[Gals on the Run](#) Morgan James Publishing  
A raucous skewering of the art world as told by a master of absurdity Matthew Thurber's Art Comic is a blunt and hilarious assault on the swirling hot mess that is the art world. From sycophantic fans to duplicitous gallerists, fatuous patrons to self-aggrandizing art stars, he lampoons each and every facet of the eminently

ridiculous industry of truth and beauty. Follow Cupcake, the Matthew Barney obsessive; Epiphany née Tiffany Clydesdale, the divinely inspired performance artist; Ivanhoe, a modern knight in search of artistic vengeance, and his squire, Turnbuckle. Each artist is more ridiculous than the last, yet they are tested and transformed by the even more absurd machinations of Thurber's fantastical art world. Can the Free Little Pigs destroy this blighted system? Will "The Group" continue its indirect assassination of promising young artists? Can artistic integrity exist in this world amid the capitalist co-opting, petty rivalries, otherworldly portals, heavenly interventions, and murders at sea? Art Comic is brimming with references and cameos, outsize personalities and shuddering nonsense—Robert Rauschenberg smashes a beer bottle, Francesca Woodman, a wineglass. In the center of it all, Thurber's twisted drawings and laugh-out-loud dialogue convey a complicated picture of an industry at the intersection of fantasy and reality. Part scathing condemnation, part

irreverent appreciation, Thurber's comics skewer the art world in a way only an art lover can.

Take a fascinating journey into the life of one of the most respected, sought-after, and renowned magicians alive today: Lon Milo DuQuette. In this follow-up to his popular autobiography, *My Life with the Spirits*, DuQuette tells how a friend was cursed by a well-known foreign filmmaker and how they removed that curse with a little help from Shakespeare. He

explains how, as a six-year-old, he used the Law of Attraction to get a date with Linda Kaufman, the most beautiful girl in first-grade. DuQuette also reveals the ins and outs of working with demons and provides a compelling account of performing an exorcism at a private Catholic high school. As entertaining as they are informative, the true stories in this memoir contain authentic magical theory and invaluable technical information.
