efficiently at print speeds of up to 15 pages per minute (ppm) mono and 12 pages per minute. The Dell 1355cn and Dell 1355cnw multifunction colour printers. Hi Zohaib, Many thanks for your response. I only purchased the printer in April this year so will get on to the supplier. Having experimented with various settings you might like to know that this over printing is only happening on paper of over 80 grams and it sounds as though the throughput of the thicker paper is being slightly delayed by the printer mechanism. Solved: Printing problem with 1355cnw printer - Dell Community. Even oftener it is hard to remember what does each function in All in

One Printer Dell 1355CN is responsible for and what options to choose for expected result. Fortunately you can find all manuals for All in One Printer on our side using links below.
