Meet Greg Kenton, billionaire in the making. Greg Kenton has two obsessions -- making money and his long-standing competition with his annoying neighbor, Maura Shaw. So when Greg discovers that Maura is cutting into his booming Chunky Comics business with her own original illustrated minibooks, he's ready to declare war. The problem is, Greg has to admit that Maura's books are good, and soon the longtime enemies become unlikely business partners. But their budding partnership is threatened when the principal bans the sale of their comics in school. Suddenly, the two

former rivals find themselves united against an adversary tougher than they ever were to each other. Will their enterprise -- and their friendship -- prevail?

Peg Kehret, who told of her childhood battle with polio in *Small Steps: The Year I Got Polio*, now shares the story of her writing career. It began at the age of ten when she wrote and sold the *Dog Newspaper*. The paper was supposed to feature the tales of local dogs, but mostly it was about her own dog, B.J. After four issues, it folded. But Peg learned a valuable lesson: If she wanted people to read what she wrote, she had to write something interesting. Peg went on to write radio commercials, prize-

winning contest entries, magazine articles, plays, and adult nonfiction books before she discovered her true voice as a writer in books for young people.

A timeless American classic and one of the most beloved children's books ever written, *Old Yeller* is a Newbery Honor Book that explores the poignant and unforgettable bond between a boy and the stray dog who becomes his loyal friend. When his father sets out on a cattle drive toward Kansas for the summer, fourteen-year-old Travis Coates is left to take care of his family and their farm. Living in Texas Hill Country during the 1860s, Travis comes to face new, unanticipated, and often perilous responsibilities in the frontier wilderness. A particular nuisance is a stray yellow dog that shows up one day and steals food from the family. But the big canine who Travis calls "Old Yeller" proves his worth by defending the family from

danger. And Travis ultimately finds help and comfort in the courage and unwavering love of the dog who comes to be his very best friend. Fred Gipson's novel is an eloquently simple story that is both exciting and deeply moving. It stands alongside works like *The Adventures of Huckleberry Finn*, *Where the Red Fern Grows*, and *Shiloh* as a beloved and enduring classic of literature. Originally published in 1956 to instant acclaim, *Old Yeller* later inspired a hit film from Walt Disney. Just as *Old Yeller* inevitably makes his way into the Coates family's hearts, this book will find its own special place in readers' hearts. *An Expedition to the Cloud Forest of New Guinea* Albert Whitman & Company
