The Commentary of Ibn Ezra on Isaiah Pneuma Life Pub

While the world taps its feet, Ethiopia breakdances with its shoulders. This is an uplifting, inspirational country which confounds expectations. It's no featureless desert but a land of majestic landscapes surrounding a vast, fertile plateau. The rock-hewn churches in its medieval capital, Lalibela, are regarded by many as the eighth wonder of the world. Its people are welcoming, proud and besotted by their own culture and history. Bradt's Ethiopia is the most thorough guide available to this country rich in culture, history and dramatic scenery, and has been highly praised by both travel press and readers. 'Thorough and reassuring, it provides all the practical and background information to make readers leap from their armchairs and visit this vast, magical country' The Daily Telegraph (UK)

The Book of Mormon Vindicated Independently Published

'Biblical Exegesis in African Context' explores how the Church in Africa can affirm its uniqueness in terms of the African identity and experiences, and at the same time, remain faithful to the gospel message. The volume begins with an explanation of exegesis and hermeneutics, and the agenda for the rest of the book is set. The second chapter deals with textual criticism, which is the task of determining the originality of a biblical text. In chapter three, issues related to the context of the text are considered, after which the volume proceeds to examine the various literary forms present in the Bible— prominent among them being— Narrative, Law, Poetry, Prophecy, Wisdom Literature, Gospels, Acts of the Apostles, Epistles and Revelation. The authors then dedicate the next chapter to discussions on socio-rhetorical interpretation. The final chapters of the book deal with matters solely related to the context of Africa; this part intends to equip readers to be able to interpret the Bible from African cultural perspectives and then apply the gospel message meaningfully to the life of African Christians. Chapter seven deals with the emergence and historical development of African Biblical Studies (ABS), noting its relevance and how Africans can benefit from it. The main contention of the chapter is that Africans will better understand and apply God's word to their lives if they read the Scriptures in an African way. The volume then explores how African languages can be used to derive the meaning of scripture and apply it to real-life situations. Here, the authors contribute to the development of MTBH by developing a methodological framework for this interpretative tool. The next chapter of the volume deals with mother-tongue theologizing in Ghana. The final chapter considers the legitimacy of female leadership in the Church within the African context through the examination of two Pauline texts. This volume will be of interest to undergraduate and graduate seminary students, students of Biblical Interpretation in religions departments, as well as practicing pastors.

Beyond the Rivers of Ethiopia InterVarsity Press

This book recounts the stories of just some of the hundreds of peasant farmers from Southern Ethiopia who God called to take the Gospel message into previously inaccessible regions, to people so fierce they would not hesitate to kill an outsider. It is a brief record of some of their culture, the security of their families and who, with Bible and water bottle in hand and confidence in their saviour, took the message of Jesus Christ over the mountain ranges and beyond the rivers to those who had never heard of Him. Today, through the sacrifices and sufferings of men like these, there are thousands of churches throughout the mountains of Southern Ethiopia. These stories will shock encourage, challenge and provoke you to follow their example as gospel warriors.

For the early church fathers the prophecy of Isaiah was not a compendium of Jewish history or theology but an announcement of the coming Messiah fulfilled in the life and ministry of Jesus of Nazareth. In this ACCS volume, readers will find commentary on Isaiah 1-39 ranging from East to West and from the first through the eighth centuries.

A TIME 100 Must-Read Book of 2021 A New York Times Best Science Fiction and Fantasy Book of 2021 The Stonewall Book Award winner of 2022 Named a Best Book of 2021 by NPR, The New York Public Library, Publishers Weekly and more! A triumphant, genre-bending breakout novel from one of the boldest new voices in contemporary fiction. Vern—seven months pregnant and desperate to escape the strict religious compound where she was raised—flees for the shelter of the woods. There, she gives birth to twins, and plans to raise them far from the influence of the outside world. But even in the forest, Vern is a hunted woman. Forced to fight back against the community that refuses to let her go, she unleashes incredible brutality far beyond what a person should be capable of, her body wracked by inexplicable and uncanny changes. To understand her metamorphosis and to protect her small family, Vern has to face the past, and more troublingly, the future—outside the woods. Finding the truth will mean uncovering the secrets of the compound she fled but also the violent history in America that produced it. Rivers Solomon's Sorrowland is a genre-bending work of Gothic fiction. Here, monsters aren't just individuals, but entire nations. It is a searing, seminal book that marks the arrival of a bold, unignorable voice in American fiction.

Nigeria predicted in the Bible is an inspirational book that unlocks the prophecies concerning Nigeria and some other nations, and institution. The emphasis dwells more on Nigeria and her citizen's biological ancestries. Historians recorded the ancient Ethiopia cover extensive part of West Africa and that excludes Proper Guinea. The prophecy says beyond the rivers of Ethiopia there is a nation whose land the rivers divide; this prophecy pointed to Proper Guinea which is beyond ancient Ethiopia territory where we found Nigeria, a nation with two great rivers from different location forming a confluence and creating the greatest delta in Africa. This is the Y symbol in Nigeria coat of arms which explains the emphasis of a nation whose land the rivers divide. Through the prophecies and historical records, we are been informed that Nigerians ancestors were true biblical Israelite s fugitives; that settled in present day Nigeria. Zephaniah 3 v 10; From beyond the rivers of Ethiopia my suppliants, even the daughter of my dispersed, shall bring mine offering. Isaiah 18 v 7b; a nation whose land the rivers or great channels divide-to the place [of worship] of the Name of the Lord of hosts, to Mount Zion [in Jerusalem]. Amplified Bible Version. Connecting a nation in west Africa to mount Zion and declaring them as daughters of my dispersed is a food for thought. 7 FACTS YOU MUST KNOW ABOUT NIGERIA1) A predicted nation that will be the gospel torchbearer before the end will come. Isaiah 18 v 7a; (RSV)2) She is the nation that is beyond the rivers of (ancient) Ethiopia 'whose land the rivers divide'. The ongoing Egyptian-Ethiopian dispute over the Nile waters is potentially one of the most difficult issues on the current international agenda, central to the very life of the two countries. Analyzing the context of the dispute across a span of more than a thousand years, *The Cross and the River* delves into the heart of both countries' identities and cultures. Erlich deftly weaves together three themes: the political relationship between successive Ethiopian and Egyptian regimes; the complex connection between the Christian churches in the two countries; and the influence of the Nile river system on Ethiopian and Egyptian definitions of national identity and mutual perceptions of the Other. Drawing on a vast range of sources, his study is key to an understanding of a bond built on

both interdependence and conflict.

Nigeria Predicted in Bible

Is God's Sign real? Has God been talking to us? Or are we the real demagogues of our own image? Sudan has been the land of Biblical plagues, where the locusts came down upon Egypt. And Sudan has sent envoys on boats by water (down the Nile River or down the Red Sea) to Jerusalem. This included Eben-Malech, who saved Jeremiah, (Jeremiah 38:7-13) and the treasurer of Queen Candice (Acts 8:26-40). The prophecy in Isaiah 18 could well refer to Southern Sudan. It speaks of a land "beyond the rivers of Ethiopia" which worships the Lord God. They are described as "a nation tall and smooth of skin," feared all over the world.
