Thus it is such an attempt in which one or more persons participate belonging to some social system. Definition of Social Action. According to Duncan Mitchel “Action is social when the actor behaves in such a manner that his action is intended to influence the action of one or more other persons.” What is Social Action Definition, Types & Elements with ...Max Weber.

The basic concept was primarily developed in the non-positivist theory of Max Weber to observe how human behaviors relate to cause and effect in the social realm. For Weber, sociology is the study of society and behavior and must therefore look at the heart of interaction. The theory of social action, more than structural functionalist positions, accepts and assumes that humans vary their actions according to social contexts and how it will affect other people; when a potential ...
