men. To research her audience, she investigates FemDom (as Female Domination is called in popular culture). Certain that she's discovered her true nature, Joyce begins experimenting with various facets of female domination. She begins interacting with submissive men--teasing, humiliating, demanding. Now the youthful appearing Senior is pursued by

submissive men far younger and wealthier than she could otherwise attract. Determined to master the art of dominance, she attends a convention of Adult Babies, joins a spanking society, gets served by Sissy Maids, learns how to penetrate a man with a strap-on device, rides a human horse steered by a penis lead, dates a wealthy man who craves electroshocks to his genitals, and acquires a

slave. She details many aspects of FemDom including ClubFem (with its slogan "Women Enslaving Men"), male chastity devices, a BDSM resort where women rule, consensual slavery and FinDom (Financial Domination). With her newly acquired kinky expertise and superior attitude, it's hot and cold running subs for this over-the-hill miss! Nazisplotation ! A&C Black

With the intrigue of a psychological thriller, Camus's masterpiece gives us the story of an ordinary man unwittingly drawn into a senseless murder on an Algerian beach. Behind the intrigue, Camus explores what he termed "the nakedness of man faced with the absurd" and describes the condition of reckless alienation and spiritual exhaustion that characterized

so much of twentieth-century life. First published in 1946; now in translation by Matthew Ward. Journey Into Chastity, Book One Greenery Press (CA) Stendhal, George Sand, Rachilde, Georges Bataille: Forgoing the patronym, with its weight of meaning, these modern French writers renamed themselves in their work. Their use of pseudonyms, as Maryline Lukacher demonstrates in this

provocative study, is part of a process to subvert the name of the father and explore the suppressed relation to the figure of the mother. Combining psychoanalytic criticism, feminist theory, and literary analysis, Maternal Fictions offers a complex psychological portrait of these writers who managed at once to challenge patriarchal authority and at the same time attempt to return to

<p>the maternal. Through readings of <i>Armance</i>, <i>Le Rouge et le noir</i>, <i>La Vie de Henry Brulard</i>, and <i>Les Cenci</i>, Lukacher exposes Stendhal's preoccupation with his dead mother, who is obsessively retrieved throughout his work. George Sand's identity is, in effect, divided between two mothers, her biological mother and her grandmother, and in <i>Histoire de ma vie</i>, <i>Indiana</i>, and <i>Mauprat</i>, we see the</p>	<p>writer's efforts to break the impasse created by this divided identity. In the extraordinary but too little known work of Rachilde (Marguerite Eymery), Lukacher finds the maternal figure identified as the secret inner force of patriarchal oppression. This resistance to feminism continues in the pseudonymou s work of Georges Bataille. In <i>Ma mère</i>, <i>Le coupable</i>, and <i>L'Expérience</i></p>	<p>intérieure Lukacher traces Bataille's representation of the mother as a menacing, ever subversive figure who threatens basic social configurations . Maternal Fictions establishes a new pseudonymou s genealogy in modern French writing that will inform and advance our understanding of the act of self-creation that occurs in fiction. <i>An Essay in Applied</i></p>

18th-century women, European court theatres, and, most strikingly, entails the remarkable discovery of a previously unknown French feminist. In 1790, Jodin, a protégée of Denis Diderot and a former actress, published a treatise entitled *Vues législatives pour les femmes* (Legislative Views for Women), which can lay claim to being the first signed, female-

authored feminist manifesto of the French Revolutionary period, and which reveals Jodin's wide reading in women's history and feminist writing since ancient times. This new critical and contextual biography traces the turbulent life of an extraordinary woman, focusing particularly on her transformation from artisan's daughter, to tragic actress, to Enlightenment

intellectual and feminist. The authors analyze the confrontations and scandals that beset her career, and read her feminist treatise—here reproduced, for the first time in English, in its entirety—as the summation of a chaotic but passionate existence. Also presented for the first time in English, fully set in their biographical and historical context, are the twenty-one letters that constitute

Diderot's correspondence with Jodin. The varied and fascinating documentation concerning Jodin, which has only recently been discovered, provides a window on the world of 18th-century women. While memoirs and biographies of aristocratic women and upwardly mobile salonières such as Mme. Geoffrin and Mme. Roland are legion, chronicles of the lives of individual women lower

down the social ladder are far fewer in number. A contemporary of Mary Wollstonecraft and Olympe de Gouges, Jodin argued for the social reform of working-class women, particularly prostitutes, to render them worthy to exercise the rights of citizenship. *Deadlier Than the Male: Femme Fatales in 1960s and 1970s Cinema* 1231 Publishing In Office Cuckold, evil Hot Wife

Sandra takes the humiliation up a notch on her submissive cuckold husband Patrick, also known as sissy Patsy. Mistress Sandra decrees that Patsy must ask his boss to date and bed Mistress. It's office and workplace humiliation taken to the max when Patsy begs and grovels at his boss's feet. SUNY Press This book, which takes place in the present, is about a family dealing with

the challenges of modern life. Beyond that, however, it is a commentary about different ways, some healthy, some not, that people are choosing to network in the 21st century.

Inside Lesbian

Gender The Mistress Manual The Good Girl's Guide to Female Dominance John is a college student currently separated from his fiance Laura, while she begins a hot

sexual affair with her roommate Christine. Though John is anxious to have Laura back, with Christine now a permanent fixture in Laura's life, the terms of the relationship are about to radically change. Either John agrees to be submissive in a menage a trois with two dominant females, or he's out. Eager to stay in Laura's good graces John agrees to anything, including public

humiliation, panty wearing, and Laura's unique punishment for unauthorized masturbation: a locking chastity device. She tricks him into putting it on, not telling him that Christine has the keys. Later he learns from Christine that a key has been hidden in his weekend bag all along. But now, the demanding Christine wants him to consciously choose to remain in chastity! John

can't help wonder who's running the relationship, Laura or Christine? As the two femmes take charge, John is trained to serve their every whim, to call them mistress, and play their humiliating sexual games. When he fails to please this daunting duo, he suffers a variety of painful punishments from bondage to whipping to being sodomized with a strap-on. Despite the rough demands of

his new life, John finds his surrendering role strangely pleasing, and highly erotic. All misgivings aside, he's still in love with Laura, and willing to slavishly serve both women in order to have her. But how long can this strange menage a trois survive? Will John ever have Laura to himself again? Is Christine really falling in love with him? Although John's journey into chastity has just begun, it's certain to take some curious

twists as these two lovely, in charge females turn this wary college boy into their groveling slave.

This is the first full-length study in any language of the writings of a remarkable figure in French literary and cultural history, author of nine prose fiction works between 1958 and 1988. Despite establishment recognition and a popular mass-market following, Christiane Rochefort has hitherto received surprisingly little critical attention. Her

fiction forms an easily approachable learning tool for all students of post-war French politics and culture; the bestseller, *Les Petits Enfants du siècle*, is a set text in schools and universities in the UK and USA. This novel of growing up in the working class high-rises of Paris, written in the language of the streets, provides a vivid, child-centred view of a young girl's social, political and

sexual awakening. *The Novels of Christiane Rochefort* looks at each novel in turn and applies close attention to the narrative sophistication and political subversion of the books. Certain contemporary themes run through her work: the status of children, language as instrument of oppression and subversion, homosexuality, incest, child abuse. Each chapter of this book provides

in-depth cultural and socio-political background material, and delivers a study that will be of great interest and value to students across a wide range of literary and cultural disciplines.

"A literary theft, a death and the sparking of desire make for a tumultuous year in the lives of four New Yorkers . . . [a]

polished, affecting novel.” —People Adam Weller is a moderately successful novelist, past his prime—but squiring around a much younger woman and still longing for greater fame and glory. His former wife, Eleanor, is unhappily playing the role of the overweight, discarded woman. Their daughter, Maud, has just begun a frankly sexual affair with an Arab American

man that unexpectedly becomes life-changing. Into each of these lives the past intrudes in a way that will test them to their core. Navigating nimbly between sharp humor and deeply felt emotion, the award-winning author of *Florence Gordon* tells a story of love, friendship, literary treachery, and what each of us owes to the past. “Inside [Morton’s] broad comedy of manners is a heartfelt

novel about the redemptive power of suffering.” —The New Yorker
“Morton is the rare writer equally invested in people and ideas. . . . [He] creates some of the most complex and real female characters of any writer.” —San Francisco Chronicle
[Female Domination with Miss Erica Kent: Vintage Volume II](#)
Vintage Darnton has ably mined the available evidence

surrounding the 1749 investigation and string of arrests for sedition known as the "Affair of the Fourteen" and produced a remarkable analysis of a subversive Parisian public discourse that openly attacked the king, his mistress, new taxes, and an unpopular peace treaty. Darnton lucidly reconstructs a world where information traveled through poems and songs set to familiar

melodies; he reminds us that our world of instant communication, tweets, and 24-hour news cycles is not as distinctive as we may believe. With rich end matter that includes the lyrics of poems and songs as well as a link to a superb recording of some of the songs by cabaret artist Helene Delavault, this interdisciplinary piece is highly recommended for serious students across the

humanities as well as readers with an interest in 18th-century French culture and politics.
