speaking countries are approaching Buddhism and reading Buddhism books, therefore this book will help them a lot teach English to monks

and nuns in Buddhist countries. Buddhism has become an international religion for a long time and developed powerfully in Europe and America. The most important thing is the western countries are believing in Buddhism and using English as a tool to communicate. One original method used in the book is interactive communication method. With this method learners can perfect four skills (listening, speaking, reading, writing) directly with their teachers or they can study easily by themselves. The book specializing in English for Buddhism help the learners not only develop technical words and abilities to communicate with Buddhists, but also communicate in daily life. The book introduce the principles of Buddhism, the Buddha's teachings and mindfulness practices.

### **The Legal Protection of Know-how in the United States of America** Educart

The easy accessibility of the Bible in most of the world's major languages can obscure a dramatic and sometimes unexpected story. In Know How We Got Our Bible, scholars Ryan Reeves and Charles Hill trace the history of the Bible from its beginnings to the present day, highlighting key figures and demonstrating overall the reliability of Scripture. Reeves and Hill begin with the writing of the Bible's books (including authorship and dating), move into the formation of the Old and New Testaments (including early transmission and the development of the canon), and conclude with several chapters on Bible translation from the Latin Vulgate to the ongoing work of translation around the world today. Written simply and focused on the overarching story of how the Bible came to us today, Know How We Got Our Bible is an excellent introduction for formal students and lay learners

alike. Each chapter includes reflection questions and recommended readings for further learning.

**Information Highlighting in Advanced Learner English** John Benjamins Publishing

One of the tools that English language teachers use to effectively carry out English language teaching and learning is materials. In this context, English language teachers and English language teacher candidates must have the necessary knowledge and skills regarding creating and designing English language teaching and learning materials. For this reason, in many universities around the world, courses related to material design and development are taught in departments that train English language teachers. Following current developments in foreign language materials design and development is a priority for publishing houses, especially those that design textbooks in the light of current approaches. Thus, this book provides textbook publishers and English language teacher trainees, teachers, academicians and practitioners with the current theoretical and practical directions in developing, designing, and implementing materials to enhance foreign language learning and use.

*Marvelous English Grammar* OUP Oxford

This volume features new perspectives on the implications of cross-linguistic and cultural diversity for epistemology. It brings together philosophers, linguists, and scholars working on knowledge traditions to advance work in epistemology that moves beyond the Anglophone sphere. The first group of chapters provide evidence of cross-linguistic or cultural diversity relevant to epistemology and discuss its possible implications. These essays defend epistemic pluralism based on Sanskrit data as a commitment to pluralism about epistemic stances, analyze the use of two Japanese knowledge verbs in relation to

knowledge how, explore the Confucian notion of justification, and surveys cultural differences about the testimonial knowledge. The second group of chapters defends "core monism"—which claims that despite the cross-linguistic diversity of knowledge verbs, there is certain core epistemological meaning shared by all languages—from both a Natural Semantic Metalanguage (NSM) and skeptical perspective. The third cluster of essays considers the implications of cultural diversity for epistemology based on anthropological studies. These chapters explore real disparities in folk epistemology across cultures. Finally, the last two chapters discuss methods or perspectives to unify epistemology despite and based on the diversity of folk intuitions and epistemological concepts. *Ethno-Epistemology* is an essential resource for philosophers working in epistemology and comparative philosophy, as well as linguists and cultural anthropologists interested in the cultural-linguistic diversity of knowledge traditions.

*Communicative English Plus* Cambridge Scholars Publishing

This book includes the Chapterwise MCQs Question Bank of ICSE English-I, English-II, Physics, Chemistry, Biology, Mathematics, History & Civics, Geography and Hindi Class 10. This book is beneficial for first term.

*Success English STD 3* Routledge

This book merges theory and practical activities to show how research on speech acts can be implemented in EFL teaching.

*The Modern Eclectic Dictionary of the English Language* Pari Publishing (USA)

English KnowHow responds to the practical language needs of adult and younger adult learners.

**Developing and Designing Materials for English Language Teaching and Learning** Ravinder Singh and sons

A major grammar reference book of modern English, specially written for intermediate learners of English.

**Some Systems of Substitution Correlations in Modern American English** OUP Oxford

A range of contexts with international appeal to motivate adult learners. Grammar presentations to satisfy the adult learner's 'need to know' and provide a strong foundation for communication skills. Varied speaking and listening opportunities to develop practical communication skills for use in authentic situations. Reading and writing tasks to encourage learners to reflect on meaning and express their own ideas. Review units, with dedicated 'Recycling' sections, to ensure learners stay in touch with previously acquired language. 'KnowHow' sections offering additional tools to develop pronunciation and efficient learning skills, and a 'Help Desk' feature to provide insight into issues of language usage.

*English KnowHow, Level 1* Cambridge University Press

This book presents the first detailed and comprehensive study of information highlighting in advanced learner language, echoing the increasing interest in questions of near-native competence in SLA research and contributing to the description of advanced interlanguages. It examines the production and comprehension of specific means of information highlighting in English by native speakers and German learners of English as a foreign language, presenting triangulated experimental and learner corpus data as corroborating evidence. The study focuses on learners' use of discourse-pragmatically motivated variations of the basic word

order such as inversion, preposing, and it- and wh-clefts, an underexplored field in SLA research to date. The book also provides a critical re-assessment of the study of pragmatics within SLA. It has largely been neglected to date that L2 pragmatic knowledge includes more than the sociopragmatic and pragmalinguistic abilities for understanding and performing speech acts. Thus, the book argues for an extension of the scope of inquiry in interlanguage pragmatics beyond the cross-cultural investigation of speech acts. It also discusses pedagogical implications for foreign language teaching and will be of interest to applied linguists and SLA researchers, language teachers and curriculum designers.

*Know How We Got Our Bible* Walter de Gruyter GmbH & Co KG

This volume is dedicated to applied linguistic research on multilingualism. The term "applied linguistics" is used in a broad sense and describes several examples of the cooperation between linguists and public service institutions or commercial companies. Furthermore, renowned scholars in the field discuss how applied linguistics may enhance communication in the workplace, in schools and in public service institutions. The areas of application presented in this volume include intercultural communication, language acquisition, language contact, and sociolinguistic variation. The aim is to highlight the importance of applied linguistic research concerning the deployment of multilingualism, and, furthermore, to stimulate the debate about it. With multilingualism in different social settings being its focus, this volume will appeal to scholars in the fields of Applied Linguistics, Sociolinguistics, Second Language Acquisition, and Pragmatics.

**A Dictionary of Slang and Unconventional English** Goodwill Trading Co., Inc.

Chanakya was an Indian teacher, philosopher and royal advisor. He managed the first Maurya emperor Chandragupta's rise to power at a young age. He is widely credited for having played an important role in the establishment of the Maurya empire, which was the first empire in archaeologically recorded history to rule most of the Indian subcontinent. Chanakya is traditionally identified as Kautilya or Vishnu Gupta, who authored the ancient Indian political treatise called Arthashastra. As such, he is considered as the pioneer of the field of economics and political Science in India and his work is thought of as an important precursor to classical economics. Chanakya Neeti is a treatise on the ideal way of life and shows Chanakya's deep study of the Indian way of life. Chanakya also developed Neeti-Sutras (aphorisms—pithy sentences) that tell people how they should behave. Of these well-known 455 sutras, about 216 refer to rajaneeti (the do, S and don'ts of running a kingdom). apparently, Chanakya used these sutras to groom Chandragupta and other selected disciples in the art of ruling a kingdom. Selected Stories of Honoré de Balzac by Honoré de Balzac: In this collection, Honoré de Balzac presents a selection of his acclaimed short stories, showcasing his incredible talent for vivid storytelling and character development.
