Intended To Serve The Academic Needs Of The Students Of English Literature, The Companion Is An Ultimate Literary Reference Source, Providing An Up-To-Date, Comprehensive And Authoritative Biographies Of Novelists, Poets, Playwrights, Essayists, Journalists And

Critics Ranging From Literary Giants Of The Past To Contemporary Writers Like Peter Burnes (1931-2004), Anthony Powell (1905-2000), Patrick O Brian (1914-2000), Iris Murdoch (1919-1999), Grace Nicholas (1950- ) And Douglas Adams (1952-2001). Over The Last Few Decades English Literary Canon Has Become Relatively More Extensive And Diverse. In Recognition Of The Significance Of The New Literatures In English, Special Emphasis Has Been Given On The Writers Of These

Literatures. In Addition, The Indian Writers Writing In English Have Been Given A Prominent Place In The Book, Thereby Making It Particularly Useful For The Students Of Indian English Literature. The Companion Is Unique Of Its Kind As It Gives A Broad Outline Of The Story And Not Merely A Brief Account Of The Plot Structure Of A Literary Work So As To Enable The Students To Have A Fairly Good Idea Of The Story. Likewise, Before Getting Down To The Writings Of An Author, The Companion Provides An Invaluable And Authoritative Biographical Note Believing That An Author S Biography Facilitates Proper Understanding Of His/Her Contributions. On Account Of Its Clear And Reliable Plot Summaries And Descriptive Entries Of Major Works And

Literary Journals And Authentic Biographical Details, The Companion Is A Work Of Permanent Value. It Is Undoubtedly An Indispensable And Path-Breaking Handy Reference Guide For All Those Interested In Literatures In English Produced In The United Kingdom, The United States, Canada, Australia, Africa, The Caribbean, India And Other Countries.

*An introduction to english literature - From Philip Sidney to Graham Swift - Ebook epub* New York : Summit Books  
 Anthony Hope's swashbuckling romance transports his English gentleman hero, Rudolf Rassendyll, from a comfortable life in London to fast-moving adventures in Ruritania, a mythical land steeped in political intrigue. Rassendyll bears a striking resemblance to Rudolf Elphberg

who is about to be crowned King of Ruritania. When the rival to the throne, Black Michael of Strelsau, attempts to seize power by imprisoning Elphberg in the Castle of Zenda, Rassendyll is obliged to impersonate the King to uphold the rightful sovereignty and ensure political stability. Rassendyll endures a trial of strength in his encounters with the notorious Rupert of Hentzau, and a test of a different sort as he grows to love the Princess Flavia. Five times filmed, *The Prisoner of Zenda* has been deservedly popular as a classic of romance and adventure since its publication in 1894. Includes a biography of the author.

Like Lewis Carroll's Alice, Edgar plunges

into a wonderland of bizarre adventures among curious creatures. The author of *A Clockwork Orange* plays with logic and language in this captivating tale for all ages.

*A Clockwork Orange* Cambridge University Press

The fourth edition of this essential Middle English textbook introduces students to the wide range of literature written in England between 1150 and 1400. Beginning with an extensive overview of middle English history, grammar, syntax, and pronunciation, the book goes on to examine key middle English texts — including a new extract from Julian of Norwich's *Revelation of Divine Love* — with helpful notes to direct students to key points within the text. Keeping in mind adopter feedback,

this new edition includes a new model translation section with a student workbook and model exercise for classroom use. This new chapter will include sections on 'false friend' words, untranslatable idioms and notes on translating both poetry and prose. The text and references will be fully updated throughout and a foreword dedicated to the late J. A. Burrow will be included.

 "Anthony Burgess has written what looks like a nasty little shocker, but is really that rare thing in English letters: a philosophical novel." -Time

The Prisoner of Zenda by Anthony Hope  
 e-artnow

The Prisoner of Zenda (1894), by Anthony Hope, is an adventure novel in which the King of Ruritania is drugged on the eve of his coronation and thus is unable to attend the ceremony. Political forces within the realm are such that, in order for the king to retain the crown, his coronation must proceed. Fortuitously, an English gentleman on holiday in Ruritania who resembles the monarch is persuaded to act as his political decoy in

an effort to save the unstable political situation of the interregnum. The name of the villain in *The Prisoner of Zenda*, Rupert of Hentzau, is the title of the sequel novel, *Rupert of Hentzau* (1898), published four years later, and is included in some editions of *The Prisoner of Zenda*. The popularity of the novels inspired the Ruritanian romance genre of literature, film, and theatre that features stories set in a fictional country, usually in Central Europe and Eastern Europe, such as Ruritania, the Central European realm that named the genre,[1] which includes the Graustark novels by George Barr McCutcheon.

This is probably one of the best-known and well-loved stories in Western culture, as it has 5 times been made into a film. The hero of the story is Rudolph Rassendyl who, finding himself in the mythical land of Ruritania, is swept into a fast-paced and exciting adventure in an attempt to save the rightful King from would-be conspirators.

*HPSC Exam PDF- Haryana Assistant Professor (English Subject) Exam PDF eBook* Univ. Press of Mississippi  
Anthony Hope (1863-1933) was a prolific writer, especially of adventure novels, but he is remembered predominantly for two books: *The Prisoner of Zenda* (1894) and its sequel *Rupert of Hentzau* (1898). These works, "minor classics" of English literature, are set in the contemporaneous fictional country of

Ruritania and spawned the genre known as Ruritanian romance.

*English Literature* Hal Leonard Corporation

This premium quality large print edition includes the complete, unabridged text of Anthony Hope's classic tale in a freshly edited and newly typeset edition. With a generous 6" x 9" page size, this large print edition is printed on heavyweight 60# bright white paper with a fully laminated cover featuring an original full color design, and includes footnoted annotations, added sparingly, to aid the modern reader with particularly obscure terms and usages. The Prisoner of Zenda follows the adventures of Rudolf Rassendyll, an honorable but idle descendant of a rumored "wrong side of the blanket"

lineage resulting from a dalliance between a visiting King of Ruritania and a very married English countess. Faced with the prospect of actually commencing employment as a diplomatic attache, Rudolf plans to spend time vacationing on the continent, and decides on a visit to Ruritania. A chance encounter with the Crown Prince on the eve of his coronation as king reveals that the two, while not identical, are enough alike to fool most people. A fortunate coincidence, because political intrigue waylays the Prince, the situation demands that the coronation take place as scheduled, and Rassendyll is persuaded by the Prince's aides to stand in for the ceremony. But the deception is immediately complicated by the kidnapping of the real king by his

enemies, led by his half-brother, Prince Michael, and the romantic attachment which springs up between Rassendyll and Princess Flavia, the real king's intended bride. Written with a broad, but dry, sense of humor, the story twists and turns through the maneuverings of the opposing factions, a fast-paced adventure story and poignant romance with chases, narrow escapes, duels, deceptions, and unexpected complications. Sir Anthony Hope Hawkins (1863-1933), who published during his lifetime as "Anthony Hope," was an English novelist and playwright. Called to the bar by the Middle Temple in 1887, he gave up what was by all accounts a very promising legal career to pursue writing. The author of over thirty novels and several plays, he

enjoyed a wide popular following in his time, but is known today primarily for only two of his books: *The Prisoner of Zenda* (1894) and *Rupert of Hentzau* (1898), a true sequel. Sometimes identified as a "minor classic" of English literature, "*The Prisoner of Zenda*" received high praise from other writers such as Robert Louis Stevenson and A.E.W. Mason and was a phenomenal success when published, inspiring an entire genre in adventure fiction, the "Ruritanian Romance." The high-water mark of Hope's career, the novel has been adapted for film many times, and has also been produced on the stage. [The Prisoner of Zenda \(Illustrated\)](#)

The Prisoner of Zendaby Anthony Hope If historically tinged action-adventure is your genre of choice, hang on to your hat - you're in for a wild ride. In The Prisoner of Zenda, Anthony Hope relates the misadventures that befall the soon-to-be-crowned king of the fictional country of Ruritania in the days leading up to his coronation. An English tourist who just happens to be a dead ringer for the king is called into service as a decoy, and a string of increasingly perilous scrapes follow. We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have

been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

History of English Literature from "Beowulf" to Swinburne  
Phoemixx Classics Ebooks

Over the course of more than three centuries of Romanov rule in Russia, foreign visitors and residents produced a vast corpus of literature conveying their experiences and impressions of the country. The product of years of painstaking research by one of the world's foremost authorities on Anglo-Russian relations, *In the Lands of the Romanovs* is the realization of a major bibliographical project that records the details of over 1200 English-language accounts of the Russian Empire. Ranging chronologically from the accession of Mikhail Fedorovich in 1613 to the abdication of Nicholas II in 1917, this is the most comprehensive bibliography of

first-hand accounts of Russia ever to be published. Far more than an inventory of accounts by travellers and tourists, Anthony Cross's ambitious and wide-ranging work includes personal records of residence in or visits to Russia by writers ranging from diplomats to merchants, physicians to clergymen, gardeners to governesses, as well as by participants in the French invasion of 1812 and in the Crimean War of 1854-56. Providing full bibliographical details and concise but informative annotation for each entry, this substantial bibliography will be an invaluable tool for anyone with an interest in contacts between Russia and the West during the centuries of Romanov rule.
