Oxford American Dictionary Oxford University Press, USA

A collection of more than six hundred slang terms of American political speech encompasses informative entries on such words as "boondoggle," "juice bill," and "Joe Citizen," including both the definition of the word and its historical background.

The Oxford Paperback Dictionary OUP Oxford

An all-in-one reference providing convenience, value, and the authority of Oxford dictionaries. The Oxford American Desk Dictionary & Thesaurus Third Edition is the ideal all-in-one reference, with a dictionary and a thesaurus combined in one handy, integrated volume. A word's meanings, synonyms, and antonyms are given in the same entry, allowing the user access to all this information at a glance. The text is fully updated with the latest lexical content, informed by Oxford's extensive language research program, including the Oxford English Corpus, a unique electronic database of more than two billion words that allows us to offer the fullest, most accurate picture of the English language today. Hundreds of new words cover computing, ecology, technology, and many other subjects. The Dictionary & Thesaurus includes helpful extra features such as a center Reference section of essential ready reference. Within the text, usage tip boxes help users write more effective English. A completely redesigned interior lends an open, readable look that makes this reference accessible and easy to use. Find out more about our living language using Oxford Dictionaries Online - updated regularly with the latest changes to words and meanings, so you have the most accurate picture of English available. Use the thousands of audio

pronunciations to hear how words are spoken. Improve your confidence in writing with helpful grammar and punctuation guides, full thesaurus information, style and usage help, and much more. Discover more on [oxforddictionaries.com](http://oxforddictionaries.com), Oxford's hub for dictionaries and language reference.

[Oxford Dictionary of English](#) Oxford University Press, USA

Produced by Oxford's American Dictionaries Program, and drawing on the expertise of scores of American scholars and advisors, The New Oxford American Dictionary sets the standard of excellence for lexicography in this country. Here is the most accurate and richly descriptive picture of American English ever offered in any dictionary. Oxford's American editors drew on our 200-million-word databank of contemporary North American English, plus the unrivaled citation files of the world-renowned Oxford English Dictionary. We started with American evidence--an unparalleled resource unique to Oxford. Our staff logged more than 50 editor-years, checking every entry and every definition. Oxford's ongoing North American Reading Program, begun in the early 1980s, keeps our lexicographers in touch with fresh evidence of our language and usage--in novels and newspapers, in public records and magazines, and on-line, too. To provide unprecedented clarity, the entries are organized around core meanings, reflecting the way people think about words and eliminating the clutter and confusion of a traditional dictionary entry. Each entry plainly shows the major meaning or meanings of the word, plus any related senses, arranged in intuitive constellations of connected meanings. Definitions are supplemented by illustrative, in-context examples of actual usage. This major new edition of The New Oxford American Dictionary includes a guide to the pronunciations on every page, a new etymology essay by Anatoly Liberman, completely updated and revised maps, and more than a thousand new entries, covering everything new in our language from low-carb to warblog and beyond. The New Oxford American Dictionary is designed to serve the user clearly, simply, and quickly, with the precise guidance you expect from Oxford University Press. With in-depth and up-to-date coverage that all users need and expect--for reading and study, for technical terms, for language guidance--it continues the tradition of scholarship and lexicographic excellence that are the hallmarks of every Oxford dictionary. Web Site A companion web site is now available at [www.oup.com/us/noad](http://www.oup.com/us/noad).
