Novel, Vol. 4* Walker Books

Is love worth betraying everything? Plunge
into the second adventure in the

internationally bestselling Mortal
Instruments series and “prepare to be
hooked” (Entertainment Weekly). Clary
Fray just wishes that her life would go
back to normal. But what's normal when
you're a demon-slaying Shadowhunter,
your mother is in a magically induced
coma, and you can suddenly see
Downworlders like werewolves, vampires,
and faeries? If Clary left the world of the
Shadowhunters behind, it would mean
more time with her best friend, Simon,
who's becoming more than a friend. But
the Shadowhunting world isn't ready to let

her go -- especially her handsome,
infuriating, newfound brother, Jace. And
Clary's only chance to help her mother is
to track down rogue Shadowhunter
Valentine, who is probably insane,
certainly evil—and also her father. To
complicate matters, someone in New York
City is murdering Downworlder children. Is
Valentine behind the killings—and if he is,
what is he trying to do? When the second
of the Mortal Instruments, the Soul-Sword,
is stolen, the terrifying Inquisitor arrives to
investigate and zooms right in on Jace.
How can Clary stop Valentine if Jace is

willing to betray everything he believes in to help their father? In this breathtaking sequel to *City of Bones*, Cassandra Clare lures her readers back into the dark grip of New York City's Downworld, where love is never safe and power becomes the deadliest temptation.

Bones, now a major motion picture. Discover this first installment of the internationally bestselling Mortal Instruments series and “prepare to be hooked” (Entertainment Weekly). Enter the world of the Shadowhunters in this special edition of the New York Times bestselling *City of Bones*, complete with gorgeous cover art from the movie. When fifteen-year-old Clary Fray heads out to the Pandemonium Club in New York City, she hardly expects to witness a murder—much less a murder committed by three teenagers covered with strange tattoos and brandishing bizarre weapons. And she’s more than a little startled when the body disappears into thin air. Soon Clary is introduced to the world of the Shadowhunters, a secret cadre of warriors dedicated to driving demons out of our world and back to their own. And Clary is introduced with a vengeance, when her mother disappears and Clary herself is almost killed by a grotesque monster. How could a mere human survive such an attack and kill a demon? The Shadowhunters would like to know... [The Mortal Instruments](#) Simon and Schuster
