Make hats, scarves, sweaters, an afghan and more-- without knitting needles!-- **Chunky Knits: 35 projects to make** CICO Books Bring the hygge home with these chic and cozy chunky knits. This book shows you how to use jumbo knitting needles and crochet hooks, or just your hands and arms, to create fun, trendy accessories for yourself and your home. Even if

you're a beginner, this book is for you. Chunky knitting uses thick yarn, so it's easy to work with without worrying about being too precise. Although the knitting is quick and easy, the results are charming. This book includes a wide variety of accessories, with 23 different projects, including: Up your infinity scarf game with a comfy cable knit neckwarmer A loose-knit beanie that's

both cute and practical Multiple headbands to help you create the perfect hair accessories An oversized clutch to make your next night out a bit funkier A warm blanket to snuggle up with A cat bed for your fur child Illustrated step-by-step lessons in the basics of hand/arm knitting, chunky knitting and chunky crochet take you through each project, while lifestyle images of the

finished pieces provide inspiration. *Big Yarn, Beautiful Lace Knits* Annie's A Step-By-Step Guide to Learn How to Knit Beautiful Pieces in the Round Can you knit flat? If so, then you can also knit in the round! There is no big mystery to it, and this book will teach you how to do it. Knitting in the round creates a seamless circular fabric and opens up a world of possibilities for crafts such as hats, sweaters, cowls, and

socks. Knitting in the round, often known as circular knitting, produces a seamless tube such as in socks, sweaters, and hats. When you work in the round, you'd first cast on a number of stitches, then join the first and last cast-on stitches to continue knitting; the knitting spirally progresses in rounds (like the rows in flat knitting). Circular knitting has numerous benefits. The

fabric's weight is uniformly distributed on the needles, reducing stress on the arms and wrists. Purling is not necessary in stockinette stitch, which is frequently seen as one of the huge benefits of circular knitting. The creation of garments like sweaters is also made easier because knitting in the round nearly completely removes the finishing processes of sweater

together. Although double-pointed needles (DPNs) can be used to knit in the round, however, starting with a circular needle is advised because it is easier to use. You will also have to use a bunch of stitches when knitting in the round such that the stitches span the complete circumference of the circular needle. You will rapidly master knitting in the round with a circular needle if you practice

consistently with it. There are various techniques, tips, tools, and troubleshooting tricks you must be familiar with, which are vital for your success in circular knitting, and that's what this book aims to help you achieve. Below are snippets of what you will learn; 1. Tools and accessories of circular knitting plus pointers to make the right choice 2. Important knitting terms and

Inspired by *Outlander*, the romantic tale of time travel and adventure, *Highland Knits* is a rustic, yet sophisticated collection of quick-to-knit projects. These 16 simple, enduring designs will have you stylishly covered no matter what place, or time, you call home. From Claire's "Rent Collection Shawl" to the "Sassenach

Cowl," all your favorite pieces worn by the series' beloved heroine, and then some, are here, waiting to be knit. You'll find each piece relevant to your wardrobe, whether dressing for today or eighteenth century Scotland. **Circular Knitting Handbook**
Macmillan
Discover this fresh, relaxed approach to knitting for kids! You'll delight in this collection that blends

timesaving techniques with smart fashion for children. Knit up sweaters, cardigans, a tunic, a party dress, and more--choose from 14 up-to-date designs for girls and boys, sizes 4 through 12. Start and finish projects with plenty of time left for kids to wear them before they outgrow them; big needles mean faster, easier knitting. Minimal finishing requirements make patterns a snap to complete;

flexible options make it easy to substitute different yarns. *More Big Girl Knits* Leisure Arts. Who knew you could actually knit without needles? Put down those complicated knitting projects that take forever to finish. *Knitting Without Needles* brings cool home, gifts, and clothing accessories--cowls, totes, rugs, poufs, scarves, and more--within arm's reach. An all-in-one resource for a new kind of

craft, this book shows you how to loop yarn with your fingers or your forearms with thirty patterns that are simple to follow and produce stylish results. Best of all, many of them knit up fast--in less than an hour! Even if you've never picked up knitting needles, you can easily master the techniques to make fun knits with kids and for kids (a princess crown, baby booties) and even last-minute gifts (a

statement necklace for your fashionista friend). With stunning photography, plenty of step-by-step photos, and a detailed resource section, *Knitting Without Needles* is your go-to for a new way to knit.
